1. General Terms and Definitions

1. The following General Terms and Conditions (hereinafter – the “General Terms”) stipulate the operation of the gaming Website.

These General Terms define the rules and procedures for opening and maintaining player accounts, depositing and withdrawing funds, placing bets, paying out winnings and resolving disputes. By clicking “accept” or otherwise accessing and using the Website, the Customer acknowledges that they have read, understood, and agreed to be bound by these General Terms along with the Privacy Policy, Betting Rules, Rules on Sports, and all other policies and procedures placed on the Website.

1.1 **DEFINITIONS USED IN THESE GENERAL TERMS:**

Bet	-	is a risk-driven agreement for potential winnings entered into between the customer and the bookmaker under the established Rules, where the fulfillment of such agreement is conditioned by an event whose outcome is yet to be determined. Bets are accepted on the conditions offered by the bookmaker.
Outcome	-	is the result of the event (events) on which the bet was placed.
Customer or Player	-	is an individual placing a bet with the bookmaker on an outcome.
Bet Cancellation	-	is an outcome on which the bet is not settled and winnings are not paid. As per the Rules, in the event of “bet cancellation”, an arrangement between the bookmaker and the customer shall be deemed unconcluded and the stake shall be refunded.
Regular Time	-	is the duration of the match subject to the regulations of the relevant sport, including time added by the referee. Regular time does not include extra time, overtime(s), penalty shootouts, etc.

“**Company**” or “**22BET**” or “**bookmaker 22bet**”

“**Website**” is www.22bet.com.

In case there are other language versions of the Terms & Conditions available, the English version will always prevail.

1.2 **CHANGES TO THE GENERAL TERMS:**

Due to changes in legislative and regulatory frameworks and as dictated by operating conditions, and when the need arises, the Company may from time to time be required to amend its General Terms. Earlier bets shall remain unchanged.
Where possible, the Company will notify players of any significant changes; however, please visit the Terms and Conditions page regularly to check and familiarize yourself with any changes.

2. General Terms

1. The bookmaker 22Bet accepts bets on sports and other events worldwide.
2. Bets may only be placed by individuals who are 18 years of age or the age of majority in their state (if the age of majority is over 18) and agree to the Betting Rules offered by the bookmaker. The customer shall be held liable for violation of this regulation.
3. The following individuals are not allowed to place bets:
    - individuals who are under 18 years of age at the time of placement;
    - individuals who directly participate in the events being betted on (e.g. sportspeople, coaches, referees, club owners or club management, or other individuals who can influence the outcome of the event), as well as any individuals acting on their behalf;
    - individuals representing other bookmakers;
    - individuals who have problems with gambling addiction;
    - individuals who are prohibited from entering into a contract with a bookmaker subject to the effective legislation.
4. The bettor shall be held liable for the violation of paragraphs 2, 3 hereof. Should these Rules be violated, the bookmaker reserves the right to refuse to pay any winnings or to refund stakes, as well as to cancel any bets. The bookmaker shall not be liable in relation to the moment when they become aware that the customer falls within any of the aforementioned categories. This means that the bookmaker shall be entitled to take the above measures at any time once they have become aware that the customer is an individual who can be designated as above.
5. The right to access and/or use the Website (including any or all of the products offered through the Website) may be considered illegal in certain countries (including, for example, the United Kingdom etc.). The fact that our Website is available in such a country and/or jurisdiction or that it can be displayed in the official language of any of those countries cannot be considered official authorization or legal grounds for using our Website and depositing funds into your account or withdrawing your winnings. The availability of the Website does not mean that it contains any proposals, incitement or invitation to use or subscribe to betting, gambling or any of the other services in any jurisdiction where such activity is illegal.
6. You are responsible for determining whether your accessing and/or use of the Website is compliant with applicable laws in your jurisdiction and you warrant to us that gambling is legal in the territory where you reside. When opening an account and/or using our Website you must make sure that your actions are legal in the territory in which you reside. You also guarantee and agree that you have received legal advice before registering on our Website.
7. If we become aware that you are a resident in a country where the use of our Website is considered illegal, we will have the right to close your account and refund any remaining balance on your account at the moment of its closure (after the deduction of any winnings credited after your most recent deposit was made). Before using the website, the Customer must make sure that they do not breach laws and regulations related to the gambling industry in their territory of residence. Online gambling is prohibited in some countries, and consequently gambling-related payments and money transfers may also be forbidden. We recommend that you consult lawyers before registering on our website.
   Users from the following countries will not be allowed to register on our website: Belarus, Belgium, Cuba, Cyprus, Estonia, France, Iran, Israel, Latvia, Lithuania, Malta, North Korea, Russia, Sudan, Syria, Ukraine, United Arab Emirates, United Kingdom, USA. As national laws are subject to change, customers are responsible for keeping up to date with any changes made to legislation.
8. The bookmaker shall be entitled to refuse bets from customers who fail to abide by these Rules.
9. The bookmaker reserves the right to refuse to accept a bet from any individual without giving a

reason.

10. All bets shall be settled based on the data provided by the processing center.
11. Winnings shall be paid to the bettor within 30 (thirty) calendar days from the date of official publication of the results of the latest event on the bet slip.
12. Winning bet slips can be paid out within 30 (thirty) calendar days from the date of the event specified on the bet slip.
13. After receiving returns, the bettor shall check if the winnings are correct. Should the bettor disagree with the winnings, they shall give notice to the bookmaker thereof with their account number, date, time, event, stake, selection, odds, and reasons of disagreement being stated. Any claims regarding winnings may be filed within 10 (ten) days. All bet calculation claims for Cyber-Live games are accepted within 72 hours from the moment of game ending.
14. A bet placed by the Customer shall be deemed won if all outcomes specified in such bet have been predicted correctly.
15. Betting terms (odds, handicaps, totals, maximum stake limits, etc.) may be subject to variation after a bet has been made, but this does not affect the terms at the time the bet was placed. Before entering into an arrangement, the customer shall check all changes in the current pre-match markets.
16. Bets placed on events, the outcome of which was known at the time of placement, shall be settled at odds of 1.
17. Subject hereto, in the event of any disagreement between the customer (contract party) and the bookmaker on any matter pertaining to the observance and fulfillment of a betting arrangement between the customer (contract party) and the bookmaker, including payouts, outcomes, odds and other material terms of the arrangement, as well as declaring such arrangement unconcluded or void, the parties agree that any disputes shall be settled by serving a complaint to the opposite party (pre-trial procedure).
18. Under the pre-trial procedure, a party claiming the violation of their rights shall serve a written complaint to the opposite party. Whenever a complaint is served to the bookmaker, it shall be delivered to the bookmaker’s registered office stated in the bookmaker’s constituent documents and supported by the respective statement from the public register of companies. Whenever a complaint is served to the customer (contract party), it shall be delivered to their place of residence (or place of stay).
19. A complaint shall be served within 10 (ten) days of the day when the party became aware or should have become aware of the violation of their rights. Documents supporting and substantiating such complaint shall be enclosed. In default of sufficient grounds for the complaint, the same shall be returned without examination. All bet calculation claims for Cyber-Live games are accepted within 72 hours from the moment of game ending.
20. In the case of technical failures and unfinished streams, etc. bets on eSports Live will be refunded only if the event in question does not occur or bets on the event are not settled by the bookmaker.
21. If an employee makes an error while accepting a bet (obvious misprints on the list of events, inconsistency of odds between offered betting markets and the bet, etc), or a bet is accepted in violation of these Rules, or if there are any other indications that the bet is wrong, the bookmaker reserves the right to declare such bets void. Returns on such bets shall be paid at odds of 1.
22. 22BET does everything they can to avoid technical errors, but this is not always possible. That is why the Customer is informed of the following:
    22BET is not responsible for any downtime, server downtime, delay or other technical or political impediments to the conduct of the Games, which are not due to deceit or gross negligence of the bookmaker and its employees and/or representatives.
    22BET shall not be liable for any damages or losses - , which are not due to deceit or gross negligence of the bookmaker and its employees and/or representatives - that are considered or

are alleged to have occurred in connection with the Website or its content, including but not limited to:
    - Delays or interruptions in operation or transmission.
    - Loss or alteration of data.
    - Loss of communication or lines.

  Should the Customer become aware of any possible errors or incompleteness in the software, the Customer agrees to refrain from taking advantage of them. Moreover, the Customer agrees to report to the bookmaker any error or incompleteness immediately. Should the Customer fail l to fulfil such obligations, the bookmaker has a right to full compensation for all costs related to the error or incompleteness, including any costs incurred in association with the respective error/incompleteness and the failed notification.

  In case of non-completion of the Customer's Game due to a system error, 22BET will refund the amount the Customer bet on the Game by crediting their Account if the report has been made immediately after the error or incompleteness in the software occurred. If the Customer has accumulated credits during the interruption of the Game, the monetary value of the credits will be added to their Account.

  22BETwill take all reasonable steps to ensure that the system allows the Customer to participate in the games. If the game is stopped after a bet, the game will continue from the exact point of interruption due to an error in the telecommunications system or your computer system. If, however, this continuation is not possible, it will:
    - Make sure the game ends.
    - 22BET will refund the bet amount by adding it to the Customer's Account.
23. In the event of suspicions in the unsportsmanlike format of matches the company reserves the right to block bets on sport event before final conclusion of an international organization and declare bets as invalid if the fact of an unsportsmanlike game is determined. Payment of these bets is made with odds "1". The administration is not obliged to present evidence and conclusions to the customers.
24. Should the receiving party fail to consider a complaint within the established timeframe, a party claiming the violation of their rights shall be entitled to bring action to court, and the proper venue shall be a court in the country of the bookmaker’s registered office.
25. Should these Rules be amended, customers shall be notified accordingly. Bets accepted after the specified date shall be subject to the amended Rules. Earlier bets shall remain unchanged.
26. The Customer shall be responsible for keeping their password and account number received at registration confidential. All bets registered with the bookmaker shall be valid. Bet cancellation shall be subject to these Rules. Should the Customer’s login details come into the possession of a third party, the bookmaker should be informed, the Customer should change their username and password and their email password to stronger ones. You must not disclose any cash withdrawal codes or codes for changing your phone number to any third party.
27. In no event shall the bookmaker 22Bet be held liable to the Customer for any indirect, collateral, or incidental losses or damages (including loss of profit), even though they may have been notified that such losses or damages are likely to occur.
28. No connection failure while receiving confirmation of a bet shall entail the cancellation of such bet.
29. Placing a bet acts as proof that the Customer agrees to and accepts these Betting Rules.
30. Bets shall be settled and winnings shall be determined based only on the results declared by the bookmaker. Any complaints about the results, date, and actual starting time of the event shall be considered together with official documents from the relevant sports federations.
31. No complaint in connection with or arising from transliteration (or translation) of a team name, player’s surname, or sports venue will be considered by the bookmaker. A tournament title is given for convenience only. No mistake in a tournament title shall result in a stake refund.
32. Each registered customer may have only one account. Customers may register only one

account per family, address, e-mail address, IP address, credit/debit card, e-wallet or electronic payment method. Persons otherwise associated with a customer will not be allowed to register on the website.

33. If 22Bet mistakenly credits your Player Account with a deposit, bonus or winnings that do not belong to you, whether due to a technical issue, error in the paytables, human error or otherwise, the amount and/or the winnings from such bonus will remain 22Bet property and will be deducted from your Player Account.
34. In the event of
    - duplicate registration (including registering under a new name), the submission of someone else's, invalid, or forged documents (including those that have been edited by using any kind of software or graphic editor)
    - multiple breaches of the Betting Company’s T&C
    - doubts about the identity of the customer or the information they have provided (i.e. address, credit/debit card details, other data)
    - any types of fraud committed either by you or by another person acting in your interests or in collusion with you, including but not limited to:
        - a) refund or rake fraud
        - b) your use of a stolen or unverified bank card as a source of funds
        - c) any actions you have carried out or attempted to carry out which may reasonably be considered illegal in any applicable jurisdiction, which were committed deliberately or with the intention to deceive and/or circumvent constraints set in law regardless of whether this action or attempt ultimately causes loss or damage to your account
    - when the customer placed the bet, they had information about the result of that event
    - the customer was able to influence the outcome of an event due to their direct participation in the match (sportspeople, coaches, referees, etc.) or because they acted on behalf of the participants
    - bets were placed by a group of bettors acting in concert (as a syndicate) in order to exceed the limits set by the bookmaker, as well as colluding with others in order to obtain an unfair advantage through bonus schemes or any other promotions offered by us
    - the bettor is suspected of using special software or hardware which facilitate automated betting, including but not limited to the use of glitches, faults or errors in our software in connection with the Services we offer (including betting); your use of rogue equipment and programs or analytical systems, including but not limited to software that allows you to place bets without human intervention (for example, bots), etc.
    - unfair means of any kind were used to obtain information or circumvent restrictions imposed by the company.

      The Company’s management is entitled to request at their discretion any documents from the bettor substantiating their identity or other data they have provided (for example, passport details, residential address), as well as to cancel any payments until all such details have been verified. The Company also reserves the right to inform the regulatory bodies and local authorities of such fraudulent actions performed by the player.
35. If the customer refuses to undergo verification, the company reserves the right to void their bets (including bets placed from duplicate accounts). Furthermore, the management reserves the right to take any reasonable measures, including but not limited to blocking the account and freezing the available funds until the account holder is established and their deposit methods have been confirmed.
36. Upon completion of the investigation, the company can make any decision that it deems to be fair and reasonable:
    - to block (close) the account (including any duplicate accounts), which may entail:
        - all bonuses, free bets and winnings received from those bonuses and free bets

when using this duplicate account becoming void and lost to you
    - at our sole discretion, to cancel all winnings and refund the balance of your account at the start of the investigation (minus any canceled winnings) made from your main and duplicate accounts. We also have the right to refund any amounts that are owed to us in connection with this duplicate account, directly from any of your accounts (including any other duplicate account).
37. At our sole discretion (in exceptional cases), to allow the continued use of the main account and recognize it as valid, while all bets placed by you from the duplicate account will be void, the duplicate account(s) will be blocked and/or canceled by decision of the company (the decision is made for each particular case individually, according to the extent of the violation).
38. The Company's management reserves the right to conduct a video conference as a part of the identity verification process, or request for the documents to be sent by post. Verification may take up to 72 hours from the receipt of the documents. The outcome of the video conference can be provided to the customer within 5 working days after a video conference takes place. If it is proven that the data that was provided is not valid, the company is entitled to take any reasonable measures including but not limited to cancelling all bets and suspending all transactions for the duration of their investigation, and to proceed with full verification of the account once any documents required for the verification procedure have been requested.
39. The company reserves the right to block a customer's account if it stays inactive for 3 months. To unblock your account, please contact the Security Department at security@22bet.com.
40. In exceptional cases, upon the bettor's request, the bookmaker may alter the account currency. In order for that to be done, the Customer should e-mail their request to security@22bet.com with the subject "CHANGE OF CURRENCY". A photo of the main page of the Customer's passport should be attached thereto. For this transaction the bookmaker charges 10% of the amount being converted.
41. The account holder confirms that any activities on the account are performed by themselves. If the account is managed by a third party, the account holder shall take exclusive responsibility for access to the account.
42. The bookmaker reserves the right to update these Rules and add new provisions at any time. Such new rules or amendments shall take effect immediately after publication on the website.
43. **What is gambling addiction?**
    - Gambling problems are associated with mental health issues such as depression,anxiety and suicidal thoughts. They can affect family relationships, professional and academic progress, and can even lead to bankruptcy and crime.
    - Gambling is an entertaining activity rather than a source of income.
    - Gambling is a thrilling and amusing pastime. Unfortunately, in some cases, involvement in such activities may cause problems. We take care of our customers and do our best to ensure responsible use of our website without any negative consequences. We advertise our products and services in a responsible manner and will not target young or susceptible people.
44. **Return of Funds and Underage Players.**
    - Any bet, wager, payout request, or transaction may be declared void if a customer intentionally provides false, misleading, or inaccurate information to the Operator, including but not limited to information relating to identity, age, betting activity, payment details, event results, or any other material request or communication.
    - Participation in gaming activities by individuals under the age of 18 (or such higher minimum legal age as may apply under the relevant jurisdiction) is strictly prohibited. If the Operator determines that a player is underage, the account will be suspended and all gaming activity may be voided.
    - Any undisputed deposits made by an underage player will be refunded to the original payment source or to the player, where permitted and appropriate, once the player has

been identified as underage and all necessary verification procedures have been completed.
    - In accordance with the requirements of the Kahnawake Gaming Commission, any prize, winnings, or funds derived from participation in authorized gaming by an underage player may be forfeited to the Commission. Any such forfeited amounts may be remitted by the Operator to the Commission for disbursement to eligible organizations selected by the Commission.
45. **Gambling addiction prevention.**
    - No advertising campaign or promotion misleads users, nor do they distort the nature of the services for potentially susceptible bettors. Customers are informed about the chances of winning as well as the potential risks. Services are provided based on the amount paid and excessive spending is not encouraged.
    - Do you have uncontrolled spending?
    - Are you borrowing money or stealing in order to gamble?
    - Have you noticed that you spend less time with your family?
    - Do you react badly to other people’s opinion about your online gambling?
    - Have you lost interest in hobbies or usual leisure pursuits?
    - Do you feel depressed or even suicidal because of your gambling failures?
    - Have you ever lied to cover up the amount of money or time you have spent gambling?
      Please answer the questions above. If you say 'yes' to all questions, you are likely to have a gambling problem:
      It is never too late to admit that you have an addiction and to fight against it. We value our customers and in no event will we facilitate the progression of this illness.
46. Please read the following information which can help you lower the risk of developing gambling addiction:
    - Do not regard gambling as your main source of income;
    - Set limits on the time and money to be spent. Do not break these limits;
    - Please do not gamble if:
    - You are under the influence of alcohol or any other substance;
    - You are depressed;
    - Only gamble with money that you can afford to lose.
    - Avoid chasing your losses.
47. 22Bet customers are informed about the odds of winning and of the potential consequences and risks of losing.
    Your withdrawals and deposits can be accessed through the "My Account" section.
    22BET offers a self-exclusion option that allows you to close your account for at least 6 months and can be re-opened only after you contact us via email once the 6-month period has passed. Your account will be blocked only after the specific period has been clarified in your message. Your account can be re-opened after 6 months has passed and you contact us with the request of re-opening. To have this option enabled please contact us via support-en@22bet.com
48. Please write to customer support for help and also use the Self-restriction option if necessary. We provide assistance to players with potential gambling problems which is readily available, systematically provided and logged. We monitor all requests.
49. For customers who want to set limits on their gambling, we offer a voluntary self-exclusion service, which allows you to close your account or restrict your gambling activities for one of the following periods: 1 month, 6 months or 1 year. Once your account has been self-excluded, it will be closed until the selected time period has elapsed. Once the self-exclusion period has ended, you will be able to recommence your use of any Services by contacting Customer Support.
50. You can request that the restrictions are removed from your account before the self-exclusion period has ended; however, the final decision rests with the Company. During the self-exclusion

period Customer must not attempt to open a new Account and you must accept that the Company shall have no financial liability and shall not be held otherwise accountable if you continue gambling or using a new Account with the Service under a different name or address.

3. General betting rules

The bookmaker accepts bets based on a list of betting markets with odds that reflect the perceived probability of each outcome.

1. The minimum stake on any single selection is $0.30/€0.20.
2. The maximum stake is determined by the bookmaker for each selection separately. Maximum stake limits vary by sport and event. Whenever an accumulator (system) bet comprises several legs with different stake limits, the lowest maximum stake limit shall apply. Maximum odds for a single bet are 200, for an accumulator are 500.
3. The maximum return is limited to €60,000 (or the equivalent sum in a foreign currency) per bet.
4. The bookmaker reserves the right to limit the maximum stake or odds on certain selections as well as to limit or raise the maximum stake or odds for certain customers without any notification or giving reasons.
5. Placing a bet more than once on the same outcome or combination of outcomes by the same bettor can be restricted at the discretion of the bookmaker.
6. A bet is considered to be accepted after its registration on the server and its online confirmation. Registered bets may not be altered or revoked.
7. Bets are only accepted in amounts not exceeding the current balance on the customer's account. Once a bet has been registered, the stake is debited from the account. After bets have been settled, the return is credited to the customer's account.
8. Bets are accepted before the start of the event; the relevant date, starting time, and commentary shown in the Sports section are indicative. Any bet placed after the event has started for any reason will be deemed void, except for in-play (live) bets, which are bets made while an event is taking place. Such bets shall be deemed valid until the end of the match.
9. SPORTS and LIVE bets may not be changed or deleted except for the certain cases described in paragraphs 10-14.
10. If a single bet is canceled, the relevant stake is refunded. In accumulators and system bets, when any leg or legs are canceled, such legs shall be excluded from the bet settlement.
11. If bets are settled incorrectly (e.g. the results were entered by mistake), such bets shall be recalculated. However, bets placed in the period between the erroneous settlement and recalculation shall be deemed valid. In the event the bettor's account proves to be negative after such recalculation, no bets may be placed until the bettor has made a sufficient deposit.
12. No sports event shall be deemed rescheduled or canceled unless the same is announced in official documents issued by the event organizer, on official websites of sports federations, on websites of sports clubs, or by other sources of sports information. Events indicated in the Sports section shall be adjusted accordingly.
13. A bet shall be canceled should the customer deliberately mislead the staff (bookmaker employees) by submitting false data and requests pertaining to betting, payouts, results of the event, or any other details or requests of such nature. This rule shall also apply to minors (individuals under 18 years of age) and their parents.
14. A bet shall be canceled if it has been placed on a known outcome (an event has finished, but the results have not been updated).
15. **The "Simultaneous finish"** rule is the outcome in which there is more than one winner of the event, tournament, championship etc. Should two winners be announced then stake amount is divided into 2 while calculating bets. Should three or more winners be announced then bets will be settled with odds equal to "1". This rule does not apply to the markets "To be higher".
16. Bets on regional championships (football, futsal, hockey, etc.) are settled within 10 days from the publication of the results on official websites thereof. You can find the list of official websites in the section "Main Sources of Information". If one of the teams does not show up, all bets shall

be settled at odds of 1 (refund). In this event the non-participant forfeits the game.

3.1. Bet slip sale

The Company offers a "Bet slip sale" feature. If customer does not want to wait until their bet has been settled, they can sell the bet slip back to the company in part or in full and get money in their account immediately. The service is available in "My Account – Bet History" or in the "My Bets" tab on the bet slip.

The customer can choose between a full or a partial sale in the bet slip sale dialog window. In this window, the customer can choose the part of their stake they want returned to their gaming account. The remaining part of the stake will stay on their bet slip and will be taken into account when the bet is settled. The amounts are confirmed by pressing the "Sell" button.

The minimum and maximum amounts the customer can get back into their account are determined on a case-by- case basis, dependent on the specific bet placed. In some cases the customer can only sell the bet slip in full. In other cases, depending on the bet, the customer might be able to sell the bet slip in parts, and in several transactions, within the stake amount.

The more time a customer spends on the bet slip sale dialog window once it has been opened, the greater the chance that the amount offered to sell the bet slip for will change. If the situation around the event changes, the price offered for the sale of the bet slip could change too.

Bet slip sale is possible for single, accumulator bets and system bets.

A bet slip sale is impossible if:

- The bet has been settled;
- One or more outcomes on the bet slip have been blocked;
- The bet slip contains outcomes which cannot be sold;
- The bet slip has already been sold;
- The price offered to the customer for the bet slip has changed. In this case the customer should choose new amounts in the bet slip sale dialog window.
- A bet slip sale can also be blocked at the discretion of the Betting Company.

The Company is not liable in cases where the service is not available due to technical failure. The Company reserves the right to suspend the service at any time in regard to any betting event without stating a reason. The bet slip sale transaction can be canceled if technical problems have been detected at any stage of the sale. In all such cases, bets are settled as normal based on the event outcome.

The Company does not guarantee that any bet placed on the website can be sold. The customer can only find out whether the bet can be sold after the bet has been accepted. The price of selling the bet slip offered by the Company is not up for negotiation. The customer has the right to accept the terms of sale or refuse to sell the bet slip at the specified price.

An “Auto sell” function is also available. The Customer indicates the amount that he would like to sell the bet slip for. The bet slip sale price will be continuously adjusted in accordance with the odds, and the bet slip will be sold automatically when the price reaches the desired amount.

Before the bet is sold automatically, a customer can themself sell the bet slip in whole or in part. In this case the "Auto sell" function will be deactivated.

"Auto sell" terms fully correspond with "Bet slip sale" rules and its restrictions.

4. Types of bets

The bookmaker offers the following types of bets:

4.1. Single bet

A single bet is a bet on a particular outcome. To calculate the return on a single bet, the stake is multiplied by the odds of your selection.

4.2. Accumulator bet

An accumulator bet is a bet consisting of several selections on unrelated events. To calculate the return on an accumulator, the stake is multiplied by the corresponding odds of all selections within the accumulator. Should at least one leg fail, the whole bet is lost.

4.3. System bet

A system bet is a bet consisting of several accumulators of the same size on a pre-determined number of outcomes.
The maximum number of accumulators within a system is 184756.
The maximum number of outcomes within a system is 20.
To calculate the payout, the returns on all accumulators included in the system are added up.

4.4. Chain

A chain consists of several single bets on unrelated outcomes. The stake in each single bet is equal to the stake placed on the very first selection which rolls over with each bet won. The bettor determines the order of bets being settled within a chain and places a bet on the first selection in the chain. For bet settlement purposes, a concept of a "chain account" is used. As each single bet in the chain is

settled, the balance on the "chain account" is adjusted accordingly. Initially, the balance equates to the first stake.
As the chain progresses, should the balance on the chain account be less than the pre-determined stake, this remaining balance will be placed on the next selection.
The chain is settled based on the order of bets on the bet slip rather than chronologically. The balance remaining on the "chain account" after all bets have been settled shall be paid. If the balance on the "chain account" drops to zero at any point, the chain is terminated and the bet is deemed lost.

4.5. Multibet

A Multibet is a set of accumulators and single bets. A Multibet may include a Lobby bet or it may not.

A Multibet with a Lobby can be described as an accumulator which includes two bets: a Lobby bet and a system bet consisting of several selections.

A Lobby is an outcome upon which the win of a Multibet depends. A Lobby may be placed as a single bet or as an accumulator.
To create a Multibet, there must be at least three selections on a bet slip (apart from any Lobby). Should the Lobby lose, the whole bet loses. Should the system bet lose, the whole bet loses.
Should the Lobby and one or more legs of the system bet win, the odds of the Lobby shall be multiplied by the odds of the system (depending on how many legs of the system won) and the stake on one leg within the system. If a Lobby is not included in a Multibet, the bet slip shall be treated as a system bet. A Multibet without a Lobby and comprising only of single bets shall be treated as a system bet.

Example. Let’s consider settlement of the following Multibet (a Lobby, two single bets and one accumulator)

Lobby – odds 1.8
Block 1 – odds 1.39
Block 2 – odds 1.78
Block 3 – odds 2.44
Stake – €300

The stake on one leg in the system bet amounts to 300/3 = €100
1st Option
The Lobby loses. The bet slip loses.
2nd Option
The system of 2 single bets and the accumulator loses. The bet slip loses.
3rd Option
The Lobby wins.
One leg of the system consisting of 2 single bets wins: Block 1 + Block 3. The stake on one leg in the system amounts to €100. (1.39 x 2.44) x 1.8 = 6.1 x €100 = €610.
4th Option
The Lobby wins.
All legs in the system win. The stake on one leg in the system amounts to €100. (1.39 x 2.44 + 1.39 x 1.78 + 1.78 x 2.44) x 1.8 = 18.36 x €100 = €1,836.

4.6. Conditional bet

A conditional bet is a combination of bets (single bets and accumulators) on unrelated outcomes. The bettor may determine at their own discretion the order of the outcomes involved in a conditional bet. All outcomes shall be settled in the order specified on the bet slip. The bettor may determine at their own discretion the stake on each outcome. The stake on each subsequent outcome may not exceed the return from the preceding outcomes. The bettor may also specify only the initial stake. In this event, the stake on each subsequent outcome in the conditional bet will equal the maximum (100%) return from the preceding selection. Should the first selection lose, the conditional bet loses. The settlement of a conditional bet shall be terminated if one of the selections loses and there are no funds left for subsequent stakes.

Example. The conditional bet consists of three blocks.
Block 1 – odds 1.15, stake €100 (the stake paid by the Customer when the bet is accepted).
Block 2 – a double at odds of 1.39 and 1.13 respectively. The stake amount is set as the maximum.
Block 3 – odds 1.13, stake €100

1st option
Block 1 loses. The whole bet loses as there is no stake available for the subsequent blocks.
2nd option
Block 1 wins. The return amounts to €115.
Block 2 (a double), the stake is set as the maximum (€115). This wins and so the return is (1.39 x 1.13) x 115 = 1.57 x 115 = €180.63.
The stake for Block 3 is deducted from the return. The stake for Block 3 amounts to €100. 180.63 – 100 = €80.63. The sum of €80.63 is credited to the conditional bet account.
Block 3 loses.
The balance on the conditional bet account amounts to €80.63. The return is €80.63.
3rd option
Block 1 wins. The return amounts to €115.
Block 2 (a double), the stake is set as the maximum (€115). The return is (1.39 x 1.13) x 115 = 1.57 x 115 = €180.63.
The stake for Block 3 is deducted from the return. The stake for Block 3 is €100. 180.63 – 100 = €80.63. The sum of
€80.63 is credited to the conditional bet account.
Block 3 wins - 100 x 1.13 = €113
The return amounts to 80.63 + 113 = €193.63
4th option
Block 1 wins. The return amounts to €115.
Block 2 (a double) loses. The stake of Block 2 is set as the maximum, therefore the sum of €115 is lost.
Block 3 wins. The stake is €100. As Block 2 lost, there is no stake.
The bet slip loses.

4.7. Anti-Accumulator

An anti-accumulator is the opposite of an accumulator in terms of bet settlement, which means that the bet wins if the relevant accumulator loses. The bet must include two or more selections on unrelated events, and the bet wins should at least one selection lose.
The combined odds of an anti-accumulator are calculated based on the opposite of the winning probability of an accumulator consisting of the same legs.

Example. The bet slip includes 3 selections.
Selection 1 – odds 1.25
Selection 2 – odds 1.65
Selection 3 – odds 1.85

For this accumulator the combined odds are 3.81. The winning odds of the respective anti-accumulator, calculated by our software, equate to 1.17. The anti-accumulator bet may be settled as follows:

1st option
If at least one selection does not win (is not predicted correctly), and the other selections win, the return will be 100 x 1.17 = €117.
2nd option
If there is a payout at odds of 1.00 on Selection 3, the final odds of the accumulator will be 2.06. Accordingly, the winning odds of the respective anti-accumulator will increase from 1.17 to 1.58. If Selection 1 or Selection 2 do not win (are not predicted correctly), the anti-accumulator bet will win and the return will be 100 x 1.58 = €158.
3rd option
If there is a payout at odds of 1.00 on Selection 2 and Selection 3, the final odds of the accumulator will be 1.25. Accordingly, the winning odds of the respective anti-accumulator will increase from 1.17 to 3.16. If Selection 1 does not win (is not predicted correctly), the anti-accumulator will win and the payout will be 100 x 3.16 = €316.

4th option
Should any of the selections win (be predicted correctly) and should there be a payout at odds of 1.00 on the remaining selections, the anti-accumulator bet will lose.
Should there be a payout for all three selections at odds of 1.00, the stake will be refunded to the Customer's account.

4.8. Lucky

A Lucky bet is a combination of single bets and all associated available accumulators for a specific number of selections. The minimum number of selections is 2, the maximum number of selections is 8.
To get a payout, at least one selection needs to be predicted correctly.

Example. The bet slip includes 4 selections.
Selection 1 – odds 2
Selection 2 – odds 3.5
Selection 3 – odds 4
Selection 4 – odds 1.5
The stake is €150

The Lucky bet will include the following bets:
4 single bets

6 permed doubles
4 permed trebles
1 fourfold accumulator

You have 15 bets in total. The stake shall be calculated as follows: €150/15 bets = €10 per bet.

4 single bets of €10 each

Selections	Odds	Return
Event 1	2.00	20
Event 2	3.50	35
Event 3	4.00	40
Event 4	1.50	15

6 permed doubles of €10 each

Selections	Odds	Return
Event 1 + Event 2	2.00 x 3.50	70
Event 1 + Event 3	2.00 x 4.00	80
Event 1+ Event 4	2.00 x 1.50	30
Event 2 + Event 3	3.50 x 4.00	140
Event 2 + Event 4	3.50 x 1.50	52.5
Event 3+ Event 4	4.00 x 1.50	60

4 permed trebles of €10 each

Selections	Odds	Return
Event 1 + Event 2 + Event 3	2.00 x 3.50 x 4.00	280
Event 1 + Event 2 + Event 4	2.00 x 3.50 x 1.50	105
Event 1 + Event 3 + Event 4	2.00 x 4.00 x 1.50	120
Event 2+ Event 3 + Event 4	3.50 x 4.00 x 1.50	210

1 fourfold accumulator of €10

Selections	Odds	Return
Event 1 + Event 2 + Event 3 + Event 4	2.00 x 3.50 x 4.00 x 1.50	420

Should all single bets win, all other options on the bet slip shall be deemed won. All returns will add up to €1,677.50.

Should only one selection win, for example Selection 4, the return will be 1.5 x €10 = €15. All the remaining 14 options will lose.

4.9. Patent

A Patent involves all the possible accumulators derived from a set number of selections. The minimum number of selections is 3 and the maximum number of selections is 8.
To win, at least one accumulator needs to be predicted correctly (this means a minimum of two selections should be predicted correctly).

Example. There are 4 selections on a bet slip.
Selection 1 – odds 2
Selection 2 – odds 3.5
Selection 3 – odds 4
Selection 4 – odds 1.5
The stake is €110.

The Patent will include the following bets:
6 permed doubles
4 permed trebles
1 fourfold accumulator.

There are 11 combinations. The stake is calculated as follows: €110/11 combinations = €10 per combination.

6 permed doubles of €10 each

Selections	Odds	Return
Event 1 + Event 2	2.00 x 3.50	70
Event 1 + Event 3	2.00 x 4.00	80
Event 1 + Event 4	2.00 x 1.50	30
Event 2 + Event 3	3.50 x 4.00	140
Event 2 + Event 4	3.50 x 1.50	52.5
Event 3 + Event 4	4.00 x 1.50	60

4 trebles of €10 each

Selections	Odds	Return
Event 1 + Event 2 + Event 3	2.00 x 3.50 x 4.00	280
Event 1 + Event 2 + Event 4	2.00 x 3.50 x 1.50	105
Event 1 + Event 3 + Event 4	2.00 x 4.00 x 1.50	120
Event 2 + Event 3 + Event 4	3.50 x 4.00 x 1.50	210

1 fourfold accumulator of €10

Selections	Odds	Return
Event 1 + Event 2 + Event 3 + Event 4	2.00 x 3.50 x 4.00 x 1.50	420

Should all single bets win, then all options in this bet slip shall be deemed won. All returns add up to €1,567.50.
Should only one of the four selections play out as predicted, all the options in this bet slip shall be deemed lost.

5. Restrictions on Inclusion of Certain Outcomes

1. The accumulator cannot contain any related outcomes. Should an accumulator (system) consist of two or more related outcomes, outcomes with the lowest odds will be excluded from the accumulator (system). Related outcomes (related events) are those when one part of the bet affects another part of the bet.
2. A bet on “Team to score a penalty Yes/No” market will be deemed lost if no penalty is awarded during regular time.
3. Bets on “How the goal will be scored” and “Next goal” markets will be deemed lost if the goal number specified in the bet is not scored.

6. Live Betting

1. Live bets are accepted on main markets (win, total, handicap) and additional markets (HT-FT etc). You may place single live bets or combine them in accumulators.
2. The bet shall be deemed accepted once it has been registered on the server and online confirmation has been received. You may not alter the bet once it has been accepted. If the circumstances specified in p. 2.7 of “General Terms” occur, the live bet may be settled at odds of 1.
3. The bookmaker takes no responsibility for any inaccuracy regarding the current scores of matches on which live bets are being accepted. Customers should refer to other independent sources of information.
4. No live bets may be edited or deleted.

7. Deposits and Withdrawals

There are various ways for Customers to deposit funds into and withdraw funds from their account. All deposit and withdrawal methods can be found in the “Payments” section.
The minimum and maximum amounts for deposits and withdrawals depend on the payment method the Customer decides to use.

1. **Deposits:**
    1. 22BET does not accept third-party deposits. You must make deposits only from a bank account, bank cards Visa/Mastercard (it is the cardholder's responsibility to know the laws concerning online gambling in their country of domicile), payment systems Skrill/NETELLER or other payment wallets/payment options that are registered in your own name (The administration does not recommend making deposits using someone else’s electronic wallet. The administration has the right to return funds to the holder of such an electronic wallet without prior notification).
    2. If we determine during the security checks that you have violated this condition then your winnings will be confiscated. Furthermore, 22BET is not responsible for the loss of funds deposited from third-party accounts.
    3. Transfers of funds between players‘ accounts are prohibited.
    4. The deposit and withdrawal should be made in the same currency and with the same payment method.
2. **Withdrawals:**
    1. All withdrawal requests are processed 24/7.
    2. You can only withdraw funds using the same payment method that was used to deposit funds into your account. If you use various different methods to make deposits, withdrawals should be proportionate to the deposits made using any particular method.
    3. 22BET may refuse withdrawals via payment systems or in cash and offer a bank transfer as a substitute.
    4. If the Customer does not abide by the rules of the Company (does not follow its Terms and Conditions, does not place a bet before making a withdrawal, etc.) the Company reserves the right to decline such withdrawals and the Customer’s winnings will be confiscated.
    5. No service charge is imposed if monies are deposited into or withdrawn from the Customer's account in BTC currency using the Bitcoin payment system.
    6. Customer requests for withdrawal of funds shall be processed within 5 (five) business days from the date of submission, provided that no disputes or restrictions stipulated by these Terms and Conditions exist.
3. **Security and legal:**
    1. In certain circumstances and in respect to certain Customers, 22BET may decide not to reimburse service charges imposed by payment systems on deposits or withdrawals which 22BET usually reimburses.
    2. Online gambling may be illegal in the jurisdiction in which you are located; if so, you are not authorized to use your payment card to complete transactions.
    3. The 22BET Security Service is entitled to:
        1. decline cash withdrawal requests if deposits were made through e-payment systems;
        2. refuse any withdrawal should the deposit or withdrawal amounts be inconsistent with bets placed (the Customer must place bets with stakes which add up to the sum of all deposits and the bets must have odds of at least 1.1). Permitted withdrawal amounts shall be calculated based on the amount of the bets placed

from any given deposit;
3. refuse any withdrawal if the betting account is misused. In this case your account must be verified before withdrawal can take place.

4. The 22BET Security Service does not recommend Customers:
    1. To transfer funds between PSP (payment systems);
    2. To make a deposit and withdraw funds without placing bets;
    3. In the foregoing events, funds will be returned to your account.
5. Should 22BET have any concerns about the Customer's identity or their address, payment method, or other details (age, credit or debit card, other data), additionally to the documents provided during the identification process, 22BET is entitled to request supporting documents from the Customer substantiating their identity, source of funds, or other submitted data. 22BET is entitled to suspend any withdrawals until all such details are fully verified. 22BET shall strive to complete verification in no longer than 72 (seventy-two) hours from receipt of the last requested document. If it is proven that any of the submitted data is incongruous or false, 22BET is entitled to void all bets and suspend all transactions until the owner of the account in question provides sufficient clarification of the discrepancies.
6. 22BET is entitled to request for originals or certified hard copies of the documents to be sent by registered post.
7. The Customer is fully responsible for paying all fees and taxes applied to the Customer's winnings according to laws of the jurisdiction of the Customer's residence.
8. DORMANT ACCOUNTS An inactive (dormant) account is a Player Account which a player has not logged into or logged out of for twelve (12) consecutive months. If your Player Account is deemed to be inactive, the Casino reserves the right to charge a monthly administrative fee of 10 EUR or the equivalent in another currency (or the current balance of your account, if less) as long as the balance of your account remains positive. You authorise the Casino to debit this fee from your Player Account at the beginning of the month following the day on which your account is deemed inactive, and at the beginning of every subsequent month that your account remains inactive. The Casino will stop deducting the fee if the account balance is zero or if the account is re-activated. Withdrawals from Dormant Accounts Where a Player Account has previously been deemed dormant and is subsequently reactivated, any withdrawal request submitted from such account will be subject to the Casino's Account Closure and Processing (ACP) procedure. As part of the ACP, the Casino will first verify the Player's identity and ensure that the account has been fully reactivated in accordance with applicable Know Your Customer (KYC) and Anti-Money Laundering (AML) requirements. Once verification and reactivation are successfully completed, and any applicable dormant account fees have been deducted or settled in accordance with this Clause, the withdrawal request will be processed in accordance with the Casino's standard withdrawal procedures, including applicable limits, security checks, and processing times. The Casino reserves the right to delay or suspend a withdrawal request where additional verification is required or where there are reasonable grounds to suspect fraud, abuse, or a breach of these Terms and Conditions.

DORMANT ACCOUNTS

An inactive (dormant) account is a Player Account which a player has not logged into or logged out of for twelve (12) consecutive months. If your Player Account is deemed to be inactive, the Casino reserves the right to charge a monthly administrative fee of 10 EUR or the equivalent in another currency (or the current balance of your account, if less) as long as the balance of your account remains positive.

You authorise the Casino to debit this fee from your Player Account at the beginning of the month following the day on which your account is deemed inactive, and at the beginning of every subsequent month that your account remains inactive. The Casino will stop deducting the fee if the account balance is zero or if the account is re-activated.

Withdrawals from Dormant Accounts

Where a Player Account has previously been deemed dormant and is subsequently reactivated, any withdrawal request submitted from such account will be subject to the Casino's Account Closure and Processing (ACP) procedure.

As part of the ACP, the Casino will first verify the Player's identity and ensure that the account has been fully reactivated in accordance with applicable Know Your Customer (KYC) and Anti-Money Laundering (AML) requirements.

Once verification and reactivation are successfully completed, and any applicable dormant account fees have been deducted or settled in accordance with this Clause, the withdrawal request will be processed in accordance with the Casino's standard withdrawal procedures, including applicable limits, security checks, and processing times.

The Casino reserves the right to delay or suspend a withdrawal request where additional verification is required or where there are reasonable grounds to suspect fraud, abuse, or a breach of these Terms and Conditions.

8. Match Results, Dates and Starting Times, Dispute Resolution

Bet settlement may be revised when the bookmaker presents incorrect results.

1. Bets are settled based on the actual starting time of the event, which is determined roughly in accordance with the official documents of the bodies who organize said event. Failing such effective documents, information shall be taken from the official websites of sports federations, the websites of sports clubs, and other sources of sports information.
2. The bookmaker bears no responsibility for a discrepancy between the stated date and time and the actual date and time of an event. The date and starting time of the event as shown in the “Sports” section are indicative. Bets are settled subject to the actual starting time of an event as specified in the official documents of the organizer of such event.
3. The bookmaker bears no responsibility for inaccurate references to the name of a championship or duration of a match (sports event). Details shown in the “Sports” or “Live” sections are indicative. Customers should use other independent sources of information to find out details of the relevant sports event.
4. The weather information in the SPORT and LIVE sections is indicative. Inconsistencies of the weather conditions in the SPORT and LIVE sections cannot be the cause for cancellation of the placed bets.
5. Complaints about results should be submitted within 10 calendar days from the end of the event if there are official documents pertaining to the results of the event issued by the organizer of that event.
6. Bets placed after the starting time of the event shall be settled at odds of 1 (except for live bets); in an accumulator, the odds of such legs shall be taken as 1.
7. If the Customer places a bet on an event of which the result is known to them, such bet shall be canceled. In this event, the bookmaker shall make a decision only after a special private investigation. Any activities related to such a bet shall be temporarily suspended.
8. PRE-MATCH betting. If a match or competition is postponed (rescheduled) for more than 48 hours for whatever reason all bets on this event shall be declared void (this is an approximate time, the bookmaker shall be entitled to keep such bets standing at its absolute discretion for the avoidance of disputes which may arise if the match is postponed for more than 48 hours from the official scheduled starting time). The event shall be deemed postponed or rescheduled if the official scheduled starting time of the event is altered.
9. LIVE betting. If a match or competition is interrupted for whatever reason and continues within 5 hours from its start, all bets shall stand. Unless the interrupted match or competition continues within 5 hours from its start, all bets shall be settled at odds of 1, except when the result of the bet has already been determined. This rule does not apply to events which may end within a period exceeding 5 hours subject to their rules (see p. 9 “Sports Rules”).
10. If a match does not end and is abandoned (see p. 9 “Sports Rules”), the outcomes determined before such abandonment (for example, first half markets, first goal and its time market, etc.) shall be accounted for at the bet settlement. All remaining bets shall be settled at odds of 1.
11. If a participant withdraws before the start of an event, then all bets on such participant shall be declared void.
12. If a participant drops out during the contest for any reason (injury, withdrawal, etc.), all bets placed before the start of the last round of the contest in which he/she took part shall stand. All other bets shall be declared void. If a player withdraws from a tennis match, bets shall be settled under the rules of p. 9.22.
13. If a member of a team (football, hockey, basketball player, etc.) has not participated in the game, the winning odds in their respect shall be deemed equal to 1 unless otherwise stipulated.

14. If withdrawal or disqualification takes place before the start of a tennis match, the winning odds shall amount to 1, except for bets on the win of the participant in question (such bets will be deemed lost). If a tennis match is interrupted, does not end on the same day and is postponed, all bets shall stand until the end of the tournament within which the match was scheduled, until the match is played or any participant withdraws. If a player withdraws from a tennis match, bets shall be settled under the rules of p. 9.22.
15. When two particular named opponents (teams, sportspeople) are expected to participate in an event (match, competition or fight), but later one or both of these opponents change, all bets on the event shall be canceled.
16. In team competitions when one or several players are substituted in any team for whatever reason, all bets on the result of the match shall stand.
17. In doubles matches when the names of the pairs are specified and at least one participant is substituted, the winning odds shall be 1. When the names of the pairs are not specified, all bets shall stand.
18. In competitions where the terms “home” and “away” are used, should the event take place in a different venue, the following applies:
    - if a neutral venue, bets shall stand;
    - if the opposing team’s venue, bets shall stand.
19. When the terms “home” and “away” do not apply to an event (for example in dual or individual sports), should an event take place at a venue different to that originally specified, all bets shall stand. NBA, NHL, AHL, CHL, OHL, WHL and East Coast Hockey League teams may be shown in a direct order (home - away) and in a reversed order. If the latter is the case, no stakes are refunded.
20. In friendlies, including club friendlies, when the event takes place in a different venue, all bets shall stand.
21. If more than one participant or team is declared the winner, the winning odds of the bets on such participants or teams shall be divided by the number of winners. For example, if two participants are declared winners, the winning odds of the relevant selections shall be divided by two.
22. If there is no description of bet settlement for a particular sport or situation, the same shall be governed by the General Terms.
23. When a dispute of a particular type takes place for the first time, the bookmaker shall make the final decision.
24. In the event of discrepancies in data from different sources of information (date, time, result, team title), the bookmaker shall suspend payouts until the authenticity of such data is established through investigation. Should the result of a finished event published on an official website differ from that shown in a TV broadcast, the bookmaker reserves the right to settle bets based on static data from an independent source (whoscored.com) or the TV broadcast.
25. If there is an error in the odds output application and the bookmaker admits such error, all bets on such selections shall be deemed won and payouts shall be made at odds of 1.
26. If the initial result of a finished event is revised later for any reason and one party forfeits the game (abandonment shall be disregarded), all bets shall be paid subject to the initial (actual) result. The actual result is the result declared based on the official minutes and other official sources of information immediately after the end of the event.

9. Rules on sports

9.1. Australian Rules Football

1. The bookmaker accepts bets:
    - on regular time of 80 minutes (four quarters of 20 minutes each or two halves of 40 minutes each)
    - on regular time including overtime (labeled “Including Overtime”).
    The bookmaker bears no responsibility for any inaccurate declaration of the duration of a match. Details shown in the “Sports” and “Live” sections are indicative only. The Customer should check the rules against official sources.
2. Should a match be interrupted before the expiration of 80 minutes, all bets thereon will be settled at odds of 1, except for those markets which had already been unconditionally determined at the time the match was interrupted.
3. If a match venue is changed then bets already placed will stand providing the home team is still designated as such.
4. **To Score First Goal**. If the player has not participated in a match or is introduced as a substitute after the first goal has been scored, all bets on this player will be deemed void. Bets on players who had been substituted or sent off before the first goal was scored will lose. If the first goal is scored by a player on whom no price has been offered, all bets on other players will lose, except for the “Any Other Player” market. If a match has been interrupted before the first goal is scored, all bets will be canceled.
5. A goal (6 points) is when the ball is kicked between the narrower inner goal posts without touching another player, and the scoring team gets 6 points.
6. A behind (1 point) is when the ball is kicked between an inner goal post and an outer behind post, or the ball hits the goal post, or passes over the gate line or the behind line.
7. Bets on “HT-FT” markets are accepted on the half-time and the entire match.

9.2. American Football

1. The bookmaker accepts bets:
    - on regular time (60 minutes of play consisting of four quarters of 15 minutes each);
    - on regular time including overtime (labeled “Including Overtime”).
2. If a match starts but is not completed, all bets thereon will be settled at odds of 1, except for those markets which had already been determined at the time the match was interrupted.
3. At least 55 minutes of play must elapse for bets to stand. In this event, all bets will be settled based on the results at the time the match was stopped.
4. For bets on “Higher At The End Of The Tournament” markets, if the teams fail to qualify from the group, bets will be settled based on their respective places within the group. If teams take equal places, bets will be settled based on their score.
5. Highest (Lowest) Scoring Quarter - Total. Should there be two or more highest (lowest) scoring quarters with the same total, no stakes shall be refunded. In this event, bets will be settled based on the total.
6. Highest Scoring Quarter. If it is impossible to determine the highest scoring quarter unconditionally (i.e. if two or more quarters end with the same score), bets on such quarters will be settled at odds of 1. Bets on other quarters will be deemed lost.

7. Highest Scoring Half. Should both halves end with the same score, bets will be settled at odds of 1.
8. If a match including overtime ends in a draw, W1 and W2 bets will be settled at odds of 1 (stakes will be refunded), while bets on total and handicap markets will be settled based on the match result.

9.3. Badminton, Table Tennis, Beach Volleyball

1. If the start of a match is delayed or postponed for any reason, all bets will stand until the match or the tournament in which the match features has concluded or until the withdrawal of one of the participants.
2. Should a match be interrupted due to the withdrawal or disqualification of either team in the first game/set, all bets will be settled at odds of 1, except for those markets which had already been unconditionally determined at the time the match was interrupted. Bets on the match winner will be settled at odds of 1 in this case.
3. Should a match be interrupted due to the withdrawal or disqualification of either team, ***the first game/set must have been completed*** for bets on the winner of the match to stand, otherwise all bets on this outcome will be settled at odds of 1. In the event of the withdrawal or disqualification of a player, a forfeit will be declared.
4. If a match starts, but is not completed for any reason (for example, if one of the opponents refuses to continue or is disqualified) and ***more than two games/sets have been played***, the outcomes which had already been unconditionally determined at the time the match was interrupted (for example, the outcome of the first game/set, total of the first game/set, etc.) will count towards the bet settlement. Payouts on other bets will be made at odds of 1 except for bets on the winner of the match. The team which has advanced to the next round or the winner of the tournament will be regarded as the winner of the match.
5. No bet will be canceled because of a misprint in the initials of a sportsman/sportswoman (for example, B. Smith instead of A. Smith). In this event, bets will stand.
6. "Win The Match". If any of the players named in the outcome is substituted before the start of the match, all bets shall be deemed void.
7. Handicaps and totals for the aforementioned sports must be specified in points except for “Handicap By Sets” and “Total Sets” markets.
8. "Winner". The sportsman/sportswoman (the team) who takes first place in the tournament will be considered the winner. If the sportsman/sportswoman withdraws from the tournament before it begins, bets on that sportsman/sportswoman will be settled at odds of 1.
9. "To Qualify". The Customer should predict which player of the two listed will advance further in the tournament bracket. If both players are eliminated from the tournament, the one who has advanced further in the bracket will be deemed the winner. If both players are eliminated from the same round, bets will be settled at odds of 1. If the player withdraws from the tournament before it starts, bets will be settled at odds of 1.

9.4. Basketball

1. The bookmaker accepts bets:
    - on regular time (the time of play may be 48 minutes consisting of four quarters of 12 minutes each or 40 minutes consisting of four quarters of 10 minutes each; NCAA – two halves of 20 minutes each);
    - on regular time including overtime (labeled “Including Overtime”). Bets on Stats include OT unless stated otherwise. Other betting terms may be specified in the betting section.

2. If a match starts but is not completed, all bets on the match will be settled at odds of 1, except for those markets which had already been determined at the time the match was interrupted.
3. If the duration of a match is 40 minutes, at least 35 minutes must be played for bets to stand. If the duration of a match is 48 minutes, at least 40 minutes must be played for bets to stand. In these cases, all bets will be settled based on the results at the time the match was interrupted.
4. In basketball matches (for events labeled “Including Overtime”) bets on handicap and total markets in the fourth quarter and the second half are settled excluding overtime.
5. NBA teams may be shown in a direct order (home-away), as well as in a reversed order. If the latter is the case, no stakes are refunded.
6. "Higher At The End Of The Tournament". Should the teams fail to qualify from their group, bets will be settled based on the place they finish within the group. Should the teams take equal places within the group, then bets will be settled based on their score.
7. The Customer should check the rules of basketball friendlies (whether cup or club friendlies) through official sources. If a friendly ends in a draw (the rules of the match have been changed), bets on the winner will be settled at odds of 1. However, bets on total and handicap markets will be settled on the result.
8. If overtime is played in cup ties due to the aggregate result of a two-legged match, overtime will be taken into account to settle bets on the second match. Likewise, overtime played due to the aggregate result of a two-legged match is also included in “To Qualify”, “To Be Promoted/Relegated”, “Tournament Winner” and other similar bets.
9. Should a basketball match end in a draw, the “Will There Be Overtime? - Yes” bet wins and the “Will There Be Overtime? - No” bet loses.
10. "Half-Time/Full-Time" bets. In the Sports section, “W” represents a win and “X” represents a draw. The outcome of the first half is shown first, followed by the outcome of the game after regular time. For example, W1W2 means that Team 1 won (W1) the first half, while Team 2 were the winners (W2) at the end of regular time.
    "Half-Time/Full-Time" bets including overtime. The customer must predict which team will win the first half and which team will win the game with overtime included. Customers may not bet on a draw.
11. "Highest (Lowest) Scoring Quarter – Total". If two or more highest (lowest) scoring quarters have the same total, no stakes will be refunded. In this event bets will be settled based on the total (when the total of the fourth quarter is settled, no points scored in overtime will count).
12. "Highest Scoring Quarter". If the highest scoring quarter is impossible to determine unconditionally (i.e. when two or more quarters have ended with the same result), bets on such quarters will be settled at odds of 1. Bets on other quarters will lose (when the total of the fourth quarter is settled, no points scored in overtime will count).
13. "Highest Scoring Half". If both halves have ended with the same result, bets will be settled at odds of 1 (when the total of the second half is settled, no points scored in overtime will count).
14. "Team… To Win Both Halves – Yes". When the total of the second half is settled, no points scored in overtime will count. "Team… To Win Both Halves – No". The bet will win if the team specified has drawn or lost at least one half.
15. "Each Team Will Score Over 72.5 – Yes". The bet will win if the total scored by each team during the match amounts to 73 or more.
16. "Each Team Will Score Over 72.5 – No". The bet will win if at least one of the teams has not reached the quoted total.
17. "Total For Each Quarter Over 32.5 – Yes". The bet will win if the total number of points scored in each quarter is 33 or more.
18. "First Foul", "Total Fouls". When settling bets, only personal fouls committed by players on the court are taken into account. Technical fouls committed by a coach, team officials, or bench players are not counted.
19. "First Rebound". Predict which team will be the first to have a rebound.

20. Bets on “Turnovers” markets are only settled based on the individual statistics of players rather than on team statistics.
21. Bets on "Rebounds" markets are settled based on the individual statistics of players and the team statistics. For NBA, WNBA, French league (men) matches only personal rebounds are considered.
22. Bets on the “Race To … Points” markets in the “Sports” section may be available with:
    - two outcomes (W1, W2). For such bets, if neither team scores the specified number of points, bets on a winner will be void (for example, if the score is 19-19, “Race to 20 Points W1” bets will be void).
    - three outcomes (W1, W2, Neither), in which case, bets will be settled according to the results.
23. The “Score By Quarters 2-0” bet will win if Team 1 has won two quarters out of four and the remaining two quarters have ended in a draw. The “Score By Quarters 1-1” bet will win if one team has won one quarter, the other team has won another quarter, and the remaining two quarters have ended in a draw.
24. "Handicap By Quarters". For example, “2 Handicap By Quarters -2.5”. The final score is 81:102 (17:22, 26:25, 18:20, 20:35), the score by quarters is therefore 1:3 (0:1, 1:0, 0:1, 0:1 respectively). The bet loses as when the handicap to Team 2 is applied, the score by quarters is 1:0.5.
25. The “Total Drawn Quarters”, “Handicap By Quarters”, “Score By Quarters” and “Win By Quarters” markets are only settled on the result at the end of regular time.
26. The “1 Winning Margin In Points Interval From -1 to 9” bet wins if the difference in the number of points scored by Team 1 and Team 2 falls within the interval of -1 to 9 points. For example, the score is (85:90) so the winning margin of Team 1 is -5 and thus the bet loses.
27. Bets on the “2-Point Field Goal Percentage”, “3-Point Field Goal Percentage” and “Free Throw Percentage” markets are settled based on the statistics from the official website whereby the percentage values are rounded to the nearest whole number.
28. Bets on the “Total Play Time” market should be specified in minutes. If the total has been named exactly, bets will be settled at odds of 1. For example, in respect to the bet “Total Kyrie Irving Over 39.5”, if the player’s total play time amounts to 39 minutes 30 seconds, the bet will be settled at odds of 1.
29. Netball is a type of women’s basketball (with four quarters of 15 minutes each). Bets are made and settled on regular time and regular time including overtime (labeled “Including Overtime”).
30. **Basketball. Results. Team To Be Higher At The End Of The Tournament.** Bets on this market are settled based on statistics available on the official website.
31. "SuperTotal () Over/Under". The Customer should predict whether the teams will score more or fewer points than the quoted total. For example, "SuperTotal: (166-167 Refund) 167.5 Over". The bet will win if the teams score more than 167.5 points in total. If the teams score 166 or 167 points in total, stakes will be refunded.
32. "SuperHandicap 1/2 ()". The Customer should predict whether the team will win taking into account the quoted handicap. For example, "SuperHandicap 2: (-4; -3 Refund) -4.5". The bet will win if the score difference amounts to 5 points or more in favor of Team 2. If there is a draw after the handicap values (-4) or (-3) have been applied, stakes will be refunded.
33. Bets on average player statistics during the regular NBA season (points, rebounds, assists, block shots, etc.) are settled based on statistics available on the official website of the tournament.
34. Double-double (triple-double) in the match. For this bet it is necessary to predict whether or not the player will have a double-digit performance in two (double-double), three (triple-double) categories in the match. Statistical categories: points, rebounds, assists, block shots. If the sportsman had a triple-double, then the double-double bet on this player will be settled as a win.
35. Score in the interval. For this market it is suggested to guess whether the quarter score will be

in the selected interval. In the left part, the range for the first team score is pointed out, in the right part - the range for the second team score. Example. "Score in the interval 3rd quarter. 22-33: 8-19 - Yes." The bet wins if the 3rd quarter ends with the score of 24-15.

36. **Alternative matches.** In this type of event, the teams' results in the specified matches are compared (regular time only). If one team forfeits any of the matches, bets on the alternative matches will be settled at odds of 1.00 (refunded).
37. Basketball 3x3. Games consist of one period lasting 10 minutes. Teams play until the end of regulation time, or until one of them wins 21 points. If a game ends in a tie, overtime will be played until one team is leading by a margin of 2 points.
    Key differences in the game:
    - A standard goal is worth 1 point.
    - A field goal (from the 3-point line) scores 2 points.
    - Teams have 12 seconds to shoot during an offensive.
38. Basketball 4x4. Games consist of two periods lasting 10 minutes each. If a game ends in a tie, 5 minutes of overtime is played.
    Key differences in the game:
    - A standard goal is worth 2 points.
    - A field goal (from the 3-point line) scores 3 points.
    - A slam dunk scores 3 points.
    - Teams have 24 seconds to shoot during an offensive.

9.5. Baseball, Softball

1. Bets on baseball matches are accepted with extra innings included.
   The names of the starting pitchers will be taken into consideration at the time of bet acceptance should the names be specified in relation to the event. Both listed pitchers must start and each pitch at least once for bets to stand. Should any of the listed pitchers fail to start for any reason, all bets on this game will be deemed void. If the starting pitchers are not listed, bets will be accepted regardless of who those starting pitchers are.
2. Bets stand if the planned number of innings is reduced in accordance with tournament regulations or a match is cut short due to one of the teams having an unassailable lead.
3. Bets stand if the planned number of innings is reduced in accordance with tournament regulations or a match is cut short due to one of the teams having an unassailable lead.
4. The team which bats at the bottom of an inning shall be treated as the home team notwithstanding the venue of the game.
5. All bets are settled on the official match results including all extra innings (except bets made on the parts of the match).
6. All bets stand if at least five full innings or 4.5 innings have been played. If fewer than 4.5 innings have been played, the bookmaker will settle bets on the "Team To Win" and "To Qualify For The Next Stage" markets and other markets which had already been unconditionally determined at the time the match was stopped. Other bets on this match will be settled at odds of 1.
7. ***Pre-match Markets***. If a baseball match does not start at the specified time and the official website confirms that the match has been postponed, all bets on this match will be settled at odds of 1.
8. ***In-Play Markets***. If a match is stopped (interrupted) and proceeds within 72 hours, all bets will stand until the conclusion of the match. If the match is not concluded within 72 hours, all bets will be deemed void, except for those markets which had already been determined.
9. If the score is tied in baseball matches (in the NPB or in the preseasons of the MLB and KBO), W1 and W2 bets will be settled at odds of 1 (stakes will be refunded).

10. "Players, Match-Ups". The Customer must predict which player of two will perform better. Should the players tie, bets will be settled at odds of 1.
11. In MLB preseason games, when the teams are tied at the end of the 9th inning, an extra 10th inning is played. However, if neither team wins in the 10th inning, the game ends in a draw. In this event W1 and W2 bets are settled at odds of 1 (stakes are refunded).
12. Should at least one game be canceled, postponed, interrupted and abandoned on the day of the match (fewer than five full innings have been played), bets on the event “Home-Away” will be settled at odds of 1, except for those markets which had already been determined.
13. **Softball** is a team ball game and a variant of baseball played with a larger ball on a smaller field. Teams play seven innings in an official match. If the score is tied, extra innings are awarded.

9.6. Biathlon

1. "To Be Higher". Predict which of the two named biathletes (or teams in the relay) will finish higher in the final ranking. Should both contenders fall out of the race or should one contender fail to start, bets will be settled at odds of 1. Should any contender fail to cross the finish line, all bets on them will be deemed lost.
2. "Misses". Comparing the total number of missed targets by participants. Predict which of the named biathletes will miss the most targets. If the number of misses equates to the handicap value, the winning odds will amount to 1. If the contender falls out of a race without having shot in all shooting rounds, the winning odds will amount to 1.
3. "Misses in Relays". The number of misses in a relay is calculated by adding up the number of penalty loops and the used extra cartridges for all members of the team.
4. "Top Athlete Of Which Country To Be Higher". Predict which top biathlete from the two countries listed will finish higher in the final ranking of a race.
5. "Winner of The Race". The contender who heads the final ranking will be considered the winner of the race. If two or more contenders are declared winners, the "Simultaneous Finish" rule will be applied.
6. "Leader After 1st (2nd etc) Round". The winner of the round is determined on final ranking. If there are two or more winners in one round, the "Simultaneous Finish" rule will be applied.
7. “Biathlon. Winner. Men. Pursuit. 12.5 km. Hochfilzen. Top 1-10 (08.12.2013 | 16:30) – “Will Daniel Mesotitsch Win - Yes”. The bet will win if Daniel Mesotitsch ranks among the top 10 biathletes in the race.
8. "Extra Cartridges. Sweden (13.12.2013 | 17:25) Total Under 7.5". The bet will win if the Swedish biathletes use 7 or fewer extra cartridges.
9. "Sportsman’s Winning Margin Over Second Place 0-20 Sec. – Yes". The bet will win if the winner beats the runner-up by 20 or fewer seconds.
10. "Misses. More Standing Than Prone – Yes/No". If the number of missed targets in the prone position equates to that in the standing position (or if there are no misses), then the bet “Misses. More Standing Than Prone – No” will win and the bet “Misses. More Standing Than Prone – Yes” will lose.
11. "Shooting Time". Predict what the shooting time will be (in seconds).
12. "Time At Shooting Range". Predict how much time the biathlete will spend at the shooting range (in seconds). **Time at the range** includes entering and exiting the shooting area, as well as shooting itself.
13. "**IBU Cup markets**". **Overall standings** will be determined based on the results across the season.

9.7. Boxing, Martial Arts

1. The start of a bout is signified by the sounding of a bell before the first round.
2. If a bout is declared a no contest or if a bout is stopped for any reason before a winner has been determined, all bets will be deemed void. If the result of a bout has already been determined, bets will be settled based on the declared results.
3. Should the number of rounds be changed, bets on the outcome of the bout will stand, but bets on the number of rounds will be settled at odds of 1.
4. “Total Rounds”. The Customer should predict the number of rounds in the bout. Only completed rounds will be taken into account for bet settlement purposes.
5. Points Decision Handicap (Fight To Go The Distance). The handicap is calculated according to the final score of the fight, as recorded in official sources. In the event that a fight does not go the distance, bets on this market are settled at odds of 1.00.
6. If an athlete does not enter the ring after the sounding of the bell at the start of a round, the bout is deemed to have ended in the previous round.
7. "1 (2) Will Win". In the “Sports” section, bets on this market are labeled “1” and “2” respectively and include the following:
    - "Points Victory";
    - "Win By Knockout";
    - "Win By Technical Knockout";
    - "Win By Technical Decision";
    - "Win By Disqualification or Refusal".
8. "Draw". Bets on this market are labeled “X”. A bout ends in a draw when the judges rule that the athletes have scored equally at the end of the last round.
9. "Points Victory". This means that the winner will be declared by the decision of the judges at the end of the last round.
10. "Win Inside The Distance". This includes a win through knockout, technical knockout, disqualification of the opponent, or the opponent withdrawing during the bout.
11. “Win (2way)”. Should a match ends in a draw, W1 and W2 bets will be settled at odds of 1.
12. "W2 In Round 3 – Yes". This bet will win if the second athlete wins inside the distance by knockout or by a technical decision in the third round.
13. "Bout Will End In Round 10-12". This bet will win if an athlete wins inside the distance by knockout or by a technical decision within the period from the tenth to the twelfth round.Win By TD. The fight is stopped because of injury or for any other reason, and the result is subsequently decided by the judges' scorecards before the scheduled number of rounds is completed.
14. "Win By TD". It is fight stoppage because of injury or another reason with consequent scoring by judges' notes and assessment of the result for not complete number of rounds.
15. "Prospective Fights". This market implies a fight for a championship belt which is expected to take place prior to the end of the current year. Only one bout from the list of prospective fights that actually takes place will count for betting purposes. Bets on the bouts which have not taken place will be settled at odds of 1. Bets will be settled based on the date of the match according to the results from the official source.

9.8. UFC

1. The start of a bout is signified by the sounding of a bell before the first round.
2. If a bout is declared a no contest or if a bout is stopped for any reason before a winner has been determined, all bets will be deemed void. If the result of a bout has already been determined,

bets will be settled based on the declared results.

3. Should the number of rounds be changed, bets on the outcome of the bout will stand, but bets on the number of rounds will be settled at odds of 1.
4. “Total Rounds”. Customers need to predict the number of rounds in a bout. For bet settlement purposes, only rounds in which more than half the allocated time has elapsed count.
   2 minutes 30 seconds is deemed to be half of a 5-minute round. Therefore, a total of 2.5 rounds refers to 2 minutes 30 seconds of the 3rd round. If a bout ends exactly 2 minutes 30 seconds into a round, “Over/Under” bets on the total number of rounds will be void. If the first round ends in the first two minutes, “Total Rounds Under 0.5” bets win.
5. If an athlete does not enter the ring after the sounding of the bell at the start of a round, the bout is deemed to have ended in the previous round.
6. "1 (2) Will Win". In the “Sports” section, bets on this market are labeled “1” and “2” respectively and include the following:
   - "Points Victory";
   - "Win By Knockout";
   - "Win By Technical Knockout";
   - "Win By Technical Decision";
   - "Win By Disqualification or Refusal".
7. "Draw". Bets on this market are labeled “X”. A bout ends in a draw when the judges rule that the athletes have scored equally at the end of the last round.
8. "Points Victory". This means that the winner will be declared by the decision of the judges at the end of the last round.
9. "Win Inside The Distance". This includes a win through knockout, technical knockout, painful locks/chokehold/submission, disqualification of the opponent, or the opponent withdrawing during the bout.
10. “Win (2way)”. Should a match ends in a draw, W1 and W2 bets will be settled at odds of 1.
11. "W2 In Round 3 – Yes". This bet will win if the second athlete wins inside the distance by knockout or by a technical decision in the third round.
12. "Prospective Fights". Only one bout from the list of prospective fights that actually takes place will count for betting purposes. Bets on the bouts which have not taken place will be settled at odds of 1. Bets will be settled based on the date of the match according to the results from the official source.

9.9. Bicycle Racing

1. The start of the first qualifying round will be regarded as the start of the tournament.
2. "Match-Up" markets (sportsmen or teams). Both opponents must cross the official starting line for bets to stand.
   - Should any contender drop out of a competition for any reason, their opponent will be declared the winner.
   - Should one or both riders fail to cross the official starting line, bets will be settled at odds of 1.
   - Should both riders retire from a race, the rider who has completed the most laps will be deemed the winner.
   - Should both riders drop out on the same lap, the winning odds will amount to 1.
3. "To Be Higher". The Customer should predict which of the two riders (or teams) will finish higher in the final ranking.
4. If several riders have an equal time in the final ranking, the one who takes the higher position will be declared the winner.

9.10. Water Polo

1. All bets are settled on the final result at the end of regular time (32 minutes consisting of four quarters of 8 minutes each).
   The bookmaker bears no responsibility for any inaccurate declaration of the duration of a game. Details shown in the "Sports" and "Live" sections are indicative only. The Customer should check the water polo rules against official sources.
2. Extra periods and penalty shootouts will only count for the "Qualify", "Win" and similar markets.
3. If a match starts but is not completed, all bets thereon will be settled at odds of 1, except for those markets which had already been unconditionally determined at the time the match was interrupted.
4. At least 30 minutes of play must elapse for bets to stand. In this event, all bets will be settled based on the results declared at the time the match was interrupted.

9.11. Volleyball

1. If a match starts but is not completed, all bets on this match will be settled at odds of 1, except for those markets which had already been unconditionally determined at the time the match was interrupted.
2. If a set is not played to the end, those outcomes which had already been unconditionally determined at the time of interruption will count for betting purposes. All other bets will be settled at odds of 1. If a set is played to the end, but the match is not concluded, bets on this set will stand.
3. Bets on European Volleyball Championship and CEV Challenge Cup will be settled including golden set should there be such an option (the golden set (up to 15 points) is awarded if the teams have equal scores at any stage of the European championships).
4. Volleyball handicap and total markets are specified in points, except for Sets Handicap and Total Sets.
5. "Score by Sets". In the "Sports" section the relevant columns are titled 3:0, 3:1, etc.
6. "Higher At The End Of The Tournament". If the teams do not qualify for the next stage, bets will be settled based on their places within the group. If the teams finish in the same place within the group, bets will be settled based on their scores.
7. "How Long The Match Will Last". The Customer should predict whether the match will last more or less time than the quoted length in minutes. The total duration is calculated by adding up the lengths of all sets within the match according to the official match record.
8. "Race To 3 (5 etc.) Points". The Customer should predict which team will be the first to score the specified number of points in a set. Should any participant refuse to continue for any reason before they or their opponent scores the quoted number of points, bets will be settled at odds of 1.
9. "Leader After Total Points Scored". The Customer should predict the situation between the teams after the specified number of points has been scored.
   Example. Bet "*Team 1 To Win After 10 Points*".
   Let's consider several options:
   The score of the match is (6:4), 10 points have been scored, Team 1 leads, the bet wins.
   The score of the match is (3:7), 10 points have been scored, Team 2 leads, the bet loses.
   The score of the match is (5:5), 10 points have been scored, there is a tie, the bet loses.
10. "Extra Points". The Customer should predict whether there will be extra points in the set. The bet "Extra Points In Set - Yes" will win if either team wins the set after the score is 24:24.

11. "Tie-Break – Yes/No". The Customer should predict whether there will be a fifth set. The bet “Tie-Break - Yes” will win if there is a fifth set.
12. "Highest Scoring Period Total (excluding the fifth set)". For example, the bet “Highest Scoring Period Total Under 47.5” will lose if the score is (25:23, 26:24, 23:25, 23:25, 18:16).
13. "Lowest Scoring Period Total (including the fifth set)". For example, the bet “Lowest Scoring Period Total Under 40.5” will win if the score is (25:23, 26:24, 23:25, 23:25, 18:16).

9.12. Handball

1. Bets are settled on the result at the end of regular time (60 minutes of play consisting of two periods of 30 minutes each).
2. Overtimes and penalty shootouts will only count for the following markets: “To Qualify For The Next Round”, “To Qualify For Another League”, “Win” and similar.
3. In-Play Betting. If a match is not concluded, all bets thereon will be settled at odds of 1, except for those markets which had already been unconditionally determined at the time the match was interrupted.
4. Bets on the “Top Goalscorer” market are settled including overtimes, but excluding penalty shootouts.
5. Under the rules of the China Championship, the match ends if the score difference amounts to 15 points and at least 30 minutes of play have elapsed (the Mercy rule applies).
6. In bets on yellow cards, the Customer should predict the number of yellow cards given to the players.
7. In bets on seven-meter penalty shots, the Customer should predict the number of scored penalty shots (goals).
8. "**Alternative matches**". This includes bets on the match-ups of teams whose matches are being broadcast live. If a match is forfeited, bets on alternative matches will be settled at odds of 1 (stakes will be refunded).
9. "Handball. Statistics". Bets are settled including overtimes, but excluding penalty shootouts.

9.13. Golf

1. Major golf tournaments may last for three or four days and the total number of holes is usually 72.
2. The player must tee off in order to be considered an active participant. If the golfer refuses to continue, all bets on them will be deemed lost.
3. "**To Win The Tournament**". The golfer who takes first place in the tournament will be considered the winner. The winner is determined after a play-off, should such a stage be stipulated by the rules of the tournament.
4. If two (or more) leading contenders are tied at the end of regular time – 72 holes, sudden death rules are usually applied in the play-off. In this event, the winner of the play-off will be declared the winner of the tournament and the winner for betting purposes. Other golfers will be treated as runners-up.
5. "**Match-Ups**". The player with the highest placing at the end of the tournament, including any play-off, will be the winner. If one player has missed the cut, the other player is considered the winner. If both players miss the cut, bets are settled based on the lowest score after the cut has been made. If a player is disqualified before the conclusion of two rounds, or after both golfers have made the cut, the remaining player is deemed the winner. If a player is disqualified in the third or fourth round after their opponent has missed the cut, such disqualified player will be deemed the winner. If no odds on a tie have been offered, bets on players who share the same

place will be settled at odds of 1.

6. "**Handicap Win**". A player starts with a handicap, which must be applied to their final score. Bets on players who have missed the cut, withdrawn or have been disqualified are deemed to have lost. If both players miss the cut, the handicap applies to their scores at the time the cut was made. Bets on the game will be canceled should both contenders withdraw or be disqualified, or should any player fail to tee off. If not all rounds are played, bets on the handicap market will be settled at odds of 1 unless the outcome of the match has already been determined.
7. "**Group Betting**"/"Top UK players", etc. The player with the highest placing at the end of the tournament shall be deemed the winner. Any player who has missed the cut will be deemed to have lost. If all players miss the cut, the lowest score after the cut has been made will determine settlement. Players are grouped together for betting purposes only. If the player does not tee off, bets on this player will be canceled; Rule 4 is applied to bets on the other players. Dead heat rules apply at the bet settlement except when the winner is determined by a play-off.
8. "**Handicap Group Betting**". Players within a group will be allocated handicaps. The winner of the group will be determined based on the final score once handicaps have been applied. Golfers who have missed the cut will be deemed to have lost. However, if an insufficient number of players make the cut for the place markets, the remaining places will be allocated among those players who have missed the cut based on their final scores once handicaps have been applied.
9. In certain tournaments officials may suggest that contenders should play extra holes. In such events, the player with the lowest score after they have played the specified number of holes will be declared the winner and other contenders will be treated as runners-up.
10. "**18 Hole Betting**". The player with the lowest score over 18 holes is deemed the winner. In the event of a 2 or 3 ball being rearranged or displayed differently by us, accepted bets will stand on the groupings displayed when the bet was placed. Should any player fail to tee off, then bets on that 2 or 3 ball will be void. In 2 ball betting, if both golfers achieve equal scores and no price for a tie has been offered, all bets will be settled at odds of 1. In 3 ball betting, if all players have equal scores, bets will be settled at odds of 1. In 3 ball betting, if two players achieve equal scores, dead heat rules will apply. When special bets are offered grouping more than three players over one round, dead heat rules will apply. Bets on non-starters will be canceled.
11. "**To Make/Miss the Cut**". If a golfer withdraws or is disqualified before the cut is made, bets on them will lose. If a player withdraws or is disqualified after the cut is made, bets on them will win. If the player does not participate in the tournament, bets will be settled at odds of 1.
12. "To Be Higher". The Customer should predict which player of the two listed will perform better. The player who has completed 18 holes with the lowest score will be deemed the winner. In 2 ball betting, if both players have equal scores and no price for a tie has been offered, all bets will be settled at odds of 1. In 3 ball betting, if all players have equal scores, bets will be settled at odds of 1.
13. If a player withdraws after teeing off without having played all 18 holes, they will lose regardless of the score. A game starts with the first shot towards a hole. If a player withdraws before teeing off, bets on all other players within this group will be settled at odds of 1.
14. If a tournament has been affected by adverse weather conditions, bets will be settled on the current results, however at least 36 holes must be played. This does not apply when the tournament takes place across several courses.
15. Bets on the Ryder Cup and the Presidents Cup. Points will be scored as follows: win – 1 point; draw – 0.5 points.

9.14. Darts

1. "Match Betting". If a match starts but is not completed, the player progressing to the next round will be deemed the winner. However, bets on a specific set, leg and handicap as well as special bets will be void unless the specific outcome of a particular bet has already been determined.
2. Handicaps and totals in a darts match are specified in sets, unless otherwise stated in the “Sports” section. 180 is the highest possible score from three darts thrown per visit to the board.
3. "Last Checkout Total 40 Or Less/(41 Or More)". A checkout is the number of points a player needs to score in order to finish the game. This term applies to a game of darts when players start with a fixed score (301 or 501) and the goal is to play down to zero. In theory, when the player’s score is 170, they can end the game should they score 170 points on their turn.
4. "To Be Higher At The End Of The Tournament". The winner is determined subject to the following successive criteria: elimination stage, number of sets won, number of legs won, number of 180s, highest checkout.

9.15. Curling

1. Bets on curling matches are accepted including extra ends unless otherwise stated. A game consists of 10 ends. If the teams are tied after 10 ends, an extra end is played. The winner of the extra end is declared the winner of the match.
2. When no stone reaches the house or when two stones of the opposing teams being the closest to the center of the house rest at the same distance from the center of the house, the score of the end will be 0:0.
3. If a match starts but is not completed, all bets on the match will be settled at odds of 1 except for those markets which had already been determined at the time the match was interrupted.
4. All bets stand providing there have been at least five full ends played. In this event all bets will be settled on the result at the time the match was stopped.
5. The team loses regardless of the score should they fail to take all their shots in time (teams alternate to deliver eight stones during one end).
6. All bets are settled on the official results, including extra ends (except bets made on the parts of the match).

9.16. Cricket

1. Bets are settled based on the official result declared by the governing body of the match or tournament in question.
2. If a match is interrupted and is not completed, bets thereon will be settled at odds of 1.
3. There are several types of cricket tournament:
    - A Twenty20 International is a form of cricket where the game lasts three and a half hours on average;
    - A One Day International (ODI) is a form of cricket where the game lasts over eight hours;
    - A Test Match is a form of cricket that can last up to five days with a minimum 90 overs per day where each side gets the opportunity to bat twice.
4. If the official result of the match is a draw and no prices have been offered for this outcome, any tiebreaker will count, for example, bowl-out, super over, etc. (Bowl-outs and super overs do not count for the settlement of other bets).
5. In matches with a limited number of overs, bets on the statistics for a team or the whole match will be canceled if less than 80% of a team’s overs or the total overs are played due to external factors, including adverse weather conditions, except in cases where the result had been

determined by the time the innings ended.

6. “Team’s Top Batsman”.
   A team’s top batsman is determined by the player who scores the most runs. Runs scored in a super over do not count. If two or more players score the same number of runs, the “Dead Heat” rule is applied.
   If a batsman withdraws due to injury, but then returns to the pitch, the total number of runs scored by that batsman in the inning is taken into account. If the batsman does not return to the pitch, their total is the number of runs they scored before withdrawing from play.
   If a certain batsman does not appear in the team’s starting XI, bets on them will be voided. Bets on batsmen who do not bat or do not enter play will be deemed to have lost.
   In matches with a limited number of overs, bets will be voided if less than 50% of a team’s overs are played due to external factors, including adverse weather conditions, except in cases where the result had been determined by the time the inning ended.
   Bets on top batsmen in test matches are accepted before each team’s first inning and will be voided if fewer than 50 overs are played, except in cases where the result of these bets has already been determined.
7. Team’s Best Bowler A team’s best bowler is the player with the most individual wickets in an individual innings. Bets on players who do not bowl or do not enter play will be deemed to have lost. In the event that two or more players finish a match with the same number of wickets, the player with the fewest runs scored against them will be deemed the best bowler. If two or more players are equal on both wickets and runs, the Dead Heat rule applies. If no bowlers take a wicket, all bets will be settled at odds of 1.00. Bets placed on any player who does not appear in the starting 11 or who appears as a substitute will be voided. Wickets taken in a super over do not count. If a player appears in the starting 11 and is subsequently substituted off, both this player and the player who replaces them will count. Best Bowler bets in Test matches only apply to the first innings of each team and will be voided if fewer than 60 overs are played, except in cases where the bets had already been settled. Bets on matches with a limited number of overs will be canceled if less than 80% of the team’s scheduled overs are played due to external factors, including inclement weather, except in cases where the result had already been established before the innings was interrupted.
8. Bets on a player who is not listed in the starting 11 will be deemed void. Bets on players who have been selected for the starting line-up, but do not bat, will be settled at odds of 1.
9. "Runs At Fall Of Wicket". Bets win if the following criteria are predicted correctly: wicket taken and total runs. If the wicket is not taken and the total is higher than the designated minimum total, the bet is settled as a loss. If the wicket is not taken and the total runs exceeds the designated maximum total, the bet is settled at odds of 1.00.
10. Race to 10 runs. Bets stand, unless the listed players do not bat first – in which case, all bets will be void. Bets stand regardless of which of the listed players bats the first ball. If neither player scores 10 runs, bets on a "Neither" outcome win. In matches affected by the weather, if neither batsman scores 10 runs and neither of them is dismissed, bets will be void. If neither batsman scores 10 runs and both are dismissed, bets on a "Neither" outcome win.
11. “() Individual Total Runs First () Overs Over/Under ()”.
    If the selected number of overs is not played due to external factors or adverse weather conditions, bets will be voided, except in cases where the result had already been determined.
    If the selected number of overs is not played in an inning (e.g. because a whole team is bowled out or reaches the required number of runs before the selected number of overs have been played), bets remain valid.
    Extra runs are included when settling bets, regardless of the reason for which they were awarded.
    In a test match, the full number of overs specified must be played in full for bets to stand, with the exception of cases where a whole team is bowled out or reaches the required number of

runs in fewer overs than specified.

12. Team’s Individual Total Runs. Bets on this market are settled based on the final score of the team in bat. In the event of a draw, or if any additional overs are played (super over or golden ball), bets on the outcome of the match in question are settled based on the number of runs scored during regular time. Bets on matches with a limited number of overs are canceled if less than 80% of the team’s scheduled overs are played due to external factors, including inclement weather, except in cases where the result had already been established before the inning was interrupted. Bets on test matches are canceled in the event of a draw, provided that fewer than 60 overs were played, except in cases where the results had already been established.
13. Highest Individual Score (Player's Runs); Player's Total Runs; Player’s Number Of Runs. In test matches, such bets are settled according to the highest number of runs scored in an innings. Runs from two innings are not added together unless otherwise stated.
14. Over, delivery, total runs team 1/2. For bet settlement purposes, deliveries which are re-bowled – and any additional runs awarded for them – count. For example, if the over starts with: Wide - No Ball - Four, then "Four" is considered to be the third delivery in the over.
15. Certain markets may only be settled after all the statistics have been published by the official source, which may take 10-12 hours.
16. Best Batsman In The Match:
    The best batsman in a match is the player who scores the most runs. Runs scored in super overs are not counted. If two or more players score the same number of runs, Dead Heat rules apply.
    If a batsman withdraws due to injury, but then returns to the field, the total number of runs scored by this batsman in the innings is taken into account. If the batsman does not return to the field, their total runs will be the number of runs they scored before withdrawing from play. If a batsman does not appear in the starting 11, bets on them will be voided. Bets on batsmen who appear in the team but do not bat will be settled as a loss.
    In matches with a limited number of overs, bets will be voided if less than 50% of the specified number of overs is played by either team due to external factors, such as inclement weather, except in cases where the bets had already been settled.
    Best Batsman bets on Test matches only apply to the first innings of each team and will be voided if either team plays fewer than 50 overs, except in cases where the bets had already been settled.
17. Best Batsman’s Team
    The team with the best batsman is determined based on the number of runs scored by various players. Runs scored in super overs are not counted. If two batsmen from different teams score the same number of runs and no “Draw” outcome is offered, Dead Heat rules apply.
    If a batsman withdraws due to injury, but then returns to the field, the total number of runs scored by this batsman in the innings is taken into account. If the batsman does not return to the field, their total runs will be the number of runs they scored before withdrawing from play. If a batsman does not appear in the starting 11, bets on them will be voided. Bets on batsmen who appear in the team but do not bat will be settled as a loss.
    In matches with a limited number of overs, all bets will be voided if the match is interrupted due to external factors, except in cases where the bets had already been settled by the end of the innings, or where all of the batsmen are out.
    Bets on the Best Batsman’s Team in Test matches only apply to the first innings of each team, unless otherwise specified. If either team plays fewer than the specified number of overs in their innings (unless they declare or the innings comes to its natural conclusion), all bets will be voided, except those that had already been settled. Bets stand, however, if they had already been settled by the time of the interruption.
18. These markets use a points based scoring system to determine their outcome. The point schedule is as follows: 1 point per run, 20 points per wicket, 10 points per catch, 25 points per

stumping.
    - Stakes refunded on non-selected players.
    - In One Day matches both teams must face at least 40 overs each, otherwise bets void, unless settlement of bets is already determined.
    - In Test and First Class matches, the whole match counts. In drawn games a minimum of 200 overs must be bowled, otherwise bets void, unless settlement of bets is already determined. In Twenty20 matches the match must be scheduled for the full 20 overs and there must be an official result unless settlement of bets is already determined.

GOLD LEAGUE is a regional league played according to the rules of indoor cricket. Teams must play all scheduled overs, or until 5 wickets fall.

1. Scoring rules:
    - if the bail is knocked off the wicket as the result of a bowler's direct hit, the batsman will be dismissed
    - if the batsman does not hit the ball after it is bowled and the wicket-keeper catches (does not catch) the ball, the batsman gets 0 points
    - if the batsman hits the ball and the fielders or the wicket-keeper catch it without it touching the floor, the batsman will be dismissed
    - if the batsman hits the ball and the ball touches the floor, in the event that the batsman or non-striker have not reached their respective crease (territory), the batsman will be dismissed if the fielding team knocks the bails off the wicket with the ball
    - when the batsman hits the ball into certain zones, they are awarded points as follows:
        - A – 0 points
        - B,C (up to the middle of the field) – 1 point
        - B,C (past the middle of the field up to zone D) – 2 points
        - D (without touching the floor) – 6 points, or if the ball touches the floor – 4 points.
2. If the ball first lands in zone B,C past the middle of the field (2 points), and then goes on to land in zone D (a further 1 point), the team gets 3 points in total. If the ball lands in zone B,C up to the middle of the field (1 point), and then goes on to land in zone B,C past the middle of the field, 2 points are awarded in total.
3. For a dead ball (when the ball is thrown up to and including the center line), 0 points are awarded and the ball is bowled again. If the next ball is also a dead ball, the batsman is awarded 5 points.
4. For physical interference against the batsman, the batsman is awarded 5 points.
5. For a good ball (when the ball is thrown through the batting area without touching the batsman), 0 points are awarded.
6. For a wide ball (when the ball is bowled outside the batting area or crosses the batting crease), the batsman is awarded 2 points.
7. For a leg bye (when the ball hits the batsman's body), 0 points are awarded and the game continues. If the batsman and non-striker have changed places, 1 point is awarded.
8. For a no ball (when the bowler steps behind the bowling crease; the ball is thrown above the wicket directly, without touching the ground; the ball is thrown and rebounds from the floor to above shoulder-level; the ball is thrown off the pitch), the batsman is awarded 2 points.
9. Team () to Save Follow On. You need to determine if follow-on could be enforced for the team batting second, regardless of whether it is enforced or not. Both teams must complete their first innings (including declarations) for bets to be considered valid, otherwise bets will be settled at odds of 1.

Cyber Indian League 22, Cricket22 Cyber League

1. Each match consists of a single innings, with a maximum of 20 overs for each team. Each over

consists of six deliveries.
2. A coin is tossed at the start of the match. The team that wins the toss decides if they want to bowl or bat first.
3. The team that bats first scores runs until they have played the full 20 overs, or until the bowling team has taken 10 wickets. When the other team comes to bat, they play until they have scored more runs than the opposing team did in the first half of the inning, until they have played the full 20 overs of six deliveries each, or until the bowling team takes 10 wickets.
4. The team that scores the highest number of runs wins. If both teams score the same number of runs, a super over is played. In this case, the team that scores the most runs in the super over wins.
5. Bet settlement
    - “Match Winner” bets are settled taking into account the result of the super over.
    - “Over, Individual Total Runs” bets are settled based on the number of runs scored by the teams, including extras. In the event that the over in question is not played, bets on it will be refunded.
    - “Will A Wicket Fall In Over” and “Extra In Over” bets are settled based on the result of the over in question. If the over in question is not played, bets on it will be refunded.
    - “Total”, “Individual Total”, and “Individual Total Runs” bets are settled based on the number of runs scored by the teams, including extras, but not including super overs.
    - “Who Will Lose More Wickets”, “Total Wickets”, and “Team Total Wickets Lost” bets are settled based on the number of wickets taken, not including super overs.
    - “Super Over” and “Winner In Super Over” bets are settled as a loss in the event that no super over is played.
    - Will An Extra Run Be Awarded In Over - an extra run is awarded to the batting team in the event of an illegal delivery (e.g., a no-ball or wide) from the bowling team.
      After an extra (i.e. via a no ball or a wide) has been awarded, the bowling team has to deliver another throw before the end of the over. An extra is not awarded for an lb.

9.17. Beach Handball

1. All bets will be settled based on the result at the end of regular time (20 minutes of play consisting of two periods of 10 minutes each).
2. Penalty shootouts will only count for bets on the “Win In The Match”, “To Qualify For The Next Round”, “Win In The Tournament” and similar markets.
3. If a match is interrupted and postponed, all bets will stand until either the match has been played, any of the participants withdraw or the tournament within which the match features is completed.
4. A match will be declared completed for betting purposes if at least 18 minutes of play have elapsed. In this event, all bets will be settled on the result at the time when the match was stopped.
5. If at the end of a period the score is even, the Golden Goal is used to determine the winner, i. e. the team which scores the first goal will be declared the winner. Should both periods be won by the same team, this team will be declared the winner with the score 2:0.
6. If both teams win a period, there will be a draw. A game is then decided by a “shoot-out”, where a field player goes up against the opposition goalkeeper.

9.18. Beach Football

1. All bets will be settled on the result at the end of regular time (36 minutes of play consisting of

three periods of 12 minutes each).
The bookmaker bears no responsibility for any inaccurate declaration of the duration of a match. Details shown in the “Live” or “Sports” sections are indicative only. The Customer should check the rules against official sources.
2. An extra period and penalty shootouts will only count for bets on the “Win”, “To Qualify For The Next Round”, “Win In The Tournament” and similar markets.
3. If a match starts but is not completed, all bets thereon will be settled at odds of 1, except for those markets which had already been determined at the time the match was stopped.
4. A match must be played for at least 30 minutes for bets to stand. In this event, all bets will be settled on the result at the time the match was stopped.

9.19. Rugby

1. All bets are settled based on the match result at the end of regular time. For bets to stand, at least 90% of the match must have been played, unless the bets had already been settled by the time the match was interrupted.
The bookmaker bears no responsibility for any inaccurate declaration of the duration of a match. Details shown in the “Live” or “Sports” sections are indicative only. The Customer should check the rules against official sources.
2. Overtimes and penalty shootouts will only count for bets on the “To Qualify For The Next Round” and “Win In The Tournament” markets.

9.20. Horse Racing

1. If a race is postponed to another day and it is stated in the official sources, all bets will stand. However, single bets will be deemed void and the respective leg will be excluded from an accumulator bet, if:
    - a race is terminated;
    - a race is officially declared void;
    - the conditions of a race are changed after bets have been made (subject to the rules);
    - the track is changed;
2. "Participant Will Be In Top 3". Bets on this market will win if the horse finishes among the first three place-getters.
3. "Win (Refund If Placed)". For example, the bet “Win (Refund If Placed 2)” will win if the horse finishes first, but if the horse finishes second, the stake will be refunded (the bet will be settled at odds of 1).
4. "Win Without Leader". The bet “No. 1 Brice Canyon To Win Without No. 3 Clonusker” will win if No. 3 Clonusker finishes first in the race and No. 1 Brice Canyon finishes second.
5. Ante-Post Betting. The updated list of runners is declared one or two days prior to the race depending on its class. Once day-of-race markets become available, ante-post markets are closed. Horses which have been withdrawn from the race and non-runners will be treated as losers in ante-post markets. If a race is postponed until the next day due to adverse weather conditions, ante-post bets will stand until the start of the race. If the race has been canceled, stakes on ante-post markets will be refunded. First, bets on the racing day will be settled and then ante-post bets on this competition will be settled.
6. SP (Starting Price) is the final starting odds on a horse. The starting price is calculated based on the average odds offered by racecourse bookmakers at the time of the off. If a horse is withdrawn before the start of a race, or is declared a non-runner (according to official records), and a new SP market has not been formed, bets on the withdrawn horse will be settled at odds

of "1".

9.21. Squash

1. If a match starts, but is not completed for any reason (for example if a player retires or is disqualified), the outcomes which had already been unconditionally determined at the time the match was interrupted (for example, the outcome of the first game, first game total, etc.) will count for settlement purposes. All other bets will be settled at odds of 1.
2. By the decision of the body which organizes the event, the number of games in a match may vary from three to five and the match continues until three games are won.
3. Each game continues up to 11 points. The player who is the first to score 11 points will be declared the winner unless the score is 10:10. In this event the game will continue until the score difference amounts to two points. The player who beats their opponent by a two point margin will be deemed the winner.

9.22. Snooker

1. Match Betting. If a match is interrupted, a player who has qualified for the next round shall be considered the winner as long as at least one frame has been completed.
2. Frame Betting, Handicap Betting, Specials. All frames required to determine the winner of a match must be completed for bets to be settled. Should the winner be determined before the completion of the match on any grounds, all bets on frames and handicaps and also special bets will be settled at odds of 1, except for those bets which have already been unconditionally determined.
3. Should any player forfeit in any frame, handicap and total bets in this frame will be settled at odds of 1.
4. "To Qualify". The Customer should predict which player of the two listed will advance further in the tournament bracket. Should both players retire from the tournament, the one who has advanced furthest in the tournament bracket will be deemed the winner. Should both players retire in the same round, bets will be settled at odds of 1. Should a player withdraw from the tournament before it starts, the winning odds will amount to 1.
5. "Total Centuries". The Customer should predict whether a player will score 100 or more points in one single visit to the table.
6. "First Potted Ball – Blue". The bet will win if the blue ball is the first colored ball legally potted (the colors are yellow, green, brown, blue, pink, black).
7. **"Shoot-Out". "Higher At The End Of The Tournament".** Bets are settled based on the following successive criteria: elimination stage; number of frames won; total score.

9.23. Tennis

1. If a player withdraws (or has been disqualified) before the match starts, stakes will be refunded.
2. Should the start of a match be delayed or should a match be postponed for any reason, all bets will stand until the conclusion of the match or the conclusion of the tournament in which it is a part.
3. Bets will stand in the following cases:
    - a change in playing surface;
    - a change of venue;
    - a change from an indoor venue to an outdoor venue.

4. Should a match be interrupted due to the withdrawal or disqualification of a player in the first set, all bets will be settled at odds of 1, except for bets on games which have already been completed and bets on outcomes which had already been unconditionally determined at the time the match was interrupted.
5. Should a tennis match be interrupted due to the withdrawal or disqualification of a player, bets on the winner of the match will stand provided that the first set has been completed. Otherwise all such bets will be settled at odds of 1. Bets on other outcomes will be canceled (settled at odds of 1) except on outcomes which had already been unconditionally determined at the time the match was interrupted.
   In the event of a player being withdrawn or disqualified, or if the match is ended early by the player for any reason, the match is considered to end at the time of the last scored point. Any bets made after this time are refundable. Bets on player statistics (aces, double aces, double faults, breaks, etc.) are settled according to the results at the time the match was stopped.
   In the event of withdrawal or disqualification, the player in question forfeits.
   Example 1. The match Rodriguez vs. Herbert is interrupted with the score at 1:0 (6:2, 0:3) due to the withdrawal of Rodriguez. The following bets will be settled at odds of 1: Handicap 1 (-2.5) Games, Handicap 2 (+2.5) Games, Total Games (21.5), Sets Score 2:0, 2:1 and 1:2. All bets on the first set will be settled. The bet “W2” on the match will win. The bets “W1” on the match and “Sets Score 0:2” will lose.
   Example 2. The match Benneteau vs. Klein is interrupted with the score at 1:1 (6:4, 0:6, 0:1) due to the withdrawal of Benneteau. The bet “Total Games Over 21.5” will win, while the bet “Total Games Under 21.5” will lose as the minimum number of games possible to determine a winner is now 22: 1:2 (6:4, 0:6, 0:6). All bets on the first and second sets will be settled. The bet “W2” on the match will win, while the bets “W1” on the match and “Sets Score 0:2 and 2:0” will lose. The following bets will be settled at odds of 1: Games Handicap, Sets Score 2:1, 1:2.
6. In the event of a change in format (a change in the number of sets), bets on the following outcomes will stand and be settled on the result of the match:
   - the winner of the match;
   - victory in the first set;
   - games handicap in the first set;
   - first set total;
   - first to serve in the match;
   - to win the first game of the match.

   Bets on other outcomes will be settled at odds of 1.
7. Handicaps and totals in a tennis match are specified in games.
8. If a game (i.e. from a set) is not completed for any reason (for example, when the match is interrupted and not completed, a player refuses to continue or is disqualified, etc.), bets on this game (i.e. from a set) will be settled at odds of 1.
9. In the deciding set of a tennis match, handicaps and totals are settled based on the score, while for bets on match handicaps and totals the deciding set is considered as one game.
   For example, Grönefeld/Peschke – Niculescu/Zakopalová. Total Under 21.5. The score is (6:3, 3:6, 4:10 points). The third set will be considered as one game. The total will be 6+3+3+6+1=19. The bet wins.
10. ***In respect to tennis matches labeled “champ. tie-break” or “super tie-break”***, handicaps and totals in the match will be settled including the score in any super tie-break.
    For example, Grönefeld/Peschke vs. Niculescu/Zakopalová (champ. tie-break). Total Under 21.5. The score of the match is (6:3; 3:6; **4:10 points**).
    The total here amounts to 6+3+3+6+**4+10**=32. The bet loses.
    In certain tournaments a super tie-break (champion's tie-break) is played instead of a final deciding set. The player (pair) who first scores 10 points will be declared the winner of the match provided that they beat their opponent by at least a two point margin.

11. "Correct Score" (score based on sets). The respective bets in the “Sports” section are 2:0, 2:1, etc.
12. "To Qualify". The Customer should predict which of two named players will advance further in the tournament bracket. Should both players retire from the tournament, the one who has progressed furthest in the tournament bracket will be deemed the winner. Should both players retire from the same round, the winning odds will amount to 1. If a player withdraws from the tournament before its start, the winning odds will amount to 1.
13. "Winner". The player (team) who takes first place in the tournament will be deemed the winner. Should a player withdraw before the start of the tournament, bets on that player will be settled at odds of 1.
14. "Win In The Game". The Customer should determine who will win the specified game. Games within each set are numbered consecutively. For example, should the 2nd set end with a score of 6:1, bets on the “8th Game 2nd Set” will be settled at odds of 1 as there has been no eighth game.
15. A tie-break will be regarded as a single separate game.
16. "Points". A point is a result of a serve (each serve ultimately leads to one of the players winning a point – through a rally or a double fault).
    For example, “Point 4 (8th Game) W2” (The second player wins the 4th point (the fourth time the ball is served) in the 8th game). So if the 8th game goes as follows:
    - 1st point: 0-15 (player 2 won);
    - 2nd point: 15-15 (player 1 won);
    - 3rd point: 15-30 (player 2 won);
    - 4th point: 15-40 (player 2 won) – the bet wins.
17. "Score In Set 1". For this bet the correct score of the first set should be predicted. If the first set is not completed, bets on this outcome will be settled at odds of 1.
18. "Match Tie-Break". The Customer should predict whether a tie-break will be in the match. If a match is not completed for any reason and a tie-break has already taken place, the bet “Match Tie-Break - Yes” will win, while the bet “Match Tie-Break - No” will lose. If a match is not completed for any reason and there has been no tie-break, bets on the “Match Tie-Break” market will be settled at odds of 1.
19. "Player First To Challenge A Line Call". The Customer should predict which player will be the first to exercise their right to challenge a line call. If neither player exercises their right to challenge a line call, bets will be settled at odds of 1.
20. No bet will be canceled due to a misprint in the initials of a sportsman/sportswoman (for example, D. Muller instead of G. Muller). In this event, bets will stand.
21. “Tie-Break Score In Set”. The Customer should predict the correct score of a tie-break.
    A tie-break is played in order to determine the winner of a set when the score in the set reaches 6:6. A tie-break must be played up to 7 points (the tie-break score can be 7:5, 7:4 etc.).
22. “W 1/2 With Any Other Score”. This bet implies that a player will win a tie-break after a score of 6:6 (or a super tie-break after a score of 9:9).
    Example 1. Klein (Australia) vs. Klec (Slovakia). W1 With Any Other Score.
    - The tie-break ends with the score (7:3) – the bet loses.
    - The tie-break ends with the score (8:6) – the bet wins (as Player 1 won after a score of 6:6).
23. “Match Tie-Break Score”. The Customer should predict the correct score of the tie-break.
24. A match super tie-break is played up to 10 points (the score may be 10:8, 10:6 etc.).
25. “Tie-Break Score. Any Other W1/W2”. Which player will win the tie-break with a score different to those offered?
26. Bets on the “Tie-Break Score” markets will be settled at odds of 1 if there has been no tie-break in the match or in the set, or if the match has not been completed for any reason.
27. “Set To Finish 6:0 (0:6) In The Match – Yes”. The bet will win if the score of any set in the match

will be either (6:0) or (0:6).

28. “Player To Lose 1st Set But Come Back To Win”. The bet will win if a player loses the first set but goes on to win the match.
29. “Sets Scoring”. **For example, the bet “1st Set > 2nd”** will win if there are more games in the first set than in the second set.
30. Statistics (number of aces, number of double faults, first serve percentage, etc.) are quoted subject to information on the respective official websites of the specific tournaments.
31. Bets on specific statistics (number of aces, number of double faults, first serve percentage, etc.) are settled in the following manner when a match is not completed for whatever reason. Outcomes which had already been unconditionally determined at the time the match was interrupted will count towards the bet settlement. Payouts on other bets will be made at odds of 1.
32. A match point is a point which if won by one of the players will also win them the match.
33. “Break Number 1 – Player 1”. The bet will win if Player 1 is the first to win a game when receiving serve (a break point is a point that, if won by the receiving player, will win them the game. This is called a break of serve.).
34. “Total Points In First Game Over (5.5)”. This is a bet on the number of points in the first game. For example, if the game is won after the score (40:30), there have been 6 points and the bet wins.
35. In the “Highest Scoring Period” markets only the first and second sets are taken into account. The bet “Highest Scoring Period – Draw” will win if, for example, the score is (6:3, 3:6, 6:4). The bets “Highest Scoring Period – 1” and “Highest Scoring Period – 2” will lose if the number of games in the first set is equal to the number of games in the second set.
36. “Highest (Lowest) Scoring Set – Total”. Bets on the Total markets will be settled subject to the rules of the respective tennis tournament (i.e. if players have to play until they have won 2 sets or 3 sets).
37. “Who Will Make More Breaks”. There are three outcomes in this market: Player 1, Player 2 and Draw. Should players have an equal number of breaks in the match, the selection “Draw” will win.
38. “Player To Win Their Serve After Score 0:40 – Yes”. The bet will win if a player is losing their service game with a score of 0:40 but then goes on to win the game.
39. “First Line Call Challenge To Be Successful – Yes/No”. If both players have not exercised their right to challenge a line call, the winning odds will amount to 1.
40. FAST4 tennis matches are either best-of-three sets (two sets must be won) or best-of-five sets (three sets must be won). A set lasts until four games have been won. If the score is 3:3, a tie-break is awarded. The tie-break is won when a player reaches 5 points but there is no need for a two-point margin, meaning that the tie-break can end with a score of 5:4. If the score in the tie-break is 4:4, the receiving player or team selects which side (right or left) the ball will be served. In a tie-break players will change ends after the first 4 points have been played.

9.24. Floorball

1. Floorball is a type of floor hockey which is played indoors on a hard rink using a plastic ball with holes in it.
2. All bets are settled on the result at the end of regular time (60 minutes of play consisting of three periods of 20 minutes each).
   The bookmaker bears no responsibility for any inaccurate declaration of the duration of a match. Details shown in the “Sports” and “Live” sections are indicative only. The Customer should check the rules against official sources.
3. Extra time and penalty shootouts will only count for the following markets: “To Qualify (For The

Next Round)", "Winner Of The Tournament" and similar.

4. If a match starts but is not completed, all bets thereon will be settled at odds of 1, except for those markets which had already been unconditionally determined at the time the match was interrupted.
5. At least 50 minutes of play must elapse for the match to be declared official. In this event all bets will be settled on the result at the time the match was stopped.
6. Subject to the authorization of the bodies who organize the event, the duration of a match may be shortened to at least two periods of 15 minutes each with an intermission to be determined by the organizers. The Customer should check the rules of the relevant tournament against independent sources.

9.25. Football

1. Bets on football matches (including cup matches) are accepted on regular time specified in the rules (90 minutes of play consisting of two halves of 45 minutes each plus injury time), unless otherwise stated in the "Sports" section ("extra time").
   Extra time and penalty shootouts will only count for the markets "To Qualify (For The Next Round)", "League Promotion/Relegation", "Winner Of The Tournament" and similar.
2. At least 80 minutes of play must elapse for bets to stand except for markets which had already been unconditionally determined at the time the match was stopped.
3. Format of friendly matches.
   The rules of friendlies are determined before the start of a tournament. The Customer should check the rules against independent sources of information prior to placing bets on friendlies.
4. The number of corner kicks in the Russian Football Championship (Russian Premier League) is calculated on the third day after the conclusion of the match. If the number of corner kicks is not specified on the websites listed as Main Sources of Information, bets will be settled at odds of 1.
5. "To Be Higher At The End Of The Tournament" - for international tournaments: World Cup, European Championship, UEFA Champions League, Europa League, Olympic Games, etc.
   "Outcome. To Be Higher At The End Of The Tournament." The bettor must predict which of the two specified teams will finish higher at the end of the tournament/championship.
   If the official website does not provide overall information about placements, bets will be settled based on the tournament table:
   - If both teams are knocked out in the group stage, bets will be settled based on the team's places within their groups.
   - If both teams finish in the same place within their groups/on the tournament table, bets are settled at odds of 1.00.
   - If a team does not play a single match, bets are settled at odds of 1.00.
   - If both teams are knocked out at the same stage of the knockouts, bets are settled at odds of 1.00.
6. Bets on the markets "Which Team Will Score More Goals" and "Which Team Will Score (Concede) The Most (Least) Goals" placed on the World Cup, UEFA European Championship, UEFA Champions League, Europa League, Olympic Games, and others, are settled with extra time included, but without taking post-match penalties into account.
7. Bets on football matches labeled "extra time" will be settled excluding penalty shootouts. Bets on penalty shootouts are accepted separately.
8. "First Corner – Team". Which team will be the first to take a corner kick?
9. "More Corners – Team". Which team will take the most corner kicks in the match?
10. "Total Corners Over/Under". The Customer should predict whether the total number of corner kicks in the match will be more or fewer than the specified number.

11. **Yellow card markets (labeled “YC”)**. Only cautions to the outfield players and goalkeeper will count for bets on total yellow cards and total yellow cards with a handicap. No second yellow card resulting in a dismissal will count in the calculation of the number of yellow cards in the match.
12. LIVE bets on yellow cards in a specified time interval are settled without taking the stoppage time into account. For example, if a bet was placed on a yellow card between 85:00 and 88:59 and a yellow card was shown at 90+1 min., the bet will be settled as lost.
13. No yellow or red cards shown to the outfield players or goalkeeper after the final whistle will count for betting purposes. If a yellow card is shown by the referee in the half-time break for an offence committed in the first half (i.e. a deferred yellow card), this card will count for bets on the first half. If the referee shows a yellow card at the end of the match for an offence committed in the second half (i.e. a deferred yellow card), it will count for bets on the second half.
14. **Bets on “Yellow/Red Card” (also referred to as YRC or Cards)** will be settled in the following manner: a yellow card is counted as one card; a red card is counted as two yellow cards. The second yellow card for the same player will not be counted and will be regarded as one red card. This means that one player can have maximum 3 cards per match.
15. The number of yellow and red cards, corner kicks and hits of the crossbar/posts will be determined subject to video footage. In the event of a lack of video footage, or its interruption, the number of yellow and red cards and corner kicks will be taken from official sources. A substitution made in the 46th minute according to the official source will be regarded as a substitution made in the half-time break. A corner kick which was retaken will be regarded as just one corner kick for bet settlement purposes. Only those corner kicks which have been taken will count towards the settlement of bets on Total Corners.
16. **Posts and crossbars.** Only when the crossbar/post is hit by the opposite team and the ball remains in play will such hits count for betting purposes (for example, if the ball has hit the player, the referee, another post or crossbar). A post or crossbar will not count in the following events: the match had been interrupted before the ball hit a post or the crossbar; the ball was out of the field or was scored (a goal) after hitting a post or the crossbar.
17. **Shots On Target.** Shots which hit the crossbar/post or which are blocked are not counted when this bet is settled.
18. **Shot Towards the Goal.** For bet settlement purposes, all towards the goal, as well as blocked shots count.
19. Bets on the statistics markets may be settled within one hour of the end of the match.
20. **PRE-MATCH bets:** "Goal In Time Interval", "First Goal Time", "Team to Score First\Last Goal Up To () Minute" are settled with stoppage time taken into account unless otherwise stated in the Sports section.
21. **Bets on QUICK EVENTS:** “Total In The Interval From () To () Minute”, “Handicap In The Interval…”, “Outcome In The Interval…”. The Customer should determine the number of goals in the specified time interval.
    - In the interval from 40:00 to 44:59 the total number of goals will be calculated excluding stoppage time;
    - In the interval from 40:00 to 49:59 the total number of goals will be calculated including stoppage time;
    - In the interval from 85:00 to 89:59 the total number of goals will be calculated excluding stoppage time;
    - In the interval from 10:00 to 19:59, if the goal is scored in the 20th minute, it will count for bets within this interval.
22. First To Happen. Bets will be settled as follows:
    For throw-ins, corners, and goal kicks – the time that the event was actually performed is taken.
    For fouls, cards, offsides, and goals – the time that the event happened is taken.

For the time intervals 41st–45th minute and 86th–90th minute – a statistical comparison is conducted which does not take added time into account.
For the First/Last To Happen markets – bets are settled including added time.

23. 1 Minute Markets. Bets will be settled as follows:
For throw-ins, corners, goal kicks, cards, free kicks – the time that the event was awarded by the referee is taken.
For the time intervals 41st–45th minute and 86th–90th minute – a statistical comparison is conducted which does not take added time into account.
24. “To Score A Goal (David Villa)”. The bet will win if the named player (David Villa) appears on the pitch and scores a goal. An own goal does not count.
    - Pre-match bets. Should the player fail to enter the field of play, stakes will be refunded (bets will be settled at odds of 1). Bets on this market will only stand for players in the starting 11 (if a player is introduced as a substitute and bets on that player were offered, such bets will be settled at odds of 1).
    - Live bets. If a player enters the field of play and the “To Score a Goal” bet is offered on that player, then such bets are settled according to the player’s performance.
25. “To Score First Goal (David Villa)”. The bet will win if the named player (David Villa) appears on the pitch and scores the first goal. An own goal does not count. If the player enters the field of play after the first goal has been scored or does not enter the pitch at all, the bet will be settled at odds of 1. Bets on this market will only stand for players in the starting 11 (if a player is introduced as a substitute and bets on that player were offered, such bets will be settled at odds of 1).
26. "() To Score A Goal At Any Time". The bet will win if the player scores a goal in regular time.
27. “Player Will Score Over/Under 0.5”. Bets will only stand for players in the starting 11 (if a player is introduced as a substitute and bets on that player were offered, such bets will be settled at odds of 1).
28. “First/Last Match Goal – Time Interval”. Bets on the first goal being scored in the specified interval, for example from 1 to 30 minute, will lose should the match be interrupted with the score at 0:0 after the specified interval.
29. “A Player To Score Two Goals” (also “Brace”)/”Hat-Trick”. The Customer should predict whether a player will score exactly two goals (a brace) or exactly three goals (a hat-trick) in a single match. Own goals do not count. If a hat-trick has been scored, the bet “A Player To Score Two Goals - Yes” will lose.
30. “Penalty Awarded – Yes/No”. The Customer should predict whether a penalty kick will be awarded in the match.
31. “Penalty Awarded And Sending Off – Yes”. The bet will win if there has been both a penalty kick and a dismissal in the match.
32. “Half: 1x2”. Bets are made on the first half.
For example, “Team 2 To Win First Half - Yes”. The bet will win if Team 2 wins the first half.
33. “Multi Corner”. The number of corner kicks in the first half is multiplied by the number of corner kicks in the second half. For example, there have been five corner kicks in the first half and seven corner kicks in the second half. Accordingly, the result is 5x7=35.
34. “**Penalty Shoot-Out Win 2 – Yes”.** A penalty shootout must take place and Team 2 must win it for this bet to win. The bet will lose if no penalty shootout takes place or if Team 2 lose the penalty shootout.
35. “Highest Scoring Period”.
“Highest Scoring Period – 1st Half” – a bet on the total number of goals in the first half exceeding the total number of goals in the second half;
“Highest Scoring Period – 2nd Half” – a bet on the total number of goals in the second half exceeding the total number of goals in the first half;
“Highest Scoring Period – Draw” – a bet on the total number of goals in the second half being

equal to the total number of goals in the first half.

36. “Team 1/2 Player Has The Ball At The Final Whistle”. The Customer needs to predict a player from which team will be in possession of the ball at the final whistle.
37. **Bets on specific players “First To Happen”**: (Costa D.) Will Not Score A Penalty; (Costa D.) Will Get Red/Yellow Card; (Costa D.) Will Be Substituted; (Costa D.) Will Score A Goal”.
    A bet slip on which the earliest outcome is specified will win. For example, a yellow card was shown to Costa D. in the 15th minute, he scored a goal in the 30th minute, and was then substituted in the 40th minute. The bet “(Costa D.) Will Get Red/Yellow Card” will win, while bets on other outcomes will lose. Should Costa D. fail to enter the field of play, all stakes will be refunded (bets will be settled at odds of 1).
38. **Football. Specials. “Next Manager Retirement”**. Should more than one manager retire on the same day, the retirement which was declared earliest on the team’s official website will be deemed the first. All bets made after the retirement of the manager will be settled at odds of 1. The time and date of the retirement will be determined subject to information on the website of the team which terminated their contract with the manager.
39. **Football. “Managers”.** No caretaker manager (a person appointed to perform managerial duties) will count for betting purposes. Should a manager who is not on the list be appointed, all bets will stand and be deemed lost. If a club appoints a director, they will not count towards the settlement of bets on the permanent manager market.
40. **Football. “Players”**. Bets on this market will be settled without taking players on loan into account, unless otherwise stated in the “Sports” section (“including loans”). If a player has not left a club in the specified transfer window, all bets will stand and be deemed lost. If a player signs a contract with a club for which no price is offered, all bets will stand and be deemed lost. If all preliminary contracts or other similar agreements confirming the deal are concluded later than the date specified in the market, they will not count towards the settlement of bets.
41. **Bets on penalty shootouts**. If the fifth penalty kick is not taken in a penalty shootout, then the following markets will be refunded:
    “Team 2 To Score Their 5th Penalty - No”;
    “Team 2 To Score Their 5th Penalty - Yes”.
42. “**Player To Score First Goal And Team To Win With The Score”.**
    The Customer should predict which player will score the first goal and the score at the end of regular time (including stoppage time). If a player does not participate in the match or is introduced as a substitute after the first goal has been scored, bets will be settled at odds of 1. If the first goal is an own goal (a player scores in their own team’s net), bets on the player who has scored this goal will be settled at odds of 1. If a match is interrupted after the first goal has been scored and is not concluded within the timeframe stipulated in the rules, bets on the player who scored this goal will be settled at odds of 1.
    Bet 1 “Adam Lallana To Score First Goal And Team 1 To Win With The Score 1-0 - yes”
    Bet 2 “Dejan Lovren To Score First Goal And Team 1 To Win With The Score 1-0 - yes”
    Example 1.
    Adam Lallana scored the first goal and Team 1 won with the score 1-0:
    bet 1 wins;
    bet 2 loses.
    Example 2.
    Adam Lallana did not enter the field of play and Team 1 won with the score 1-0:
    stake of bet 1 is refunded;
    bet 2 loses.
43. **Alternative outcomes. “Total Points For Cards”.** The Customer should predict the number of points received by the team/teams for cards in the match. Bets are accepted on regular time.
    - No card will count unless it is shown to a player on the pitch;
    - One yellow card is worth 10 points;

- One red card is worth 25 points;
- The maximum number of points given for a second yellow card offence resulting in a red card is 25. These points will be given provided that a red card has been shown immediately after a yellow card.

44. **Alternative outcomes. “Points” (Team Performance).** The Customer should predict the number of points earned by the team during the match. Bets are accepted on regular time. No red card will count unless it is shown to a player on the pitch. A corner kick which has to be retaken will not be regarded as a second corner kick and thus will not result in 3 extra points.
    Points will be awarded as follows:
    - 10 points for each goal;
    - 5 points for a win to nil;
    - 3 points for each corner;
    - - (minus) 10 points for each red card.
45. **Alternative outcomes. “Points In The First Five Minutes”.** Bets made on the first five minutes of play will be settled based on what takes place in the interval from 0:00 to 4:59.
    - A corner kick which has to be retaken will be regarded as a single corner;
    - A penalty which has to be retaken at the referee’s discretion will count as a single penalty;
    - Up to 10 points can be earned by a player for committing two offences, even if a yellow card is followed by a red card. A card will only be counted if it is shown to a player on the pitch.
      Points will be awarded as follows:
    - 10 points for each goal;
    - 3 points for each corner;
    - 10 points for each penalty awarded;
    - 5 points for each card.
46. **Alternative outcomes. “Total Points During The Match”**. The Customer should predict the number of points earned by the teams during the match.
    - A corner kick which has to be retaken will count as a single corner;
    - A penalty which has to be retaken at the referee’s discretion will count as a single penalty;
    - Up to 13 points can be earned by a player for committing two offences, even if a yellow card is followed by a red card. A card will only be counted if it is shown to a player on the pitch.
      Points will be awarded as follows:
    - 10 points for each goal;
    - 3 points for each corner;
    - 10 points for each penalty awarded;
    - 3 points for each yellow card;
    - 10 points for each red card.
47. ***Cards. Statistics***. Bets will be settled depending on the events during regular time. No card will count unless it is shown to a player on the pitch.
    First Card. Bets will be settled on what occurred in the designated interval of the match. A red or yellow card must be shown in the designated interval. No card will count if an infraction which later resulted in a caution (or dismissal) happened in the designated interval, but the card was shown after the designated interval.
    Total Cards. Bets will be settled including added (stoppage) time. Extra time will not count unless otherwise stated. Only one card will count for a second bookable offence. This means that if a yellow card is immediately followed by a red card, only one card will count for betting purposes. Accordingly, a player may not receive more than two cards per match.
    Last Card. Should there be no cards in the match, the selection “No Cards” will win. All other

bets will lose. Should two or more players be involved in a single incident, the market will be settled based on the last card shown.

48. ***Football with 8 players in each team.*** *A match consists of two halves of 30 minutes each (unless the referee and the opposing teams have agreed to a different format). The parties must reach an agreement (for example, that each half should be 25 minutes due to bad lighting) before the match starts and such an agreement must comply with the rules of the tournament*.
    - ***The half-time break*** must not exceed 10 minutes. The duration of the half-time break may be changed by mutual agreement between the teams and the referee;
    - Only the referee may determine the ***duration of added time***;
    - Additional time must be allocated to make a ***10-meter shot*** awarded at the end of any half in regular time or in extra time;
    - ***Extra time***. The rules may stipulate two equal extra time periods.
49. **Alternative matches.** This is where alternative matches are made up from the teams taking part in matches streamed LIVE. Should there be a forfeit in one of the real-life matches, bets on alternative matches will be settled at odds of "1" (refund),except in cases where the outcome of the bet is already known at the time the match is stopped.
    For example. Alternative match: U.C. Sampdoria – Hellas Verona W1. Actual matches: U.C. Sampdoria – Internazionale 2:0, Udinese Calcio – Hellas Verona 0:2. The score of the alternative match **U.C. Sampdoria – Hellas Verona** is 2:2. The bet loses as the alternative match has ended in a draw.
    Alternative double matches. All teams listed in this market play simultaneously. Bets will be settled on the scores of the matches between the specified teams.
    For example.
    Eintracht Braunschweig/Borussia Dortmund – FC Schalke 04/TSG 1899 Hoffenheim – Total Over 2.5
    Eintracht Braunschweig – FC Schalke 04 ended with the score 0:0. Borussia Dortmund – TSG 1899 Hoffenheim ended with the score 2:1. The combined score of Eintracht Braunschweig/Borussia Dortmund is 0+2=2. The combined score of **FC Schalke 04/TSG 1899 Hoffenheim** is 0+1=1. The combined score of the double matches Eintracht Braunschweig/Borussia Dortmund – FC Schalke 04/TSG 1899 Hoffenheim is 2:1. The first pair beats the second pair by a one goal margin. The total of the alternative double match is 3 goals and thus the bet wins.
50. FIFA. Next President. The acting president of FIFA will not count for betting purposes.
51. **Football. Teams. Special bets. Players.** Bets on a player's statistics will only count if the player in question made an appearance for the specified team. The player must participate in at least one match.
    For example. Football. Liverpool. Season 2015/16. Premier League. Players. Total yellow cards. Only those yellow cards which have been shown to a player while in the Liverpool FC lineup will count for betting purposes. The player must participate in at least one match.
52. Football. Statistics of the first leg and the second leg. The outcomes are given based on the result of both legs. Bets will be settled when the second leg is over.
53. **How The Goal Will Be Scored**. The following rules apply:
    - Own Goal – the bet wins if a goal is scored as an own goal.
    - From A Direct Free Kick – the bet wins if a goal is scored from a direct free kick by the player taking the free kick or if a goal is scored directly from a corner kick.
    - Penalty – the bet wins if a goal is scored from a penalty kick by the player taking the penalty kick.
    - With A Header (Headed Goal) – the bet wins if a goal is scored by the ball hitting a player's head. Own goals will not count for betting purposes.

    - By Kicking – the bet wins if a goal is scored from a kick. A goal from a direct free kick, a penalty, or an own goal will not count for betting purposes. If a goal has been scored by any part of a player's body apart from the head, such a goal will be deemed to have been scored by kicking.
    - No Goal – the bet wins unless the first (or next) goal has been scored.
54. "Position Of Goalscorer". Bets on this market will be settled based on the official position of a player. The positions are determined according to the "Position" information on http://www.transfermarkt.co.uk/. For matches between national teams, the position of a player will be determined according to the starting list on the official tournament website.
55. Players, Match-Ups by goals. Bets on this market are settled on the result at the end of regular time. If the player in question is not part of the starting 11, bets will be settled at odds of "1".
56. Statistics of national teams in the group stage. These markets will be settled on the results of official matches held in the group stage.
57. In the "Distance Covered By A Player" and "Distance Covered By A Team" markets the distance is specified in kilometers and is determined excluding extra time and excluding penalty shootouts. The distance covered by a player (or team) should be rounded to the nearest hundredth of a kilometer.
58. Best player of the match. If a player is not in the starting line-up but plays during the match, all bets on this player shall stand. If the player does not take part in the match, all bets shall be settled at odds of 1.00. In the event that information is missing from the official tournament website, bets shall be settled according to information published on https://whoscored.com.
59. Statistics of national teams in the tournament. These markets will be settled on the results of official matches including extra time (excluding penalty shootouts and own goals) held in the group stage and play-off stage. Markets on the statistics of players in the match will be settled including extra time.
60. A medical team is deemed to have entered the pitch only if given permission by the referee and if medical attention is actually given to an on-field player (bandages, diagnosis of sudden cardiac arrest, cardiopulmonary resuscitation, medical evacuation, etc.). The appearance of the medical team and the referee's permission are confirmed via a video broadcast. A call for two medical teams at the same time by the referee for different teams counts as one appearance by a medical team. A player being escorted by a medical team off the pitch, a medical team being present near a player without giving medical attention, and medical attention being given to a player behind the sideline are not taken into account in the calculation.
61. **"Main Referee To Watch Video Footage – Yes/No"** - the referee consults the VAR screen. **"VAR To Be Used – Yes/No"**. The use of video review is determined based on the video stream if one of the following occurs:
    - the referee makes the video review sign (a rectangle);
    - the referee consults the VAR screen;
62. **Result. Higher At The End Of The Tournament (Players).** This market will be settled based on the data provided by the official tournament website (including extra time, but excluding penalty shootouts and own goals).
63. Player statistics (season, series of games, tournament). If a player completely stops playing in a season/series of games/tournament for any reason, bets on that player are settled at odds of 1.00 (except for cases where the results of the outcomes have already been determined).
64. The "Player to score more goals" market (for a tournament or a championship) will be settled including extra time, but excluding penalty shootouts.
65. "To Be Sent To The Stands". The Customer should predict whether the referee will send the specified manager to the stands.
66. "Player vs Team". This market will be settled on the results of official matches. Should a player fail to participate in the match or be included in the starting 11, stakes will be refunded. If a player is dismissed or substituted during the match, all bets will stand.

67. The bet “Stats. Which group will have the most number of goals” will be settled with the odds equal to “1” if an equal number of goals is scored in each group.
68. “Set piece goal”. A set piece goal has been scored if players from either team have touched the ball no more than two times (including the starting kick) from the moment the ball is returned to open play to the moment the goal is scored. A touch by the defending goalkeeper is not counted. The set piece positions in football include kick-off from midfield, throw-in from the touch line, direct free kick, indirect free kick, corner kick, goal kick, penalty kick, and a dropped ball.
69. "Goal From Outside The Penalty Area". Own goals do not count when settling a bet on this market.
70. Bets on number of left-footed goals, right-footed goals and headed goals. No own goals will count.
71. For the **“Free Kick”** markets both direct and indirect free kicks are valid (including free kicks after an offside).
72. **Indoor soccer (showball)** is a type of football played in a walled indoor arena with synthetic turf. A match consists of two halves of 20 minutes each or four quarters of 15 minutes each, depending on the agreement between the teams. If a match ends in a draw in regular time, overtime may be awarded. All bets are accepted on regular time.
73. **Multi goal.** It is necessary to predict the number of goals scored during the match based on the different ranges offered. For example, Multi goal 2-4. The bet will win if 2, 3 or 4 goals are scored in the match.
74. **The next goal, handicap**. It is necessary to predict which team will score the next goal. If there is no next goal in the match, the bet will be settled at odds of 1.
75. Player head-to-heads. Stoppage time is included when settling bets on goals scored by the selected players. This excludes extra time. In the event that at least one of the players does not enter the pitch, head-to-heads involving this player will be settled at odds of 1.00. Bets apply to the starting line-up only.
76. Duel of Sending Off. Bets on sending off of the player are settled including stoppage time, excluding extra time. Bets on sending off are valid for the specified players, not all the team (unless stated otherwise). BC offers the outcomes: player vs player; player vs team.
77. Time periods with no goals (not including added time). The duration of this time interval is calculated as the difference between the minute of the first goal and the start of the match, the difference in the minutes of any subsequent goals, and the difference between the minute of the final goal and the end of the match. If no goals are scored in the match, the time period with no goals in the match will be calculated as 90 mins.
    For bets on time periods with no goals, one team’s time in the lead, and draw duration, only completed minutes are taken into account.
    For example: If the first goal is scored at the 11:01 mark and the second is scored at the 15:59 mark, the time period with no goals is 3 minutes (the 13th, 14th and 15th minutes).
    Example 2: If a goal is scored in added time, it will be considered to have been scored in the 90th minute and will result in two time periods with no goals: 89 complete minutes (0-90) and 0 complete minutes (90 - 90)
78. Tackles. To settle this type of bets, stats published on https://whoscored.com are taken into account.
79. “Dribbling” and “Aerial Duels“. Bets are settled based on the data provided by whoscored.com whereas only successful dribbles and aerial duels won are taken into account.
80. **Duel of the Referees**. Betting and odds are based on the number of points assigned to every decision made by a refereeing team.
    Points are assigned as follows:
    1 point for a yellow card.
    A red card awarded after two yellow cards is not added to the score (YC + YC = RC = 2 points).

2 points for a red card
0.5 points for an offside called
3 points for a penalty awarded
In the event the main referee was replaced or a match started but was not completed (unless the outcome of the bet had already been determined at the time the match was stopped), bets can be refunded.

81. An “Including substitutes” bet will be settled as a win if the specified player or any player who replaces them during the match (including the full chain of substitutions) fulfills the condition offered.
    For example:
    A bet is placed on “Gift Orban To Score Including Substitutes: Yes."
    During the match, Gift Orban is substituted for Alexander Prass, and Prass scores a goal. The bet is settled as a win.
    - The bet includes events that occur during regular match time, including referee-added time, unless stated otherwise.
    - If the specified player does not start the match, the bet will be settled at odds of 1.00.
    - Own goals do not count for the “Player To Score Including Substitutes” bet.
82. First Touch Of The Ball After The First Corner Kick” market. Bets are settled as follows:
    - “First Touch Of The Ball After The First Corner Kick - W1/W2” will be settled as a win if the first touch of the ball after the first corner kick is made by a player from one of the playing teams. If the referee calls a foul after the corner kick, the touch is awarded to the team whose player puts the ball into play.
    - “First Touch Of The Ball After The First Corner Kick - Neither” will be settled as a win if, after the first corner kick, the ball has not touched anyone and has left the pitch.
    - “First Touch Of The Ball After The First Corner Kick - W1/W2/Neither” will be settled at odds of 1.00 if no corner kicks take place during the match.
83. The “Added Time” bet is settled based on events that occur during the time added by the referee in the first and second halves, including minutes beyond the initial announced time if the referee extends the match.
84. Pre-match bets on stats.
    - The specified event is taken into account when settling the bet. Example: “Total Shots On Target Before 1st Goal”. The shot on target that results in the goal will be included when calculating the total.
    - If the specified event does not occur, then the outcome will be determined based on the actual result at the end of the match. Example: “Total Fouls Before 1st Yellow Card”. If there aren’t any yellow cards, then the outcome will be determined by the number of fouls committed before the end of the match.
    - Bets of this type are not refundable.
85. Expected Goals (xG) Markets.
    For all markets designated as "Expected Goals", "xG", "Total xG", "Team xG", or similar, settlement is based on the Expected Goals value. Expected Goals (xG) is a statistical metric that measures the quality of scoring chances. All "xG" markets are calculated and settled based on data provided by official statistical sources.

9.26. Futsal

1. All bets are settled on the result at the end of regular time (40 minutes of play consisting of two periods of 20 minutes each).
   The bookmaker bears no responsibility for any inaccurate declaration of the duration of a match. Details shown in the “Sports” and “Live” sections are indicative only.

The Customer should check the rules against official sources.

2. Extra time and penalty shootouts from the 6-meter mark will only count for the following markets: qualifying for the next round, winner of the tournament, and similar.
3. If a match starts but is not completed, all bets thereon will be settled at odds of 1, except for those markets which had already been unconditionally determined at the time the match was interrupted.
4. At least 35 minutes of play must elapse for the match to be declared official. In this event, all bets will be settled on the result at the time the match was stopped.

9.27. Field Hockey

1. All bets are settled on the result at the end of regular time (70 minutes of play consisting of two periods of 35 minutes each or four periods of 17 minutes 30 seconds each).
   The bookmaker bears no responsibility for any inaccurate declaration of the duration of a match. Details shown in the "Sports" and "Live" sections are indicative only. The Customer should check the rules against official sources.
2. Extra time and penalty shootouts will only count for the following markets: qualifying for the next round, winner of the tournament, and similar.
3. If a match starts but is not completed, all bets thereon will be settled at odds of 1, except for those markets which had already been unconditionally determined at the time the match was interrupted.
4. At least 60 minutes of play must elapse for the match to be declared official. In this event, all bets will be settled on the result at the time the match was stopped.
5. Indoor Field Hockey is an indoor variant of field hockey. A match consists of 2 periods of 20 minutes each.

9.28. Bandy

1. All bets are settled on the result at the end of regular time (90 minutes of play consisting of two periods of 45 minutes each or three periods of 30 minutes each).
   The bookmaker bears no responsibility for any inaccurate declaration of the duration of a match. Details shown in the "Sports" and "Live" sections are indicative only. The Customer should check the rules against official sources.
2. Extra time will only count for the following markets: to qualify for the next round, to qualify for another league, winner of the tournament, and similar.
3. If a match starts but is not completed, all bets thereon will be settled at odds of 1, except for those markets which had already been unconditionally determined at the time the match was interrupted.
4. At least 80 minutes of play must elapse for the match to be declared official. In this event, all bets will be settled on the result at the time the match was stopped.
5. Inline hockey is a team sport in which players wear skates and use a puck or a ball. A match lasts for four periods of 12 minutes each.

9.29. Ice Hockey

1. Bets on markets in the "Sports" section are accepted on regular time (60 minutes of play consisting of 3 periods of 20 minutes each) unless otherwise stated (including overtime if labeled "With OT", or including overtime and penalty shootouts if labeled "Including Overtime

And Penalty Shootouts").

2. Bets on markets in the "LIVE" section are only accepted on regular time.
   LIVE bets on KHL and NHL matches are accepted:
   - on regular time;
   - on regular time including overtime (labeled "With OT");
   - on regular time including overtime and penalty shootouts (labeled "Including Overtime And Penalty Shootouts").

   Example 1. Buffalo Sabres – Toronto Maple Leafs (Including Overtime And Penalty Shootouts). In this case bets are accepted on regular time including overtime and penalty shootouts. The score of the match is 2:3 (1:0, 1:1, 0:1, 0:0, 0:1). All bets will be settled based on the final score of 2:3. The total number of goals for betting purposes is 5.
   Example 2. Buffalo Sabres – Toronto Maple Leafs (With OT). In this case bets are accepted on regular time including overtime. The final score for betting purposes will be 2:2 (1:0, 1:1, 0:1; 0:0). The total number of goals for betting purposes is 4. W1 and W2 bets will lose.
   Example 3.Buffalo Sabres – Toronto Maple Leafs. In this case bets are only accepted on regular time. The final score for betting purposes is 2:2 (1:0, 1:1, 0:1). The total number of goals for betting purposes is 4. W1 and W2 bets will lose.
3. If a match starts but is not completed, all bets thereon will be settled at odds of 1, except for those markets which had already been determined at the time the match was stopped.
4. At least 55 minutes of play must elapse for bets to stand. In this case all bets will be settled based on the result at the time the match was stopped.
5. NHL, AHL, CHL, OHL, WHL and East Coast Hockey League teams may be shown in a direct order (home – away) and in a reversed order. If the latter is the case, no stakes are refunded.
6. "Total". Where penalty shootouts are taken into account, all goals scored in the shootout by the winning team will be regarded as one goal for settlement purposes, while the goals scored in the shootout by the losing team will be regarded as zero goals.
7. "Goal From 1 To 7 Minute". If the goal is scored at 7 minutes 00 seconds, it is deemed to have been scored in the 8th minute.
8. Bets on the following markets are settled based on the final record or bracket of the body that officially organizes the event: "Higher At The End Of The Tournament", "Winner Of The Championship", "Winner Of The Group", "Scored Points", "Scored Goals" and "Conceded Goals".
9. The bet "Period () > Period ()" will lose if an equal number of goals has been scored in both specified periods.
10. Bets on the "Top (Country) Goalscorer In The Tournament" market are settled based on the official final rankings, where the total number of goals plus assists is taken into account. All bets are made including overtime, but excluding penalty shootouts. Should a player fail to take to the ice, bets on them will be settled at odds of 1. If two or more players have an equal score, bets will be settled at odds of 1.
11. "Team To Win And Total Under/Over". The Customer should predict which team will win the match and how many goals will be scored (more or fewer than the specified number). Bets on NHL and KHL matches, as well as on matches which form part of other championships and international tournaments, are accepted on regular time.
12. "Race To 3 (5 etc.) Points". The Customer should predict which participant will be the first to score the specified number of points in the match. If any participant refuses to continue for any reason before they or their opponent scores the specified number of points, bets will be settled at odds of 1.
13. "Team 2 To Win In Overtime - No". The bet will win if either no overtime takes place or Team 2 loses in overtime. Bets on the win in a penalty shootout are settled in the same manner.
14. "Overtime win". The winner must be determined in overtime (OT).

The score is (0:0; 1:1; 1:0) – the bet loses.
The score is (0:0; 1:1; 0:0; 0:1) – the bet wins.
The score is (0:0; 1:1; 0:0; 0:0; 1:0) – the bet loses.

15. Bets on markets **in the "Sports" section labeled "Time Penalty"** are made on the number of minutes that an offending player must spend in the penalty box for an infraction. Only **two-minute minor penalties will count**. Double minor penalties (2+2) are treated as two separate penalties. Penalty minutes awarded before the start of a period (match) or after the completion of a period (match) and which are specified in the final record of said match will count for betting purposes. The number of penalty minutes will only be determined based on the official record.
16. Bets on markets **in the "LIVE" section labeled "Time Penalty"** are accepted on the number of minutes which an offending player spends in the penalty box for an infraction. Only **two-minute minor penalties** will count. Penalty minutes awarded before the start of a period (match) or after the completion of a period (match) and which are specified in the final record of said match will count for betting purposes. The number of penalty minutes will only be determined based on the official record.
17. Bets on markets labeled "Shots On Goal". The number of shots on goal will be determined only on the basis of the official record.
18. Player's Individual Total (in ice hockey). The Customer should predict the total number of points scored by a player, where points are awarded for goals and assists. All bets on a player's individual total number of points are only accepted on regular time. Should a player fail to take to the ice, bets on them will be settled at odds of 1.
19. "Team To Score First And Win The Match". This bet is only accepted on regular time.
20. "Team 1 To Score First And Win The Match – No". This bet will win if Team 1 does not score the first goal or if they do not win the match.
21. "Total Interval From 6 To 8 – No"
    Example:
    "Total Interval From 6 To 8 - No". The score is (2:3). The total amounts to 5. The bet wins.
    "Total Interval From 6 To 8 - No". The score is (3:4). The total amounts to 7. The bet loses.
22. Total Goals Scored During Power Play. The Customer should predict the number of goals scored in power play situations.
    Example. Team 1 scored one goal while in a power play. Team 2 scored no goals while in a power play. Accordingly, there was only one goal scored in total during power play in the match.
    The bet "Total Goals Scored During Power Play UNDER 1.5" wins.
    The bet "Total Goals Scored During Power Play OVER 1.5" loses.
23. "Empty Net Goal Will Be Scored". The bet will win if, at the time a goal is scored, the goaltender is not on the ice (i.e. if the goaltender has been replaced by a skater).
24. "Total Hat-tricks (3 Goals By One Player) Over 0.5". Only scored goals will count (no assists will be taken into consideration when determining a hat-trick).
25. "Highest Scoring Period".
    "Highest Scoring Period - 1" – the teams will score more goals in the first period than in the second or third period.
    "Highest Scoring Period - 2" – the teams will score more goals in the second period than in the first or third period.
    "Highest Scoring Period - 3" – the teams will score more goals in the third period than in the first or second period.
    "Highest Scoring Period - Draw" – the teams will score an equal (highest) number of goals in at least two periods.
26. Bets on matches within the KHL Nadezhda Cup are only accepted on regular time. The result of a match is determined at the end of regular time (a match may end in a draw).
27. **Result. Who performs better in the tournament (competition)?** The winner will be

determined subject to the following successive criteria: elimination stage, place within the group (conference), points obtained within the group (regular season), goal difference throughout the tournament (regular season); goals scored throughout the tournament (regular season) excluding overtimes and penalty shootouts.

28. “Winner Of The Match”. Bets are settled according to the rules of the tournament within which the match is held. For example, bets on the “Winner Of The Match” market in respect to the NHL regular season are settled including overtime and penalty shootouts. Bets on the “Winner Of The Match” market in respect to the playoffs are settled including overtime.
29. **Alternative matches**. For this market the results of the matches that are broadcast live are compared. Should any match be forfeited, bets on alternative matches will be settled at odds of 1 (stakes will be refunded).
    Example. Alternative match. Avangard – Sibir. Total Over 5.5. The actual matches are Avangard – Salavat Yulayev, which finishes with a score of 4:1 and Metallurg – Sibir, which finishes with a score of 1:2. The score of the alternative match **Avangard – Sibir** will therefore be 4:2. The bet will win as the total number of goals in the alternative match equals 6.
    Alternative double matches. All teams specified in this type of market play simultaneously. The scores with which the said teams end their true matches count for betting purposes.
    Example.
    Torpedo/SKA – Dinamo/CSKA Total Under 7.5
    The match Torpedo – CSKA ended 3:2. The match SKA – Dinamo ended 2:1. The combined score Torpedo/SKA equals 3+2=5. The combined score Dinamo/CSKA equals 1+2=3. The combined score Torpedo/SKA – Dinamo/CSKA is therefore 5:3. The total number of goals in the alternative match equals 8. The bet loses.
30. **Top Goalscorer**. The following successive criteria shall apply: points obtained throughout the tournament; goals scored throughout the tournament; fewest number of matches played. Bets are settled excluding overtime and penalty shootouts.
31. “**Total Minor Penalties”.** The Customer should predict the total number of minor penalties in the match.
32. “Total Goals Scored By A Player”. The Customer should predict the total number of goals scored in the opposing team’s net by a specific player.
33. “Top Statistic Plus-Minus (Including Overtime)”. Bets are settled subject to the following rules: a team which has fewer members or the same number of members as the opposing team scores a goal (scored penalty shots do not count), and players of this team being on the ice at the time of the goal get one “plus”. It does not matter whether the opposing team’s goaltender is in-goal at this time or whether they have been substituted by a skater and the net is empty. Accordingly, the team which has more members on the ice or the same number of members as the scoring team gets one “minus”, when they concede a goal. The statistics shall be gleaned from the official sources.
34. Duel of the players. Points (goal + assist). In this type of game, in the bets on the "Next goal" both goal and assist will count.

9.30. Bowls

1. Bets are accepted on sets and matches. In a match, all sets must be played. Should the winner be determined before the completion of a match for any reason, bets on sets will be deemed void unless further play affects the result.
2. If the winner has been determined before all sets are completed, bets on the winner of the match will be settled based on the official result provided that at least one end has been played to its conclusion.
3. In the event of any of the named players in a match changing before the match starts then all

bets will be void.
4. If a match is started, but not completed, the player who has qualified for the next round will be deemed the winner.

9.31. Chess

1. Bets on the result of a game are settled based on the official result of that game, and bets on the result of a match are settled based on the results of all games comprising that match.
2. Should more than one player share first place at the end of a tournament, dead-heat rules must apply provided that no tie-break takes place or no extra points are given.
3. “1” always denotes the player who has the white pieces notwithstanding the venue of a game.
4. If the start of a game is delayed or a game is postponed for any reason, all bets will stand until the end of the game or the end of the tournament.
5. Handicap (0). If a game ends in a draw, all bets will be deemed void.
6. Should the format of a match be changed, bets on that match will be settled at odds of 1.

9.32. Formula One, Motorbikes, Speedway

1. If a race is not completed and the official result has not been declared, all bets will be deemed void except for markets which have already been determined.
2. Bets will be settled subject to the classification of the International Automobile Federation (FIA) immediately after the last race of the season.
3. Qualification bets. The official times from a qualifying session according to the FIA will be used for the settlement of bets. For the “Fastest” market, the times from the third qualifying segment will count. If there is no third qualifying segment, bets will be settled subject to the official grid formed by the FIA. Penalties will not count for the purposes of the settlement of total and handicap markets. However, according to the FIA, time penalties in qualification will be taken into account when determining the winner. Drivers must start the first qualifying segment for bets to stand. Bets on the fastest qualifying lap 1 and 2 will stand provided that drivers have started that qualifying lap.
4. To Be Classified. In order to be classified, a driver must complete 90% of the number of laps covered by the winner (rounded down to the nearest whole number). Drivers who retire from a race after they have completed 90% of the number of laps covered by the winner are deemed to have classified.
5. “Winner Of The Race” (winner in the final classification). The driver who takes first place in the final rankings (final classification) of the race will be deemed the winner.
6. “The Place Of The Driver In The Final Rankings”.
7. “Head-To-Head”. The Customer should predict which of the two named drivers will perform better. The driver who finishes in the higher place in the race (in the final classification) will be deemed to have performed better.
   Both drivers must start the race for bets to stand. Should both drivers fail to finish, bets will be settled based on the number of laps completed.
   Should both drivers retire from the race, the driver who has completed more laps will be deemed to have performed better. Should both drivers retire after an equal number of laps, bets will be settled at odds of 1.
   Should a driver fail to complete their fastest lap (fail to show the qualification time), their place shall be determined based on the final grid positions.
8. “To Complete The Race – Yes/No”. The Customer should predict whether the named driver will finish the race. A driver is deemed to have finished if they are classified as falling behind the

leader.

9. “Fastest Lap”. The Customer should predict which driver will set the fastest lap time.
10. A warm-up lap counts in the race.
11. SPEEDWAY. Should an event be interrupted before its completion, all bets will stand provided that the event continues within 24 hours or the outcome has already been unconditionally determined. Otherwise, bets will be deemed void. In respect to handicap markets after the eighth heat, the previous eight heats must be completed, otherwise bets will be deemed void and heats will not count. If an event is postponed before its scheduled start time, all bets will be deemed void unless the event begins within 24 hours. All markets will be settled on the result after the final heat (according to the league’s schedule) or on the official podium result (individual competitions/Grand Prix). No subsequent appeals, disqualifications or deductions of points will count. Only data from official sources or the official websites of the corresponding tournaments may be used for bet settlement. Should information from the official sources prove to be incorrect, independent sources will be used for bet settlement.
12. SPEEDWAY. Description of the available markets:

- **Individual Heat Scores**. Bets will be settled on the score of the heat before any points are added through the doubling-up of points.
- **Individual Heat Winner**. All four riders must start a heat, otherwise all bets will be canceled.
- **Next Heat Winner/Heat 13 Winner**. Prices are offered for the win of Team A, win of Team B, and the draw for the specified heats. The quoted heat must be completed in full for bets to stand.
- **Rider Match-Ups/Handicap Match-Ups (League Fixtures**). Results of all riders count and tactical points will be counted as normal score, i.e. 3-2-1-0. Bonus points do not count for settlement purposes. Bets will stand in a match-up if the two riders finish the race (exclusions do count). Additionally, if an event is interrupted before its completion, all bets will be canceled unless the outcomes have already been determined.
- **Rider Total Points**. All rides count and tactical points will be counted as normal score, i.e. 3-2-1-0. Bonus points do not count for settlement purposes. Bets will stand if the rider finishes. If an event is interrupted before its completion, all bets will be canceled unless the outcomes have already been determined. In Knockout Cup fixtures ‘Man on Man’ tactical rides do not count towards settlement. When Rider Total Points are offered for Grand Prix or European Championship events, bets will be settled on the number of points scored in the main round (20 heats) only, and excluding the semi-final and final ride-offs.

9.33. Lacrosse

1. Bets on lacrosse matches are accepted including overtime.
2. If a goal is scored at 09 minutes 00 seconds, it is deemed to have been scored in the interval from the 1st to the 9th minute. If a goal is scored at 01 minute 00 seconds, it is deemed to have been scored in the 1st minute.

9.34. TV-Games

1. **Eurovision Song Contest.**
    - Match-Ups. The Customer should predict which of the two named participating countries will finish higher in the Grand Final. If both participating countries have an equal score, bets will be settled at odds of 1.
    - Bets are settled subject to information on www.eurovision.tv.

2. **TV-Games. Box Office.** In some cases bets may be settled in the middle of the following week when the exact box office data becomes available.
   Game of Thrones. Number Of Viewers. Only those viewers who have watched the first airing will count. Reruns, P2P file sharing or viewing on other technologies are all excluded.
   Bets on events in the series are settled 24 hours after the release of the episode.
   Box office results in the USA and other countries will be determined based on the information on http://www.boxofficemojo.com.
3. **Bets on rap battles** are accepted subject to the approximate start time of a battle. The battle may actually start later. Bets on the winner will be settled after the official video of the battle has become available.
4. **Special bets**. If the outcome of the event is not in the list of available bets then all bets will stand and will be settled as lost.

9.35. eSports

1. Total and handicap bets on the rounds in respect to Counter-Strike are accepted including all possible overtimes.
2. Should any player (or team) drop out of a match (for any reason), they are deemed to be defeated in all remaining rounds/maps. Bets on Live markets will be settled at odds of "1", unless the outcome had already been determined at the time the match was stopped.
3. If a match is postponed for more than 24 hours, the company has the right to settle bets at odds of "1".
4. No bet will be canceled due to a misprint in the username of a player or a team, even if they use smurf accounts. In this event, bets will stand. No substitution of a team member, even if the same occurs during the match, will affect bets.
5. If the administrator stops a match and sets a replay, the result of the match so interrupted will not count.
6. Handicaps and totals are counted in maps, except when totals or handicaps are given in respect to a specific map or a match is held on a best-of-one basis.
7. “Map Ends In Daytime”. This market is based on the game’s day and night cycle. The first day starts at minute 0 and alternates with night every five minutes. Instant nighttime as summoned by the character Night Stalker due to his special ability is still regarded as day.
8. In Dota 2 and League of Legends the winner of a map or a match is declared after the throne or the nexus of either team has fallen.
9. In Dota 2, if First Blood is taken by a “tower” or by “neutral creeps”, the kill won’t be counted and the death will not affect the match result.
10. Dota 2 ‘Double Kill’, ‘Triple Kill’, ‘Ultra Kill’ and ‘Rampage’ bets will be settled according to the highest number of consecutive frags per map. Example: if an Ultra Kill occurs and it’s the highest number of consecutive frags, ‘Ultra Kill – Yes’ bets win and all other bets lose.
    ‘Who Will Score The Next Frag’ bets (20th, 30th, 40th etc.) in Dota 2 are bets on the next frag. The winner is the team that will perform the 10th (20th, 30th, 40th, etc.) frag on the map. Example: after the score 5:4, the score is 5:5, Team 2 wins.
11. Bets on the duration of a map in minutes will be settled with regard to the seconds that have passed in each minute of the game. So if the outcome “Duration Of The Map Over 27.5” is selected, the map needs to end after 27:30 for the bet to win – i.e. at 27:35, 27:44, etc. If the map ends at 27:15, the bet loses; and if the game ends at 27:30, the bet will be settled at odds of 1.
12. Bets on individual totals in Rainbow Six are accepted excluding overtime. If teams play overtime, then all bets will be settled according to the score of 6-6.

9.36. Olympic Games

1. The start of the first qualifying round shall be regarded as the start of the competition during the Olympic Games.
2. Bets on the number of medals will be settled based on the official medal count at the time the closing ceremony starts.
3. If an event is postponed, or its date or venue is changed, all bets will stand until the completion of the competition.
4. Match-Up bets. Both contenders (whether teams or players) must start for bets to stand. Should any contender retire in the course of an event for any reason, the opposing contender will be deemed the winner. Should both contenders fail to complete the competition, all match-up bets will be deemed void.

9.37. Winter Sports

1. The start of the first qualifying round shall be regarded as the start of a competition.
2. Match-up bets. Both contenders (whether teams or players) must start for bets to stand. Should any contender retire in the course of an event for any reason, the opposing contender will be deemed the winner. Should one competitor fail to complete the competition, all match-up bets will be settled based on the competitor's dropout stage.

9.38. Gaelic Football, Hurling

Gaelic football is related to football and rugby.

1. All bets on a match are settled on the result at the end of regular time (70 minutes of play consisting of two halves of 35 minutes each or 60 minutes of play consisting of two halves of 30 minutes each). A match must be completed for bets to stand, except for those markets which had already been determined at the time the match was stopped.
2. All bets are settled on the final score of a match. The scoring system is as follows:
   A goal is worth 3 points (when the ball is struck into the net below the crossbar).
   A point is worth 1 point (when the ball goes over the crossbar).
   The goals in Gaelic football are similar to those in football, with the posts rising above the net.

For example, the score for Team 1 was 0-12 (where 0 is the number of goals and 12 is the number of points scored), while the score for Team 2 was 2-5 (where 2 is the number of goals and 5 is the number of points scored. This totals 2x3+5 = 11 points overall). The combined score of the match was therefore 12-11 and Team 1 wins.

9.39. Futsal 4x4

1. It is obligatory for both goals to be equipped with a net. The absence of court marking (either full or partial) cannot be considered as grounds to cancel a match.
2. Matches feature 2 teams of no more than 4 players each.
3. The number of substitutions. Teams are allowed to make an unlimited number of substitutions. Players who have been substituted may later re-enter the field of play.

4. If there are more than 4 players from either team on the pitch at any one time, the last player(s) to enter the field of play will receive a yellow card.
5. Matches last for 2 13-minute halves (running or actual playing time).
6. If the ball touches a player from the opposing team and goes into the net from a throw-in, it counts as a goal.
7. The winning team. The team who scores the most goals in a match is deemed to be the winner. If both teams either score an equal number of goals, or no goals are scored, the match ends in a draw.
8. Players are sent off for 2 minutes if they receive a red card. Once this time has passed, they must be replaced by another player.
9. A free-kick is awarded to the opposing team in the event that a player commits any of the following six infringements and the referee deems their actions to be either careless, reckless or excessively aggressive: kicking/attempting to kick an opponent, tripping/attempting to trip an opponent, stamping on an opponent, hitting/attempting to hit an opponent with their hand, pushing an opponent or a tackle, where there's contact. Free-kicks are awarded from where the infringement in question took place.
10. A penalty (a shot at an open goal from the half-way line) is awarded to the opposing team if a team commits 3 fouls in a half (the penalty will be awarded after the 4th foul) or if a player handles the ball in the penalty area.
11. The penalty area has a radius of 50 cm. Players defending a goal, except for the goalkeeper, cannot use their hands. No more than one player can be in the penalty area at any time.

9.40. Esports Football (FIFA)

eSports Football involves the streaming of a multiplayer game (a football simulator).

    - The creature is a fighting unit characterized by a unique set of in-game attributes and a distinctive appearance. The attributes are numerical characteristics of the ability of creatures to deal damage, defend themselves and also move to the battlefield. Integral attribute is a creature's level: the higher the level, the more the squad of such creatures can influence the outcome of the fight. You can find more details about the creatures of the world of Might and Magic and a short attribute set, necessary to understand the bets calculation, in Table. 1.
    - The squad is a creature's group on the battlefield. Attributes of the squad are depend on a type of the creature whose representatives are recruited into the squad and the number of warriors. The squad has the same set of attributes as well as the creatures forming the squad. The whole squad in a combat can be subjected to positive and negative magical influences, which affect the combat attributes and the squad strength. As soon as the strength of the squad drops to zero, it is considered to be destroyed.
    - The hero - a warlord capable of increasing the attributes of creatures on the battlefield and providing them with magical support. The hero controls 7 squads: one squad of creatures of each level.
3. **Gameplay**
    - The fight starts after the formation of squads on the battlefield. The bet "Who Will Take Part In The Fight" is settled after the fight beginning. The fight ends when all squads of one of the hero are destroyed. This hero is considered a loser. Other bets are settled after the fight ending.
    - There is a text translation in English in the lower part of the video stream.
4. **The following markets are available:**
    - **Win In The Fight.** The winner is the hero whose squads have destroyed all the rival's squads.
    - **Who Will Take Part In The Fight.** The bet on a pair of creatures is considered to be a winning one if at least one creature from a pair has taken part in the battle at least on one side.
    - **What Level Creature Will Survive.** The bet is considered to be the winning one if the squad of the chosen level survives until the end of the fight.
    - **How Many Squads Will Survive.** The bet is considered to be the winning one if the player has guessed the number of winner's squads that will survive by the end of the fight.

5. A team that voluntarily discontinues the game and does not obey the decision of the chief referee is counted as defeated.
6. In case if after a break one of the teams deliberately plays for time and does not go on the field, then the other team has the right to continue the game without the participation of the opponent in the allotted time.
7. If the outcome of the match is a draw, then additional playing time (10 minutes) is given only in the semi-finals and finals. If the winner does not appear in extra time, then free throws are played - shootouts.
8. The game is served by a protocol commission approved by the Board of the Federation "Kok-boru", which considers the requests and claims of the teams and decides whether to award a victory to either of the two teams in the disputed moments.

9.94. NBA Playgrounds

1. NBA Playgrounds is a stream of multiplayer game (basketball simulator).
2. All bets are settled on the result at the end of full time.
3. The minimum stake on any event is 0,2€.
4. A maximum stake is determined for each event by the betting company.

5. A stake can be limit on a certain event without any notification and giving reasons.
6. Bets are accepted before an official event beginning and in Live. All the matches of NBA Playgrounds are streamed Online.
7. Game duration is 5 minutes. If the score is tied, the match goes to an extra time (30 sec). Extra time can be awarded unlimited times.
8. The following markets are available:
    - Win;
    - HANDICAP;
    - Total (Over; Under);
    - Individual Total (Over; Under).
9. If any administrative or software-related errors are made while accepting a bet (obvious misprints of odds, inconsistency of odds between the betting market and the bet, etc.) or if there are any other indications that the bet is wrong, the bookmaker reserves the right to declare such bets void.

9.95. Pickleball

1. A match consists of three sets and is played to two wins.
2. A game is played up to 11 points. Points are only awarded to the team serving, for winning a serve and for a mistake by their opponents. The first team to score 11 points is declared the winner. If the score is level at 10:10, the game continues until one team gains an advantage of 2 points
3. If a match is started but not completed for any reason (e.g., a participant withdraws from the game or is disqualified), bets on all outcomes that had been definitively determined based on the match format by the time the match was interrupted (e.g. the outcome of the first set, first set total, etc.) will be settled. All other bets will be settled at odds of 1.00.

9.96. Killer Joker

1. The deck contains 36 cards (from 6 to A) and 2 jokers (black and red).
    - Player 1 is assigned the black suit cards (clubs & spades)
    - Player 2 is assigned the red suit cards (hearts & diamonds)
    - Cards are drawn from the deck until one of the jokers appears. The player with the most cards wins (the game can end in a draw).
2. In the event that members of staff make any mistakes, any software failures occur when bets are accepted (e.g. obvious misprints in the odds, inconsistencies between the odds displayed in the Sports/Live sections of the website and on the bet slip, etc.), or if there are any other indications that bets have been accepted incorrectly, the bookmaker is entitled to declare such bets void. In the event of software errors, the game may be interrupted, in which case any unsettled bets will be refunded (settled at odds of 1.00).
3. The following markets are available:
    - Win
    - Total
    - Total Cards
    - Equal Points

10. Available Markets (Outcomes)

1. The bet “Team 1 To Win” is indicated as “1”.
2. The bet “Draw” is indicated as “X”.
3. The bet “Team 2 To Win” is indicated as “2”.
4. The bet “Team 1 To Win or Draw” is indicated as “1X”. Team 1 must win or there must be a draw for the bet to win.
5. The bet “Team 1 To Win or Team 2 To Win” is indicated as “12”. Either team must win (a match must not end in a draw) for the bet to win.
6. The bet “Team 2 To Win or Draw” is indicated as “X2”. Team 2 must win or there must be a draw for the bet to win.
7. The bet “Team (player, driver etc.) To Win With A Handicap” is indicated as “Handicap” (each handicap has its own odds). A handicap is an advantage or a disadvantage of a team (player, driver etc.) which is expressed in goals, points, sets, seconds etc. and is determined by the bookmaker in respect to a particular bet. The outcome of an event with a handicap is determined by adding the handicap to the actual result. If the result is in favor of the selected team (player, driver etc.), the bet is settled as won. In the opposite case, the bet is settled as lost. If the result is a draw after the handicap has been applied, the bet is settled at odds of 1.
8. The bookmaker offers two types of Total bets: on two outcomes (Over/Under) or three outcomes (Over/Exactly/Under).
   The bet “(Total) Over/Under” is indicated as “Total”.
   This is a bet on the total number of goals, points, games (etc.) that have been scored, earned, played (etc.) by teams (players etc.). The Customer must predict how many goals, points, games (etc.) will be scored, earned, played etc. (more or fewer than the total number quoted). At the bet settlement playing time stipulated hereby for each sport is taken into account, unless the market states otherwise. At the settlement of individual total (also called “player total” or “team total”), no own goal shall count.
   At the settlement of bets on individual total (also called “player total” or “team total”) the number of goals, points, games (etc.), scored, earned, played (etc.) by either team (player etc.) is taken into account.
   If the result is the same as the total quoted by the bookmaker, “over” and “under” bets will be settled at odds of 1.
9. Over/Exactly/Under bets are referred to as a 3-way total. Such bets are labeled “3way” and shall be settled exactly as follows:
   - “Total Under 123 (3way)” – the total number is less than 123.
   - “Total Exactly 123 (3way)” – the total number is equal to 123.
   - "Total 123 over (3way) - total strictly over"
     If the final score is 123, only one bet “Total Exactly 123 (3way)” wins, while bets on total over or under 123 labeled as “3way” are not refunded, as would be the case for ordinary Over/Under bets. Bets on individual 3way totals shall be settled accordingly.
10. The bet “Total Interval”
    The Customer should predict the total in a particular interval. For example, if the bet “Total From 0 to 1” is placed and the score is 0:0, the total number is 0; if the score is either 1:0 or 0:1, the total number is 1. In both cases, the bet wins. Any other bets lose. “No Goals” – the bet wins if the final score is 0:0. The bet «Correct score» — it is necessary to predict a score of a match on regular time (not including OT, penalty shootouts).
11. The bet “Correct Score”. The Customer should predict the exact score in regular time (excluding overtime, penalty shootouts etc.).
12. The bet “HT-FT” is expressed with “W” (for win), and “X” (for draw). The result of the first half (period) is followed by the result of the match. For example, W1W2 means that Team 1 will win

(W1) the first half, and Team 2 will win (W2) the match. In sports where a match lasts for four quarters (basketball, water polo etc.) “HT-FT” bets are settled based on the result of the first half (first two quarters) and the result of the match (in regular time).

13. The bet “Result + Total Goals”
    The Customer should predict which team will win, and the total number of goals.
14. The bet “Goal () Up To 78:00 Minute – Yes”. The Customer should predict whether a team will score the goal before or in the 78th minute.
15. The bet “Scoring Periods (Halves/Quarters/Games/Innings)”; “Sets Scoring”; “Scores In Each Half”.
    The Customer should predict which half, period, quarter etc. in a match will end with the highest score or whether halves, periods, quarters etc. will end with the same score (number of goals/points).
16. The bet “Player Match-Ups in the Final Tournament Table”.
    The Customer should predict which player will perform better in a tournament. If, after comparison, the stats of the players (number of goals scored, points earned etc.) are equal, bets will be settled at odds of 1. Penalty shootouts will not count. The number of matches in which the named player participated will not count either. If a player fails to participate in any match, bets are settled at odds of 1.
17. The bet “Top Goalscorer In The Championship (Tournament)”. The following successive criteria shall apply: goals scored in the tournament; most assists in the tournament; fewest number of minutes played in the tournament. These factors include extra time, but exclude penalty shootouts and own goals.
18. The bet “To Be Higher At The End Of The Championship” The Customer should predict which of the two named teams will be higher in the tournament tableat the end of a tournament. If the scores are equal, bets are settled at odds of 1. Should a team fail to participate in the tournament matches, bets will be settled at odds of 1.
19. The bet “Home-Away” The winner is determined based on a difference in goals (points) scored by the home team and the away team, respectively, including any handicap.
20. The bet “Total Goal Minutes”
    Bets are settled based on the sum total of minutes in which goals were scored in regular time. For example, if goals were scored in the 13th, 25th and 47th minutes, the total number for bet settling purposes is 13 + 25 + 47 = 85.
21. The bet “Points” (volleyball, table tennis, squash, badminton). A point is a result of a serve in the specified game or set.
    For example, “Volleyball. 1 To Win Point 19 (1 set)”. The score of the first set was (8:9) at the time of placement, then the score changed to (8:10), meaning the serve was won by Team 2. Afterwards the score became (9:10), which means that the 19th point was won by Team 1. The bet wins.
22. First Match Goal From () To () Minute. The Customer should predict whether the first goal will be scored in the quoted timeframe.
23. Last Goal From () To () Minute. The Customer should predict whether the last goal will be scored in the quoted timeframe.
24. No Last Goal. The bet wins if a match ends with the score 0:0.
25. Highest Scoring Quarter – Total Under (). The highest scoring quarter is the quarter in which the most goals (points) were scored in comparison to other quarters. The bet wins if the total number of goals (points) scored in the highest scoring quarter is fewer than the quoted number. Bets are not refunded when two or more quarters end with the same highest score; bets are settled based on the total number of goals (points).
26. Lowest Scoring Quarter – Total Under (). The lowest scoring quarter is the quarter in which the fewest goals (points) were scored in comparison to other quarters. The bet wins if the total number of goals (points) scored in the lowest scoring quarter is fewer that the quoted number.

Bets are not refunded when two or more quarters end with the same lowest score; bets are settled based on the total number of goals (points).

27. The bet “Highest Scoring Period”. If the highest scoring quarter is impossible to determine (two or more quarters ended with the same score), bets on such quarters are settled at odds of 1. Bets on other quarters are settled as lost.
    For example: the score is (19:20, 22:17, 21:18, 12:20).
    Highest Scoring Period (1) – refund;
    Highest Scoring Period (2) – refund;
    Highest Scoring Period (3) – refund.
28. The bet “Race To… Points”. The Customer should predict which participant of a match will be the first to earn the quoted number of points. For example:
    “Team 1 To Win Race To 15 Points”. If the score is 15-13, the bet wins; if the score is 12-16, the bet loses; if the score is 10-12, the bet loses.
    “Neither Team To Win Race To 15 Points”. If the score is 15-13, the bet loses; if the score is 12-16, the bet loses; if the score is 10-12, the bet wins. Should any participant refuse to continue for any reason before they or their opponent receive the quoted number of points, bets are settled at odds of 1.
29. The bets “Next Corner () Team ()” and “Next () Y/C Team ()”. If the outcome specified on a bet slip does not take place, bets will be refunded.
30. The bet “Players, Match-Ups, Handicaps” will be settled based on the match-up of players’ individual totals (the number of scored goals) with a handicap. No own goal shall count. If a player is not included in the starting line-up, bets on this player will be settled at odds of 1.
31. The bet “Players, Special, Total”. The bet is placed on the total number of goals scored by the named players. No own goal shall count. If a player is not included in the starting line-up, bets on this player will be settled at odds of 1.
32. The bet “1st and 2nd Place In The Group” wins if the teams named finish in 1st and 2nd places at the group stage in the specified order.
33. The market “First Goal To Be An Own Goal”. If the score is 0-0, the bet “No First Goal” will win.
34. The market “Remaining Time Outcome” (“After Score ()-()”). The Customer should predict how a match will continue after the quoted score. For example, the bet “1X After Score 3-2” will win if the score does not change until the end of the match. The final score is deducted from the specified score: in this example, the score of 3-2 is followed by the score of 0-0 (draw). If the score becomes 3- 3, the bet will lose, because the score in the remaining time after 3-2 will be 0-1 (Team 2 scored).
35. Bets on total playing time are made in minutes. If the total playing time is predicted exactly, bets will be settled at odds of 1. For example, the bet “Total Kyrie Irving Over (39.5)” will be settled at odds of 1 if the player’s total playing time amounts to 39 minutes 30 seconds.
36. Correct Score. Group Bet. The bet “Any Other Score” is settled based on the outcomes specified in the group. There are three groups of outcomes, and score numbers depend on the current score in a match. For example, if the current match score is 0-1, the following selections are offered:
    Correct Score 2-1, or 3-1, or 3-2.
    Correct Score: 1-2, or 1-3, or 2-3.
    Any other score.
    If the match ends with a score of 0-1, the bet “Any Other Score” will win.
37. The market “Win Or Draw”. The market includes only two outcomes. For example, the bet “X Or 2 (Home Win - Refund) – 2” means that the bet is made on a draw or win of Team 2 and the selected outcome is the win of Team 2. The bet will win if Team 2 wins, and lose if the match ends in a draw. If Team 1 wins, the bet will be refunded (according to the condition specified in the market). Bets are accepted on regular time.
38. The bookmaker may offer other types of bets.

11. Extra bets

1. 1st Half-Match. The Customer should predict the result of the first half and the result of a match.
2. Correct Score. The Customer should predict the score of a match (regular time) correctly.
3. To Score First Goal. The Customer should predict which team will be the first to score a goal. If there are no goals in regular time, bets are settled as lost. An own goal shall be treated as a goal of the team whose score it was added to.
4. Goal Time. The Customer should predict the timeframe in which a goal will be scored by either team (from X to Y minute, inclusive). If there are no goals, bets will lose.
5. The bet “Both Teams To Score – Yes” will be settled as won if each team scores at least one goal. The bet “Both Teams To Score – No” will be settled as won if at least one team fails to score.
6. Score Match-ups by halves, periods, quarters, innings. The Customer should predict whether the halves (or periods, quarters, innings) will end with the same score (number of goals/points/runs) or which half (period, quarter, inning) will end with the highest score.
7. Team Wins. The Customer should predict which team (player) will score more goals (earn more points, win more sets, etc.) according to the final result of the match, including extra time (overtime) and penalty shootouts, if any.
8. “Draw In At Least One Half” The bet “Draw In At Least One Period – No” will win if no period ends in a draw. For example, if the score is (1-0; 0-0), the bet will lose. If the score is (1-0; 0-1), the bet will win.
9. **Who Will Kick Off The Match?** The Customer should predict which team will kick off from the center mark to start the match.
10. **First Substitution - Team.** The Customer should predict which team will be the first to make a substitution. Should both teams make substitutions at the same time (according to the match records), bets will be settled at odds of 1.
11. **First Substitution.** The Customer should predict when the first substitution will be made: 1st half, half-time, or 2nd half. If there are no substitutions in a match, bets will be settled at odds of 1.
12. **Penalty Awarded – Yes/No.** The Customer should predict whether a penalty kick will be awarded in a match.
13. **Sending Off – Yes/No**. The Customer should predict whether any player will be sent off during the match. Only dismissals of outfield players and goalkeepers will count.
14. **First Booking.** The Customer should predict which team will be the first to receive a booking (yellow card). Should players from both teams receive bookings at the same time (according to the match records), bets are settled at odds of 1.
15. **Last Booking.** The Customer should predict which team will be the last to receive a booking (yellow card). A second booking resulting in a player being dismissed will not count. Should players from both teams receive bookings at the same time (according to the match records), bets are settled at odds of 1.
16. **Home-Away**. The Customer should predict whether the home or away teams will score more goals in a round of a tournament, taking into account handicaps and totals. Should at least one match in the round be canceled, rescheduled, abandoned, or declared void, bets on the “Home-Away” market will be settled at odds of 1 (except for the outcomes which have already been determined).
17. **Handicap**. As well as handicaps in the main markets, the bookmaker offers bets on which team will win with a different handicap. For example, if the final score is 2:1 (regular time): The bet “Handicap [0:1] W2” loses, because after the handicap has been applied, the score becomes 2:2. The bet “Handicap [0:1] X” wins, because after the handicap has been applied, the score

becomes 2:2. The bet “Handicap [1:0] W1” wins, because after the handicap has been applied, the score becomes 3:1.

18. **Teams, Match-Ups.** The Customer should predict which of the named teams will score more goals or earn more points.
19. **Player Total (Individual Total) (basketball, volleyball).** The Customer should predict a player’s individual total according to certain statistics, such as points, rebounds, assists etc. All bets on player totals include overtime or golden set. Should a member of the team fail to take part in a match, bets on them will be settled at odds of 1.
20. Player Total (Individual Total) (handball, futsal, field hockey). The Customer should predict a player’s individual total by the number of goals scored. All bets on player totals are accepted on regular time. Should a member of the team fail to take part in a match, bets on them will be settled at odds of 1.
21. First To Happen. Example: “First To Happen - Yellow Card Or Goal”. The Customer should predict what will happen first in the match: a yellow card will be shown or a goal will be scored. If there are no yellow cards and no goals in a match, bets are settled at odds of 1.
22. A Player Scores Two Goals (Brace)/A Player Scores A Hat-Trick/A Player Scores Four Goals (Poker). The Customer should predict whether one football player will score exactly two goals (brace), exactly three goals (hat-trick), or exactly four goals (poker). No own goal will count.
23. **Player To Get Yellow/Red Card**. The Customer should predict whether the referee will show a yellow or red card to a particular player. No yellow or red card will count unless it is shown to an outfield player or a goalkeeper. If a player is not included in the starting 11, bets on this player will be settled at odds of 1.
24. **Official Added Time Total.** The Customer should predict whether the number of minutes added as stoppage time to each half will be higher or lower than the quoted number.
25. **Come From Behind And Win (regular time including added time).** A team is deemed to have come from behind if they had been trailing during the match, but then win. Should a match end in a draw, the bet “Come From Behind And Win – Yes” loses.
26. **Goal 1 Scored With A Header.** The Customer should predict whether the first goal in the match will be scored with a header. If there are no goals in a match, or if the first goal is an own goal (even if it is scored with a header), the bet “Goal 1 Scored With A Header – No” wins.
27. **To Score First And Win The Match.** The Customer should predict which team will be the first to score a goal and win the match. Bets on NHL, KHL, and all international tournaments are accepted on regular time. If there are no goals, bets on the selection “To Score First And Win The Match – Yes” will lose.
28. **Clean Sheet (Shutout)** – a match in which at least one team does not concede a single goal.
29. **“Team 2 To Win To Nil – Yes”**. The bet wins if the score is 0:1, 0:2, etc. The bet “Team 2 To Win To Nil – No” wins if a match ends with any score other than 0:1, 0:2, etc.
30. **To Score Penalty – Yes/No**. The Customer should predict whether a team will score a penalty kick. If no penalty kick is awarded during a match, bets on “To Score Penalty – Yes” and “To Score Penalty – No” will lose. Example: “Team 2 To Score Penalty – No” The bet will win if a penalty kick is awarded to Team 2 but they do not score the penalty. The bet will lose if no penalty kick is awarded, or Team 2 scores the penalty (scores a goal from a penalty).
31. **Team 2 To Score Their 1 Penalty – Yes**. The Customer should predict whether the team will score the first penalty kick awarded to them. If no penalty kick is awarded during a match, the bets “Team To Score Their 1 Penalty – Yes” and “Team To Score Their 1 Penalty – No” will be settled as lost.
32. **Run Of Play (Lead – Win, Lead – Draw, Lead – Lose)**. Bets are accepted on regular time including added time. This bet will be settled on the first team to take the lead in combination with the final result, regardless of how often the lead may change in between.
33. **“First/Last Match Goal From () To () Minute”.** Added time is taken into account for bet settlement purposes. The bet “First Match Goal From 10:00 To 14:59” will be settled as won if

the first goal is scored in this timeframe.

34. **“The Duration Of The Draw” and “Time In The Lead” markets**. Bets are accepted on regular time. Example. During the match (hockey) Team 1 scored a goal in the 16th minute, Team 2 scored a goal in the 21st minute, and Team 1 scored a goal in the 36th minute. The total number of minutes during which there was a draw shall be calculated as follows: first 15 minutes + 15 minutes (36-21) = 30 minutes. The total number of minutes during which Team 1 led shall be calculated as follows: (21-16) + (60- 36) = 5 + 24 = 29 minutes. The bet “Draw For Under 19.5 Minutes” loses. The bet “Team 1 To Lead Over 13.5 Min” wins.
35. **The bet “Correct Score. Any Other Score”**. The bet will win if the score of a match differs from the list of correct scores offered. The bookmaker shall make a list of correct scores at its own discretion.

12. Examples

12.1. Single bet

event	bet	odds
AC Milan - Bayern Munich	1	2.0
AC Milan - Bayern Munich	X	3.0
AC Milan - Bayern Munich	2	3.3

Let's assume that you placed a bet on victory of Milan in the stake amount of 100 €.
The odds on victory of Milan are 2.0.
If Milan wins, the payout shall be 100 x 2.0 = 200.
The net gain is: 200 (the payout) - 100 (the stake) = 100 €.

12.2. Accumulator bet

event	bet	odds
Dynamo K - Feyenoord	1	2.1
Lyonnais - Inter Milan	X	2.9
Olympiakos - Manchester United	2	2.0

You win accumulator bet if you correctly predict outcomes of all matches included in it.
The odds of the outcomes included in the accumulator bet are multiplied: 2.0 × 2.1× 2.9 = 12.18.
At the stake of 100€ on the accumulator bet you receive 100€ ×12.18 = 1218€.
The net gain (excluding the stake) is 1118€.

12.3. System bet

System 3/6 (2 winning combinations)

System 3/6 is a bet on the full combination accumulators of specified value (3) from the previously chosen number of events (6). It’s necessary to predict not less than 3 events for your system not to lose.

□	event	odds	result
1	event 1	1.6	win
2	event 2	1.9	loss
3	event 3	1.9	loss
4	event 4	1.3	win
5	event 5	1.45	win
6	event 6	1.85	win

The stake is 60€.
It’s necessary to do the following actions to calculate the system bet:

1. For the system 3 of 6 combinations will be made 20 accumulators, example:

event 1 + event 2+ event 3, event 1 + event 2+ event 4 etc., i.e 20 accumulators in three events in each accumulator.

□ combinations	Accumulator	odds
	event 1	1.6
I	event 4	1.3
	event 5	1.45
	event 1	1.6
II	event 4	1.3
	event 6	1.85
	event 4	1.3
III	event 5	1.45
	event 6	1.85
	event 1	1.6
IV	event 5	1.45
	event 6	1.85

In your bet slip four events: Event 1, Event 4, Event 5, Event 6 won. You had to guess three events.

2. Bet calculations of the stake on one combination: let's divide the stake (60€) on the number of the combinations for the system 3/6 (20), the result is 60:20=3€. The bet on one combination is 3€.

3. As 4 variants were guessed, we can make combination of accumulators consists from 3 events. There are 4 combinations (see. table).

4. Bet calculations of the winning sum for each accumulator from the table:

I accumulator. 1.6 □3 □45€ □=9.05€.
II accumulator. 1.6 □3 □85 □ = 11.54€
III accumulator. 1.85 □3 □45 □ = 10.45€
IV accumulator. 1.6 □85 □45 □ = 12.88€.

4. Total bet calculations on the given system:
It's necessary to sum up the winnings of all combinations of the system: I + II + III + IV = 9.05+11.54+10.45+12.88 = 43.92€

12.4. Asian handicap calculation of single bet

When You place «Asian handicap» bet, bookmaker takes two, actually. The bet with odds (+1,25) corresponds collection of two bets: on handicap (+1) and on handicap (+1,5). The sum on these bets is equal a half of the whole handicap’s sum. Total handicap’s win will be equal to win’s sum of two bets. Depending on result, you can win both bets; one win bet, another one is refunded; lose both of them.

See the variants of Asian handicap bet calculation:

event	handicap
Villarreal CF	+0.75
Real Madrid	-0.75

Let the sum of bet will be 100€ in our example.

I.e, if we place ***bet+0,75 on Villarreal CF***, it's divided on: bets with handicaps (+1) and (+0,5).

Let's see some variants:

1. match score (0:1) – handicap (+0.5) - loss, handicap (+1) - refund.
2. match score (1:1) – handicap (+0.5) - win, handicap (+1) - winning.
3. match score (0:2) – bet is lost.

If we place bet on ***Real Madrid Handicap (–0,75)***, we get two bets with handicap (–0,5) and (–1).

Let's see some variants:

1. match score (0:1) – handicap (-0.5) - win, handicap (-1) - refund.
2. match score (1:1) – bet is lost.
3. match score (0:2) – bet is win.

12.5. Asian handicap accumulator bet calculation

if bet is a part of accumulator or system bet on Asian Handicap the number of variants is doubled.

For example, we have placed accumulator bet on 100€ consists of two events with total 3.25. Both pairs have played with the match score 3-0. How much do we get? Actually, it will be 4 accumulators here: >3,>3; >3,>3.5; >3.5,>3; >3.5,>3.5, therefore we receive 25€ back by one accumulator bet, all other bets are lost.

12.6. Asian total calculation

Bet on total, accumulator 0.25 (but not 0.5). Such bet is settled, as two bets at the rate of half of the sum, with equal odds and nearest values of «common totals» (integer-valued or accumulator 0.5).

For example, bet on total 1.75 under – 100€ with odds 1.4.

By calculation the bet is split into two: total (1.5) Under and total (2) Under. The sum of bet is split in two (in 50€)

Let's see some variants:

1. match score (0:0) or (0:1) – both totals have passed, a bet is won (100x1.4=140€)
2. match score (1:1), (0:2) – bet on total (1.5) Under – loss; bet on total (2) Under – refund is 50€
3. match score (1:2) – a bet is lost.

For example, bet on total 1.75 Over – 100€ with odds 1.4

By calculation the bet is split into two: total (1.5) Over and total (2) Over. The sum of bet is split in

two (in 50€)

Let's see some variants:

1. match score (0:0) or (0:1) – bet is lost.
2. match score (1:1), (0:2) – bet on total (1.5) Over – win; bet on total (2) Over – refund 50€ (50x1.4 +50=70+50=120€)
3. match score (1:2) – bet is won (100x1.4=140€)

12.7. Chain bet calculation

Bet slip consists of 4 events. The sum of a bet is 10€

Volleyball. South Korea (women) - Myanmar (women) (13.09.2013 | 10:45)	1st Team wins 15th point in 1st Game	1.45
Volleyball. Air Force (women) - Navy (women) 3rd set (13.09.2013 | 09:45)	After 30 points W1	1.62
Tennis. ITF. K.Onishi/Yonemura - Kato/Hiroko Kuwata (Japan) (13.09.2013 | 09:45)	Game 18: 40:40 No	1.36
Ice hockey . HC CSKA (Moscow) - HC Vityaz (Chekhov) (incl OT) (10.10.2013 | 19:00)	Total from 2 to 4	1.45

Bets calculation will be in the same sequence as indicated in bet slip.
Example 1. All events are won.
Myanmar is won, the winning payout is 10x1,45=14,5€; 2nd bet (Navy to win) will be settled as: (14,5 – 10) + 10x1,62 = 4,5+16,2=20,7€; 3rd bet will be settled as: (20,7 – 10) + 10x1,36 = 10,7+13,6 =24,3€; 4th bet will be settled as: (24,3 – 10) + 10x1,45 = 14,3+14,5 =28,8€. That is the win by bet.
Example 2. 1st, 3rd and 4th events are won.
Myanmar is won, the winning payout is 10x1,45=14,5€; 2nd bet – loss (14,5 – 10)=4,5€ – chain balance; 3rd bet will be settled as: 4,5 x 1,36 = 6,12€ – chain balance; 4th bet will be settled as: 6,12 x 1,45 = 8,87€. That is the win by bet.
Example 3. 1st, 2nd and 4th events are won.
Myanmar is won, the winning payout is 10x1,45=14,5€; 2nd bet (Navy to win) will be settled as: (14,5 – 10) + 10x1,62 = 4,5+16,2=20,7€; 3rd bet – loss, will be settled as: 20,7 – 10 = 10,7€; 4th bet will be settled as: (10,7 – 10) + 10x1,45 = 0,7+14,5 =15,2€. That is the win by bet.

- *Both teams to score* - you need to predict whether both teams will score at least one goal;

Betting options:

Single bet – one or several bets in one bet slip. Events are independent from each other. Winning on a single bet is equal to the product of the amount of bet on the outcome for your present odds.

The maximum total for a ticket – indicates the bid amount of each single bet multiplied by an odds.

For a single bet it is possible to set individual bet amounts for each outcome as well as entering total amount, which is automatically divided into the number of bets in the ticket.

15.2. Virtual 3D-league

Virtual 3D-league is a fast and exciting game designed especially for football fans to follow and root for their favourite team during the whole season.

This option offers the best markets (compared to other 3D football games) to place bets while you can analyze teams' statictics of recent games, tournament brackets, etc.

At the moment there are two leagues available: **CIS and Italian league.**

Twenty teams participate in the league with both home and away matches and subsequently move towards the top of the standings as points are earned.

The game consists of leagues that go one by one day by day. Results of all games can be found in the global statistics tab. Each league consists of 38 game weeks - a period of time during which the teams are to play home and away matches. During the first 19 game weeks half of the teams play home matches, during game weeks 20-38 away matches are played. 10 matches are simultaneously played each game week (total 38 matches in a league). One game week lasts for five minutes (190 minutes for a league).

Before the start of an event an acton line for major outcomes to bet on as well as current week number will appear on the screen.

Teams in the list on the right play home matches, teams in the list on the left play away matches. Logos and teams' short names are given there as well. During the demonstration of odds names of teams are changed periodically to a number of their position in the tournament table, where arrows indicate the value of the progress. Example, the 10 number and the green arrow with a value of "3" indicate that the team according to the result of the previous match has lost three points and rank to the tenth in the tournament table. In case of a dash, the team retained the position.

The first five matches in the list out of ten are streamed - **main match of a week.** In the process of streaming, liveresults of 9 other matches are showing from the bottom line.

Stream of the main match of a week (as all weeks with simultaneous matches) lasts 5 minutes, after which the successive game week starts, or if it was a 38 week, the first week of a new League begins.

Main match is divided on 6 game points, where can be scored a goal. The maximum number of goals in game is 6! There is video replay for scoring chances in a game, shortly after the goal. The score to the left on the screen changes in favour of a team to score a goal. In the same part of the screen there is the information with logos of the teams of the main match of the week, their names,the current time (45 minutes) and a minute of the game.

Having completed a week, the results of the main outcomes and the tournament bracket including the latest games of the week and summary results of previous periods are available for a time. 20 participating teams of a League are in the following order: from the first to the lowest rank depending

on number of points. Also there are a history of the last five matches, statistics of victories, losses and draws. A sequential number of the 38th week is changed with the transition to 1 League week. The tournament bracket is zeroed and summarizes the information on the results of new League matches.

Available bets and combinations:

- *Result of a match* - Identify, In your opinion, how the regular time of a football match ends, a victory of a Home Team(1), Draw(X) or a victory of an Away Team(2);
- *Result in the first time* - Identify, In your opinion, how the first time of a football match ends, a victory of a Home Team(1), Draw(X) or a victory of an Away Team(2);
- *Double chance* - Identify two most likely, from your point of view, alternative outcomes. A bet will play if one or another event took place in the current match. The following outcomes are available:
    - **1/X** – a victory of a Home Team **or** draw in a match;
    - **1/2** – a victory of a Home Team **or** Away Team;
    - **X/2** – a draw **or** victory of an Away Team.
- *Half time - Full time ("HT - FT")* - Identify, In your opinion, how the first time and then a full time will end. A bet will play if both events take place! It is important to note that in notation of the outcome below the first part indicates the result of the first half in the current match, and the second one indicates the result of the full time (1 - a victory of a Home Team, 2 - a victory of an Away Team, X – draw). The following outcomes are available:
    - **1/1** – Half time **and** Full time will end in a victory of a Home Team;
    - **1/X** – Half time will end in a victory of a Home Team **and** Full time will end in a draw;
    - **1/2** – Half time will end in a victory of a Home Team **and** Full time - Away Team;
    - **X/1** – Half time will end in a draw **and** Full time will end in a victory of a Home Team;
    - **X/X** – Half time **and** Full time will end in a draw;
    - **X/2** – Half time - draw, Full time will end in a victory of an Away Team;
    - **2/1** – Half time will end in a victory of an Away Team **and** Full time will end in a victory of a Home Team;
    - **2/X** – Half time will end in a victory of an Away Team **and** Full time - draw;
    - **2/2** – Half time **and** Full time will end in a victory of an Away Team.
- *Score in a math* - Identify a score, In your opinion, the current match will end. A list of all the possible outcomes with the odds is reflected on the screen before the match. It is important to remember that the bet with the score 4-2 is placed on 4 goals, which will be scored by a Home Team and 2 - Away Team;
- *A number of goals* - identify, in your opinion, how many goals , from both teams, will be scored in the match (0, 1, 2, 3, 4, 5 or 6). The proposed odds for each option are reflected on a screen before a match;
- Multigoal - identify, in your opinion, how many goals will be scored in the current match in an interval from the minimum and maximum possible numbers. Example, if you place "Multigoal 1-4 ", it means, that your bet will play, if there are 1 or 2 or 3 or 4 goals in Full time. The bet "Multigoal" intersects with the bet " Number of goals", if the minimum and maximum values are equal.
- *Total* - identify, in your opinion, more or less goals will be scored in a match:
    - **0,5 Over/Unde**r – you place a bet on Full time, 0,5 Over or Under goals will be scored.
    - **1,5 Over/Under** – you place a bet on Full time, 1,5 Over or Under goals will be scored.
    - **2,5 Over/Under** – you place a bet on Full time, 2,5 Over or Under goals will be scored.
    - **3,5 Over/Under** – you place a bet on Full time, 3,5 Over or Under goals will be scored.
- *Goals* - identify, in your opinion, there will not be goals or only one team will score in the regular time of a match(NG/OS) or two teams will score at least one goal (TWO will score):

    - **No goals/One will score** - you place a bet on Full time, there will be no goals or one team will score. The bet will play, if the score is the following: 0-0, 0-1, 0-2, 0-3, 0-4, 0-5, 0-6, 1-0, 2-0, 3-0, 4-0, 5-0, 6-0;
    - **Two will score** - you place a bet on Full time, two teams will score. The bet will play, if the score is the following: 1-1, 1-2, 1-3, 1-4, 1-5, 2-1, 2-2, 2-3, 2-4, 3-1, 3-2, 3-3, 4-1, 4-2 or 5-1..
- Result of a match +Total - identify, in your opinion, how full time will end (Away/Draw/Home) and Under/Over condition will take place in one bet. It will play, if the both conditions take place:
    - **1X2 + 1,5 over / under** - the bet is on full time and 1,5 over / under goals.
    - **1X2 + 2,5 under / over** - the bet is on full time and 2,5 over / under goals.
    - **1X2 + 3,5 over / under** - the bet is on full time and 3,5 over / under goals.

15.3. Greyhound and Horse Racing

- *First 4 numbers – 24 combinations*
- *First 5 numbers – 60 combinations*
- *First 6 numbers – 120 combinations*

15.4. Motorcycle Races

This dynamic game gives you the possibility to bet on circle moto races. Races start every 2-9 minutes(5 minutes by default). It is a fast race of sports bikes on paved surface in one circle. 6 riders are involved in each race, there are 3 prizes. Each game has its own event number for which the results are listed on the scoreboard (the last six results) and open database (see Motorcycle Results).

Types of bets:

- *Winner* - bet on a number of a participant, who the player believes should come first;
- *Double* - a player choose two numbers of participants, who should come first and second in chosen order;
- *Trifecta* - three races, which will finish, in your opinion, in the 1st, the 2nd and the 3rd places in the specified order;
- *Quinella* – enter two numbers of bikes which, in your opinion, will finish in in the 1st and the 2nd place in any order;
- *Place 1-2*– choose one bib number which, in your opinion, will place the 1st or at least the 2nd place in the race;
- *Place 1-3* – choose one bib number which, in your opinion, will place the 1st or at least the 3rd place in the race.

Double and Triple System – place a bet on all combinations of offered outcomes of Double and Trifecta involving only the participants of the race. Double – the bet on two bib numbers.Triple – the bet on at least three bib numbers;

Example: Double System

- *First 2 numbers – 2 combinations (1-2/2-1);*
- *First 3 numbers – 6 combinations (1-2/1-3/2-1/2-3/3-1/3-2);*
- *First 4 numbers – 12 combinations;*
- *First 5 numbers – 20 combinations;*
- *First 6 numbers – 30 combinations.*

Special cases: in order to avoid any misunderstanding with technical difficulties of programmes (computer hangs, screen is off and etc.) and/or the Internet failure (lost of the network connection, signal loss and etc.), placing a bet you need to make sure coincidence of the event number in the bet slip and the number of the current event on the screen (or scrolling text at the bottom on the TV).

If, for technical issues, the event has not been shown, and its number did not appear in the history of recent events on the TV, in this case, the player should check the bet receiving the result of the event from the cashier, or via the link above.

The lack of an event's stream in a betting shop, for technical issues, shall not be the reason of bet cancellation.

15.5. Speedway

Four motorcycles participate in each race. Races start every 2-5 minutes.

Types of bets:

- *Winner* - bet on a number of a participant, who the player believes should come first;
- *Double* - the player choose two numbers of participants, who should come first and second in chosen order.
- *Double System* - the player can place bet on all suggested outcomes in Double System for certain numbers of the participants. The player should choose minimum two participants.

Extra bets:

- **Even** – win of the biker under an even identification number (2 or 4);

- **Over** – win of the biker under the odd identification number from the second of 2 (3, 4).

16. Global Bet

Camels

1. **Winner or Single Bet**. Player A bets on a participant to win the race. Player A wins if the chosen participant he picked is first across the finish line. **Example**: If the player bets on participant #5, it must arrive on the 1st place so he can win the bet.
2. **Place Bet.** For a Place Bet it means that a player wins if its chosen participant finishes 1st or 2nd in the race. **Example**: If the player chooses racer #4 and its chosen racer finishes 1st or 2nd at the end of the race the bet is won.
3. **Show.** The player is betting on a participant to finish 1st, 2nd or 3rd. **Example**: The player bets on participant #4. If the racer finishes in one of these three positions, then the player wins the bet.
4. **Over/Under 3.5.**Player bets on the winner´s start position to be over/under 3.5.
    - **NOTE** - For virtual races with 8 participants we have available the **Over/Under 4.5** betting option.
    - **Example over 3.5**: Participant #4 wins the race. The number 4 is Over 3.5, so the bet is won.
    - **Example under 3.5**: Participant #2 wins the race. The number 2 is Under 3.5, so the bet is won.
5. **Even/Odd.** The player bets on whether the winner´s start position number will be Even/Odd.
    - **Example Even:** Participant #4 wins the race. Number 4 is even, so the player wins the bet.
    - **Example Odd:** Participant #5 wins the race. Number 5 is odd, so the player wins the bet.
6. **Forecast or Exacta.** The player picks 2 participants to finish 1st and 2nd in a specific order. **Example**: The player chooses participant #2 to arrive 1st and participant #1 to finish 2nd. To win, both racers must finish in the exact order, the player specified in his bet.
7. **Quinella.** The player bets on two participants to finish the race 1st and 2nd place in any order. **Example**: If the player selects the participants #4 and #5 and they finish the race 1st and 2nd in any order, then he wins.
8. **Tricast or Trifecta.** The player picks 3 runners to finish 1st, 2nd and 3rd in a specific order. **Example:** 2-3-5. The bet is won if the racers finish the race in the exact order specified by the player.
9. **Forecast Combinations.** The player can select two or more participants and bet on their every possible combination that two of its selections will finish 1st and 2nd in any order. The system will automatically calculate all the possible bets from the chosen numbers. **Example**: There are 2 bets placed on the ticket (2-4, 4-2);
10. **Tricast Combinations.** The player can select three or more participants and bet on their every possible combination to be finishing 1st, 2nd and 3rd in an exact order. The ticketing component will work out automatically all the possible combinations. **Example:** on 3 selections, there are 6 bets: (3-4-5, 3-5-4, 4-3-5, 4-5-3, 5-3-4, 5-4-3)

16.1. Virtual Football

1. **Winner or Single Bet.** The player bets on a chosen dog/horse to win the race. **Example:** The player bets on dog/horse number 5 to win the race. If the dog/horse 5 crosses 1st the finish line, the bet is won.
2. **Place Bet.** The player bets on a dog/horse to finish the race either on 1st or 2nd place. **Example:** The player bets on dog/horse number 4 to finish the race either on 1st or 2nd place. If the dog/horse 4 finishes in one of those positions, the bet is won.
3. **Show.** The player bets on a dog/horse to finish the race in either 1st, 2nd or 3rd place. The player wins if its chosen dog/horse finishes either on 1st, 2nd or 3rd place. **Example:** The player bets on dog/horse number 4 to finish the race in either 1st, 2nd or 3rd place. If the dog/horse 4 finishes in one of these three positions, the bet is won.
4. **Over/Under 3.5. NOTE** - For virtual races with 8 participants we have available the **Over/Under 4.5** betting option. The player can bet whether the winning dog/horse number is over or under 3.5. **Example:** The player bets on the number of the dog/horse to be over 3.5 and dog/horse number 4 wins the race. In this case the customer wins the bet. **Example:** The player bets on the number of the dog/horse to be under 3.5 and dog/horse number 2 wins the race. In this case the customer wins the bet.
5. **Even/Odd.** Each dog/horse has a number. The player can bet whether the winning dog/horse number is Even or Odd. **Example:** The player bets on the number of the winning dog/horse to be Even. If the dog/horse number 4 wins the race, then the customer wins the bet. **Example:** The player bets on the number of the winning dog/horse to be Odd. If the dog/horse number 3 wins the race, then the customer wins the bet.
6. **Forecast or Exacta.** The player bets on two dogs/horses to finish 1st and 2nd in the exact order he specified on his ticket. **Example:** If the player bets on the dog/horse number 2 to finish the race 1st and on dog/horse number 1 to finish 2nd, they must finish in these exact positions, so the bet is won.
7. **Quinella**. The player bets on two dogs/horses to finish the race on 1st and 2nd position in any order. **Example:** The player wins if dog/horse 4 finishes 1st and Dog/Horse 5 finishes 2nd or the player wins if dog/horse 5 finishes 1st and Dog/Horse 4 finishes 2nd.
8. **Tricast or Trifecta.** The player bets on three dogs/horses to finish the race on 1st, 2nd and 3rd position in the exact order he specified on his ticket. **Example:** 2-3-5. If the player bets on

dog/horse number 2 to finish the race on 1st position, dog/horse number 3 to finish on 2nd position and dog/horse number 5 to finish on 3rd position then they must finish in these exact positions, so the bet is won.

9. **Forecast Combinations.** The player selects two or more dogs/horses and bets on every possible combination that two of its selections will finish 1st and 2nd in any order. The system will calculate automatically all the possible bets based on the numbers that were chosen. **Example:** The player selects dog/horse number 2 and 4 to finish on 1st and 2nd position.
    - He wins the bet if:
        - Dog/Horse 2 finishes 1st and Dog/Horse 4 finishes 2nd.
        - Dog/Horse 4 finishes 1st and Dog/Horse 2 finishes 2nd.
10. **Tricast Combinations.** The player selects three or more dogs/horses and bets on every possible combination that its selections will finish 1st, 2nd and 3rd in that exact order. **Example:** If a player selects dog/horse number 3, 4 and 5, then they will have the following six betting combinations available. The player must hit one of these combinations exactly to win the bet. The system will calculate automatically all the possible bets based on the numbers that were chosen. **(3-45, 3-5-4, 4-3-5, 4-5-3, 5-3-4, 5-4-3).**

17. TOTO-FOOTBALL (JACKPOT)

GENERAL PROVISIONS

1. 22Bet Betting Company accepts bet on TOTO-football in accordance with Rules.
2. TOTO totalizator - is the special pool game where you need to place bets on 14 events in the Match List.
3. Bets are accepted from individuals who agree with the Rules proposed by the betting company. Bet placed by the bettor serves as the unconditional acceptance of the present Rules.

TOTO-FOOTBALL BET

1. Each match can have 3 outcomes: The bet “Home wins” is designated as “1”; the bet “Away wins” is designated as “2”; the bet “Draw” is designated as “X”.
2. TOTO-football bet is a combination of event outcomes (one for each match of the coming Toto) on which a contestant bets; and also the amount of this sum of money.
3. A bettor can choose from one to three possible outcomes in each match, besides each bet is paid out and settled separately. By placing a bet total number of bets (variants) and total amount is shown. Bet amount on each of variants is settled by dividing the total amount bet on the number of variants.
4. All toto bets can be checked in the section Totalizator - TOTO-Football - Bet slip list.

CALCULATION OF TOTO-FOOTBALL

1. You can see the result on each event in toto bet slip after all matches will be completed. Bets on football matches are accepted on regular time (including additional time) except such bets as "To qualify" or "Winner", where bets are accepted on outcome of two teams showdown. The additional time of the first half-time is the 45th minute. The additional time of the second half-time is the 90th minute. If a match is abandoned before 90 mins are played or postponed all bets on that match are void, except for those markets which have been unconditionally determined.
2. A match is considered void if it was interrupted/postponed/delayed or if it started earlier than the closing time for bets of the current Toto Game. All outcomes of a match incomplete are considered successful.
3. If there are 4 or more matches incomplete, then this drawing betting is considered invalid and all bets are returnable with the odds are equal to be "1".

CALCULATION OF WINNINGS

1. The win for each variant is settled by multiplying the winning coefficient for a particular category by the bet amount 1€ for this variant. The winning coefficient for a particular category is settled by dividing the overall prize fund of this category by the sum of all bets with correct variants (i.e. if you bet more, you win more).
2. Winnings are credited within 1 hour after the last match of TOTO-Football drawing but not later than 12 hours after the last match of TOTO drawing in case of force majeure

17.1. THE DISTRIBUTION OF THE PRIZE FUND

1. Betting pool - a monetary sum, received in the form of bets for the incoming drawing of Toto-Football.

2. Prize money - a part of the pool (90%), used for winnings payout.
   The distribution of the prize fund by categories:
   - 1st winning category – 10% from Toto Prize Pool, (14 scores predicted);
   - 2nd winning category – 10% from Toto Prize Pool, (14 and 13 scores predicted);
   - 3rd winning category – 10% from Toto Prize Pool, (14, 13 and 12 scores predicted);
   - 4th winning category – 15% from Toto Prize Pool, (14, 13, 12 and 11 scores predicted);
   - 5th winning category – 20% from Toto Prize Pool, (14, 13, 12, 11 and 10 scores predicted);
   - 6th winning category – 35% from Toto Prize Pool, (14, 13, 12, 11, 10 and 9 scores predicted);
3. The category with all 14 correct outcomes is also funded by a Jackpot which was formed from the previous drawings.
4. Jackpot - an extra winning distributed among bets where all 14 matches are predicted, rateably the sum of these bets (if you bet more, you win more). It is based on previous drawings of Toto in which one or several winning purses were not raffled off, i.e. when the best bet correctly predicted less than 14 (13, 12, 11, 10, 9) events. Jackpot prize is not raffled off and increases for every next drawing until one of the bettors guesses the results of all events. A wagering company has a right to enlarge a jackpot by means of its own monetary funds.
5. Jackpot distribution in the case of void matches 'not played':
   - 1 void match – 35% of the Jackpot is distributed;
   - 2 void matches – 20% of the Jackpot is distributed;
   - 3 or more void matches, then all bets will be void and stakes returned to the players.
6. The distribution of a jackpot in case of 1 event considered to be cancelled will be made in accordance with p.4.2
7. The distribution of a jackpot in case of 2 events considered to be cancelled:
   - 1st winning category – 5% from Toto Prize Pool, (14 scores predicted);
   - 2nd winning category – 10% from Toto Prize Pool, (14 and 13 scores predicted);
   - 3rd winning category – 15% from Toto Prize Pool, (14, 13 and 12 scores predicted);
   - 4th winning category – 25% from Toto Prize Pool, (14, 13, 12 and 11 scores predicted);
   - 5th winning category – 45% from Toto Prize Pool, (14, 13, 12, 11 and 10 scores predicted);
8. The distribution of a jackpot in case of 3 events considered to be cancelled:
   - 1st winning category – 10% from Toto Prize Pool, (14 scores predicted);
   - 2nd winning category – 15% from Toto Prize Pool, (14 and 13 scores predicted);
   - 3rd winning category – 25% from Toto Prize Pool, (14, 13 and 12 scores predicted);
   - 4th winning category – 50% from Toto Prize Pool, (14, 13, 12 and 11 scores predicted);

BATCH BET

Batch bets refer to a number of bet slips. In other words, batch bets are when several bet slips are accepted for a draw at the same time.
Batch bets are accepted until 10 minutes before betting on a draw finishes.

HOW TO PLACE A BATCH BET

To ensure you place a batch bet properly, all your bet slips should be submitted in the required format, as shown below:

0.7;1-(1);2-(1);3-(1);4-(1);5-(1);6-(1);7-(1);8-(1);9-(1);10-(1);11-(X);12-(X);13-(1);14-(X)

The numbers and symbols from the line above refer to the following:
0.70 – your stake amount
1, 2, 3, … 14 – a match's number in a draw
(1,2,X) – your chosen outcome.

Each bet slip should start on a new line and should be displayed as shown below. The stake amount should be at the start of a line, your chosen outcomes should be separated with a semi-colon and each line should end with a comma.

EXAMPLE:

0.7;1-(1);2-(1);3-(1);4-(1);5-(1);6-(1);7-(1);8-(1);9-(1);10-(1);11-(X);12-(X);13-(1);14-(X),
0.7;1-(1);2-(1);3-(1);4-(1);5-(1);6-(1);7-(1);8-(1);9-(1);10-(1);11-(1);12-(X);13-(1);14-(X),
0.7;1-(1);2-(1);3-(1);4-(1);5-(1);6-(1);7-(1);8-(1);9-(1);10-(1);11-(2);12-(1);13-(2);14-(X),

You can either type out your bet slips in a word processing application, before copying and pasting them into the relevant field, or enter this information into this field straight away.
Then press 'Process batch bet'. After you've done this, the information you've entered will be checked and you'll need to confirm your bet. Once you've confirmed your batch bet, it'll be accepted.
You can view your bets in My account - Bet history – TOTO.

EXAMPLE:

Let's say, that in a TOTO draw you're only sure of the outcomes of nine matches (Team 1 win). You also think there might be 2 possible outcomes for three matches (1X) and you're not sure of the outcome of the remaining two matches (your selection - 1X2).
If your bet slip features all the possible combinations for your predictions, it will include 72 different outcomes and your total stake will be €50.4 (minimum stake = €0.7).

HOWEVER, YOU CAN SIGNIFICANTLY REDUCE YOUR TOTAL STAKE AMOUNT BY SPREADING YOUR PREDICTED OUTCOMES OVER A LARGER NUMBER OF BET SLIPS (BATCH BET). YOU'LL STILL BE IN WITH A CHANCE OF WINNING BIG.

All you need to do is choose your bets in such a way that at least 13 outcomes win in one of your bet slips. In this case, you will only need to form 11 bet slips and stake €7.70. Based on your predictions, the following batch bet was formed:

0.7;1-(1);2-(1);3-(1);4-(1);5-(1);6-(1);7-(1);8-(1);9-(1);10-(1);11-(X);12-(X);13-(1);14-(X),
0.7;1-(1);2-(1);3-(1);4-(1);5-(1);6-(1);7-(1);8-(1);9-(1);10-(1);11-(1);12-(X);13-(1);14-(X),
0.7;1-(1);2-(1);3-(1);4-(1);5-(1);6-(1);7-(1);8-(1);9-(1);10-(1);11-(X);12-(1);13-(X);14-(X),
0.7;1-(1);2-(1);3-(1);4-(1);5-(1);6-(1);7-(1);8-(1);9-(1);10-(1);11-(1);12-(1);13-(X);14-(X),
0.7;1-(1);2-(1);3-(1);4-(1);5-(1);6-(1);7-(1);8-(1);9-(1);10-(1);11-(X);12-(1);13-(1);14-(1),
0.7;1-(1);2-(1);3-(1);4-(1);5-(1);6-(1);7-(1);8-(1);9-(1);10-(1);11-(1);12-(1);13-(1);14-(1),
0.7;1-(1);2-(1);3-(1);4-(1);5-(1);6-(1);7-(1);8-(1);9-(1);10-(1);11-(X);12-(X);13-(X);14-(1),
0.7;1-(1);2-(1);3-(1);4-(1);5-(1);6-(1);7-(1);8-(1);9-(1);10-(1);11-(1);12-(X);13-(X);14-(1),
0.7;1-(1);2-(1);3-(1);4-(1);5-(1);6-(1);7-(1);8-(1);9-(1);10-(1);11-(X);12-(X);13-(X);14-(2),

18. Privacy Policy

22bet and its employees are committed to collecting and storing your personal data according to the strictest international standards and applicable regulations to ensure its safety and proper handling.

It is our intention to keep you informed of how the information we collect from you is used and stored. Changes have been made to this Privacy Policy to ensure its compliance with the General Data Protection Regulation (GDPR).
This Privacy Policy describes the data processing methods utilized by our Company and the options you have when it comes to your information being handled by us.
22bet has every intention of offering detailed and accurate information on the use of cookies to allow every person accessing our website to make an informed decision about the storage of such files on their device.
If you ever have any questions, concerns or suggestions regarding the data we collect from you, or general questions about our services, please do not hesitate to contact us at support-en@22bet.com.

Should you become concerned about the use of cookies on any of the pages of our website, please feel free to send detailed information about it to us at support-en@22bet.com.

18.1. PRIVACY

22bet as a company undertakes to keep the data it is trusted with completely secure.
This Privacy Policy explains how exactly we collect your information when you choose to use our services, as well as how we use it after that.
This Privacy Policy will be agreed between you and 22bet (hereinafter "We", "Us" or "Our", if applicable). Please note that by using our website and its services you are acting as a party to this Privacy Policy.
Changes to this Privacy Policy may be made from time to time. You can keep informed of those changes by checking on our websites and platforms. It is your responsibility to check our Privacy Policy and stay informed about the latest amendments.

18.2. CONSENT TO HAVING YOUR PERSONAL DATA PROCESSED

YOUR RIGHTS AS A DATA SUBJECT
22bet only begins to process your personal data following your express approval. You agree that this approval constitutes your informed, explicit and freely given consent (hereinafter referred to as “consent”) to process your personal data according to this Privacy Policy.
Your Consent to the processing of your personal data may be granted by you or a representative appointed by you in any of the following ways:

- In written form, in which case your consent must contain the following:

- first name, last name and patronymic (if applicable), residential address, number of the document used to identify the data subject, as well as the document's date of issue and issuing authority
- in case consent is given by a representative – notarized power of attorney or another document

that confirms the relevant authority of the representative
- the postal address of 22bet in order to receive the consent granted by the data subject
- the purposes for which personal data provided will be processed
- a full list of personal data for which the consent is given
- the name and address of the person or legal entity entitled to process the personal data, for which consent has been granted, on behalf of 22bet, in the event that the processing is delegated to them
- a list of actions regarding personal data for which the consent is being given, as well as an overview of the processing methods that can be used to process it
- the validity period of the consent during which the data may be processed, and in which way the consent can be withdrawn
- the signature of the person granting the consent or their legal representative

- By performing specific actions that expressly indicate the will to establish a legal relationship with 22bet, such as signing up with 22bet and creating an account, registering for the services offered, or executing financial transactions into a previously created account. Performing such actions is a condition that enables the person to participate in betting on the 22bet website according to the Terms and Conditions, place bets, and receive winnings through the created account in order to comply with the rules set forth by the gambling operator.

Your consent is not required in order to process your data in any of the following situations:

- when processing of the data is required for the purposes set forth in international agreements of local legislature, for due performance of legal duties and functions
- when personal data must be processed for the purpose of serving justice or executing an official court decision or another decision by a relevant legal body
- when personal data must be processed for the purpose of protecting the vital interests of the personal data subject, including but not limited to their health and life
- when personal data must be processed for the purpose of exercising the legitimate rights and interests of the Company or third parties, as long as your rights and freedoms are not violated
- when personal data must be processed in the interest of obtaining specific statistical data, as well as for other research purposes – in this case your personal data will be anonymized, except for cases when otherwise required for marketing purposes
- when an unlimited number of people have free access to the personal data being processed as granted by you
- when the personal data being processed is subject to obligatory disclosure according to local laws

The Company fully complies with the provisions of the General Data Protection Regulation (GDPR) regarding the procedures of withdrawing consent already granted, obtaining information about your personal data availability, and having your information amended, blocked, or permanently erased by 22bet.

18.3. WHY WE COLLECT YOUR INFORMATION

The information we collect includes that used for personal identification purposes, such as first name and last name, date of birth, credit card information, home address, email address, phone number and other details that may be appropriate.

You may be asked for personal data when using the website, creating an account, or using the services we provide. Personal data that can be requested from you may include:

- contact details, which include your email address and phone number
- residency information (such as your home address)
- payment information
- transaction history
- website preferences
- feedback on services used

We collect, process and store information on our servers according to applicable legislation.

When you are interacting with our websites and using our services, your unique activity log is recorded, which includes the following information:

- IP address
- time spent using the website
- date of access
- specific pages viewed
- language preferences
- software crash reports
- browser type used

This information is collected and analyzed to make sure we can provide better service.
We never collect your information without making you aware of the fact in advance.

18.4. HOW WE COLLECT AND PROCESS INFORMATION

We may automatically collect certain data, as mentioned above, as well as obtain your personal data whenever you choose to provide it voluntarily while interacting with the 22bet website or using other services and communications.
Personal data can also be obtained from other service providers and customer lists obtained from third-party suppliers in a strictly legal manner and in complete accordance with all applicable laws and regulations.
Third-party service providers may be used for technical support of your monetary transactions and proper maintenance of your account.
Any personal data obtained in the ways mentioned above from service providers, third-party service suppliers and ecommerce services will be used strictly according to the provisions set forth in this Privacy Policy.
Your personal data will be disclosed to third parties in strict accordance with this Privacy Policy and applicable legislation.

18.5. USING THE DATA COLLECTED

The personal data you provide is intended to help us offer you a high quality support service, keep you secure throughout your time using the website, check and verify your identity, properly process your transactions, and facilitate your participation in third-party promotions, as well as for a range of

other purposes related to the provision of our gaming services.
Because of this, during the provision of our services, we may share your personal data with our carefully selected partners (including any other parties that have arrangements with you about the sharing of your data).

We may also use the personal data you supplied us with to:

- send promotional offers and information about the products and services on offer
- send promotional offers and information about the products and services offered by our partners with the aim of giving you a wider range of services and improving your customer experience.

Sometimes we may request that you provide information to us via special surveys and during competitions. You are free to decline to participate in such events and not disclose any personal data. Information we may request may include contact details (including your name, email address, and phone number), and geographic information (such as your address and postal code), as well as your exact age.
It is understood that by participating in any competitions run by the Company and accepting prizes or claiming your winnings, you provide consent for us to use your name for promotional purposes without being entitled to any sort of supplemental remuneration, except in cases when such remuneration is required by law.
If you haven't decided whether you wish to receive promotional information from us, your personal data (such as your email address and phone number) may continue to be used to keep you informed regarding our products and services, and to notify you about our promotions and other gaming products (such as betting, backgammon, online poker and the like), which may include third-party products and services we consider it important to inform you about.

18.6. INFORMATION DISCLOSURE

Your personal data is not disclosed to any other companies, organizations and people not affiliated with 22bet.
Your personal data may be disclosed to other companies, organizations and people not affiliated with 22bet, provided that you have granted us consent to do so.
Your personal data may be disclosed if we are required to do so by law, or we strongly believe that doing so is critical in order to:

- comply with legal requirements or procedures involving our company or our website, or services we provide, or any other circumstances when we are legally required to do so
- protect our rights or property
- protect other customers using our products or services

If we have reason to believe that someone has committed or is intending to commit a dishonest and illegal act, such as:
- tampering with games
- committing payment fraud (which includes using stolen cards)
- requesting payment reversals and cancelations

- performing prohibited transactions (including money laundering)

the Company reserves the right to share this information and your personal data with other gaming websites, law enforcement authorities, credit card companies and other relevant regulatory agencies. Your personal data may be passed on to appropriate institutions for the purpose of carrying out public research and preventing gambling addiction.

18.7. ACCESS TO YOUR DATA

You can choose to opt out of receiving promotional messages from us in any of the following ways:

- by opting out in your account settings, available on our sites or via our services
- by replying to any promotional newsletter sent by us
- by sending an email to our customer service representative via any of the available channels

In addition, you can get in touch with us at any moment if you need:

- to know which information we collect, process and store, and from which sources we obtained it
- to confirm the accuracy of the personal data supplied by you or obtained by us in any other way
- to update the personal data collected and currently stored
- to file a complaint regarding how your personal data is being used

We will update any information already being stored as long as you can prove such changes are reasonable and necessary, and provide sufficient proof of your identity.
To clarify, no provisions of this Privacy Policy prevent us from having to share your personal data if we are required to do so by a formal request filed by an appropriate legal authority of your country.

18.8. COOKIES

INFORMATION STORED ON YOUR DEVICE
When you are using our services, certain information is stored on your device with your consent. This information is commonly known as “cookies”, which are small text files that store your preferences. Cookies are always stored on your device while using our services during website visits.
We also use flash cookies, which are similar to browser cookies described above and allow us to store information about your visits across our various websites.
Neither type of cookies can be used to gain access to your device or computer or use any information stored on them. Both types of cookies are used for monitoring purposes only.
These methods are also used to see how exactly you are using our services and what your preferences are. Cookies are useful for monitoring site traffic and improving the services provided with the aim of increasing your interest in staying with us as a customer. Flash cookies and browser cookies also help us ensure that you are shown only relevant and precisely targeted ads.

STRICTLY NECESSARY COOKIES
“Strictly necessary cookies” is a term used for cookies that are crucial in order for the user to be able to navigate the website and use all of the features available, including access to the sections of the

website where payments can be made. These cookies are in place to ensure the proper functioning of the website.

REGISTRATION COOKIES
These cookies store the information you enter upon registration and let us provide you with high-quality services. This data is utilized for us to get a better understanding of what you need as a customer and to ensure you enjoy your visit and our services.

WEBSITE COOKIES
These cookies are used to collect information on how visitors are using the services we offer. There are different types of cookies based on what they are intended for:

- “Session-based” cookies. These cookies are stored on your device during your visit to the website and enable faster navigation. Their use allows us to offer our registered customers more relevant information and experiences. These cookies expire automatically when your browser is closed.
- “Persistent” cookies (including flash cookies). These cookies stay on your computer for a specific period of time.
- “Analytical” cookies. These cookies are used to count how many visitors access the website and use our services, which helps us improve your navigation experience and allows you to find things faster.

You always have a choice of whether to accept or decline cookies.
Most web browsers accept cookies by default, but if you choose to, you can always modify your browser settings to have full control over which cookies are accepted.
Using your web browser, you can delete, block or allow all cookies, block cookies from third parties, clear all cookies when you close the browser, start incognito mode sessions to browse the internet without storing any data on your device, or extend the options available within your browser by installing add-ons and plug-ins.

Please note that we are not responsible for any content on other websites. Also, it is our duty to inform you that if you disable cookies, you will not be able to access the full features of 22bet.

FLASH COOKIES
Flash Player allows you to manage your preferences – the settings can be changed to prevent the use of flash cookies.
Please note that choosing to decline all cookies will prevent you from being able to use some of the features and services otherwise available. For instance, you will not be able to choose the interface language.

18.9. CONSENT TO INFORMATION BEING SHARED WITH

ELECTRONIC SERVICE PROVIDERS

To be able to play games involving real money on our website, you will need to transfer money to your player account. You will also need to be able to withdraw funds from your account. To facilitate these processes, we may resort to third-party electronic payment systems.
By accepting this Privacy Policy, you also provide your consent to your personal data being transferred to third parties as required for the proper processing of your transactions, including outside of your country in some cases. We have measures in place to ensure security when third-party systems are used to process payments.

18.10. CONSENT TO BEING SUBJECTED TO SECURITY REVIEWS

Our Company reserves the right to carry out security reviews at its discretion in the interests of verifying the personal data you provided when you registered, verifying financial transactions and ensuring proper use of the services provided. This may be done to ensure there are no violations of any applicable laws or of our Terms and Conditions.

By continuing to use our services and thereby accepting our Terms and Conditions in their entirety, you are authorizing us to use and disclose your personal data to third parties in the interests of conducting such security reviews at our discretion, which may involve transferring your information outside of your country. Security reviews may include (but are not limited to) ordering credit reports and checking the information provided against the available third-party databases.

18.11. SECURITY

Realizing the importance of offering complete security to our users, our Company is committed to employing all available methods to ensure the confidentiality of your data and the accessibility of any necessary information. All personal data obtained from you is encrypted and stored in a database protected by a password and regularly updated firewall software. Our services rely on 128-bit encryption SSL Version 3.

We also make every possible effort to ensure that adequate security measures are taken by our affiliates, subsidiaries, agents, suppliers etc. However, you should be aware that sending information over the internet is by definition never totally secure, and as a result we are unable to guarantee the security of your data when transferring it.

Therefore, please be warned that you SEND ANY DATA AT YOUR OWN RISK. Once your data is received, 22bet has appropriate procedures and methods in place to ensure its security.

18.12. PROTECTION OF MINORS

Our services are not intended for and therefore should not be used by minors (those under the age of 18 or the lawful age in their jurisdiction).

Any person signing up with us and using our services confirms, expressly or by using our services,

that they are at least 18 years old or the lawful age in their jurisdiction. According to our policies, security reviews are conducted in order to uncover any attempts by minors to use our services. Should we become aware of any attempts by minors to submit personal data and start using our services, we will take all necessary measures to remove such information from our records.

18.13. INTERNATIONAL DATA TRANSFERS

Please be advised that the personal data we collect from you may be stored and processed in any country, based on where gaming services are provided by our affiliates, suppliers, partners or agents. By using our services, you give your consent to any information supplied by you being transferred outside your country, including to countries whose privacy laws may not be considered to be adequate.
Nevertheless, we do our best to ensure that our affiliates, agents, partners and suppliers comply with international privacy standards and adhere to this Privacy Policy.

18.14. THIRD-PARTY RELATIONSHIPS

We cannot ensure the protection of any information that you provide to a third-party website that links to our services or of any other information collected by any third party managing it in compliance with our affiliate program (if applicable) or otherwise, since these third-party online services and websites are not owned by us and are operated independently from us.
Be careful.
Any information collected by these third parties is governed by the privacy policy, if any, of such third party.

18.15. LEGAL DISCLAIMER

Our company shall not be held liable for any events beyond our direct control. We shall not be held liable for any damage, direct or indirect, arising from the unlawful use or theft of your personal data. Due to modern technologies being complex and ever-changing by nature, we make every effort to ensure error-free and smooth operation and the confidentiality of your information when redirecting you to other websites. However, we are unable to provide any guarantees regarding websites beyond our control and not covered by this Privacy Policy. When visiting such websites, please be advised that those website operators may also collect your personal data and use and process it according to their privacy policies which may be different from ours. Please make sure to familiarize yourself with these policies before consenting to your personal data being collected and used.
We are also unable to guarantee the security of your personal data while it is being transmitted through various channels of communication, even though we make every effort to ensure secure processing and transmitting. Please be warned that you SEND ANY DATA AT YOUR OWN RISK.

18.16. CONSENT TO PRIVACY POLICY

By using our services, you expressly and freely declare your agreement with our Privacy Policy and grant us the right to collect, process and store your personal data.
This Privacy Policy should be evaluated in conjunction with our Terms and Conditions, as well as any Terms and Conditions posted on our other platforms and websites.

Changes may be made to this Privacy Policy from time to time, and you can stay up to date with these by checking our Terms on a regular basis. Your continued use of our services following any such changes constitutes your acceptance of the new Privacy Policy in its entirety.
This is the entire and exclusive 22bet.com Privacy Policy, effective from 01.01.2020 and superseding any previous versions. It is your responsibility to check our Terms and stay informed of the latest amendments.

18.17. ANTI-MONEY LAUNDERING/COMBATING THE FINANCING OF TERRORISM

The betting company 22bet has measures in place to prevent and combat money laundering and international terrorism (the AML Policy). The Company has a zero-tolerance policy towards any illegal activities. To fulfill its obligations according to the AML policy, the Company undertakes to inform all appropriate authorities if there is ever any reason to suspect that any funds deposited by any users at any point were linked, directly or otherwise, to any illegal activities, including but not limited to terrorism. The company undertakes to block any such funds and take the appropriate measures set forth in the AML policy.

Money laundering means the following:
- attempting to hide or actually hiding information regarding the ownership, source, location, movement or disposal of any property that was at any point obtained as a result of an illegal activity
- moving, converting or performing other similar actions with property that was obtained as a result of illegal activities to conceal the fact of it having been obtained illegally
- assisting any persons involved in any of the above-mentioned activities with the aim of avoiding legal consequences

Numerous countries have pledged to fight against money laundering and the financing of terrorism by preventing the infiltration of illicitly obtained capital into their economies.

The Company relies on internal laws and regulations, along with a range of measures to provide any necessary assistance to international organizations combating money laundering and the financing of terrorism around the world.

By creating an account, you effectively accept the following obligations:
- to comply with all laws and regulations related to combating money laundering and the financing of terrorism, including but not limited to the AML Policy
- to provide us with any information in your possession or any suspicions about any of the funds deposited having been received from illegal sources or as a result of any unlawful activity as defined by the appropriate international organizations or applicable laws
- to provide us with any reasonably required information if there are any suspicions about funds having been obtained illegally

The Company has the right to perform the following activities regarding your information:
- collect and store user identification information, as well as any reports on any changes made to that information
- monitor users' accounts for any activity that appears suspicious, as well as for specific transactions
- ban the account of any user suspected of involvement in money laundering or any sort of criminal activities – according to internal legislature, the Company does not have an obligation to inform said user of the fact that their account has been banned and the information passed on to the relevant

authorities

The Company adheres to specific internal AML procedures to carry out identity verification, both initial and ongoing, based on each user's individually assessed risk level. Therefore, the Company will do the following:
- request the minimum amount of information required for confirming identity, such as your full name, date of birth, registered or residential address, and financial sources used to make deposits
- record and keep all data collected and your proof of identification, as well as records of verification methods used
- check your personal data against that of people suspected of terrorist activities as provided by the relevant authorities

In the interests of confirming the authenticity of the data requested and obtained from users, the Company may request additional documents, such as:
- a passport or ID card, or any other document of equal value containing the following information: name, date of birth and photo of the document holder issued by a relevant authority
- a utility bill (no older than 3 months) or other documents that can be used to confirm the user's address

Additional information may be requested by the Company if deemed necessary, including notarized copies of documents.

18.18. DATA RETENTION

As stated under our Terms and Conditions, both you and the Company can decide to have your Player Account closed at any time. Following the closure of your account, we will retain your personal data on record for as long as required by law. This data shall only be used should it be required by competent authorities in cases of inquiries regarding financial and fiscal records, fraud, money laundering, or investigations into any other illegal activity.

You are to note that due to anti-money laundering regulations in licensed gaming jurisdictions in the European Union, we are obliged to retain personal data of players submitted during registration and any data passed on during the operative period of a Player Account for a minimum of five years from last player transaction or account closure. Therefore, requests for erasure prior to the lapse of this period cannot be entertained.

* Proof of wealth: a document confirming the welfare of the player.
* Proof of funds: a document confirming the receipt of funds to the payment system.

20. Responsible Gambling

Our team of world-class professionals worked hard to design 22BET as a reliable and safe place where you can always have fun and keep yourself entertained. Sometimes, however, playing at a casino, instead of bringing joy into your life, may become quite an unpleasant experience. To prevent such cases and help you steer clear of gambling addiction and related problems; we would like to take some time to offer you some advice on this matter.

WHAT TO DO:

If you know from the start that you are going to have certain gambling issues or you are just afraid that you are already not able to find a middle ground between how much you want to play and how much you actually can, then you may want to choose to exclude yourself from gambling at our casino. You can activate this preventive measure by contacting our friendly Customer Service team by Live Chat. In case you are concerned about someone close and dear to you, who can lose control over themselves while gambling, please contact our friendly Customer Service team and we will try to sort everything out. The Customer Service team is available 24/7/365 and can be reached via Live Chat.

It's great if you can keep track of the time and the amount of money spent every day. If not, then it would be a good idea to seek the help of professionals in dealing with the issues compulsive gamblers may face.

Self-assessment

We encourage you to do an honest self-assessment. Please answer the questions below. If you say 'yes' to all or even the majority of the questions, you are likely to have a compulsive gambling problem:

1. Do you have a hard time controlling how much you spend on gambling?
2. Are you borrowing money or stealing in order to participate in gambling?
3. Have you noticed that you spend less time with your family and friends so as to free some of that time for gambling?
4. Do you react adversely to other people’s opinion about your online gambling activities?
5. Have you lost interest in your hobbies or usual leisure activities?
6. Do you feel depressed or even suicidal because of your gambling losses?
7. Have you ever lied to cover up the amount of money or time you have spent on gambling?

It is never too late to admit that you have an addiction and to seek help for gambling addiction. We value our Customers and in no event shall we facilitate the progression of this addiction. Please read the following information which can help you lower the risk of developing or combatting gambling addiction:

1. Do not regard gambling as your source of income.
2. Set limits on the time and money to be spent. Do not break these limits. Feel free to get in

touch with our Customer Service team in order to set limits on your account.
3. Only bet money that you can afford to lose without incurring hardship with covering your daily living expenses.
4. Avoid chasing your losses.

Please do not partake in gambling if:

1. You are under the influence of alcohol or any other substance.
2. You are depressed.

We offer you a range of self-limitation and self-exclusion options. Whenever they are concerned about increasingly becoming addicted to gambling, Customers are encouraged to get in touch with Customer Service in order to exclude themselves from gambling either for a certain period of time or indefinitely.

Self- Exclusion and Self-Limitation

You can contact our **Customer Support via Live Chat** or by **email** at **block@22bet.com** and inform us about your decision to temporarily or permanently restrict your participation in gambling on the website.

23. TOTO Free

1. TOTO bet slip – the customer must determine the results of the 12 events specified, submitting this as a free prediction once done. On the TOTO bet slip, results are represented as:
    - "1" for Home Win
    - "2" for Away Win
    - "X" for Draw
2. Only one outcome can be selected for each event.
3. Predictions are accepted until the first match included in the TOTO starts. Bet slips submitted after the first TOTO match has started will be deemed invalid.
4. A TOTO bet slip goes live when the first match included in the TOTO selection starts (actual time, not scheduled time). Matches deemed void are not taken into account. The start dates and times of the matches shown on the bet slip are for information purposes only. An incorrectly stated event time is not regarded as a reason for cancellation of the bet.
5. If an event is considered void, all the outcomes of this event in all bet slips are considered winning.
6. If one or more events are considered void:
    - If 4 or more events are considered void, a TOTO bet is regarded as canceled.
    - If 3 events are considered void, no points are awarded for 8 and 9 correctly predicted outcomes.
    - If 1 or 2 events are considered void, no points are awarded for 8 correctly predicted outcomes.
7. A match included in a TOTO bet slip is considered void if it is regarded as void according to the rules of Betting Company.
8. Winnings distribution:
    - 100 bonus points are awarded for 8 correctly predicted outcomes
    - 250 bonus points are awarded for 9 correctly predicted outcomes
    - 1,000 bonus points are awarded for 10 correctly predicted outcomes
    - 3,000 bonus points are awarded for 11 correctly predicted outcomes
    - 7,000 bonus points are awarded for 12 correctly predicted outcomes
9. How does it work?
    - A new round of TOTO is held every day.
    - Make your prediction for free.
    - Before a TOTO draw starts, confirm your free TOTO prediction by placing a bet on a sporting event. The minimum stake to confirm your prediction is 2.3 EUR, and the odds must be 2 or higher.
    - Only the first bet placed after your TOTO prediction has been made will count as confirmation of that prediction. Please note that bets placed with the use of promo codes and bonus points, as well as Advancebets, sold bets, refunds at odds of 1.00 and System bets will not count as confirmation of your TOTO prediction.
    - You can make only one prediction per day.
    - Wait for the daily TOTO draw.
10. A list of previous rounds can be found on the TOTO "List of draws" page.
11. Receive your bonus points in your Promo Code Store account within an hour after the last TOTO match has ended.
12. TOTO Terms and Conditions
    - 22bet reserves the right to refuse a free TOTO bet to a customer where the Betting Company reasonably believes that such customer has historically or is currently abusing or defrauding the betting system, for example by engaging in arbitrage.
    - You must be over 18 years of age to open an account with the Betting Company.

    - The Company has the right to cancel or withdraw this offer or change any of its terms at any time without notifying or giving a reason. The company also reserves the right not to allow certain account holders to take part in this promotion.
13. The company maintains a strict policy of only one account per customer and uses a number of internal security systems to identify this. In this regard, in order to avoid the potential for abuse, we reserve the right, in our sole discretion, to refuse to provide a free bet bonus in the following cases:
    - accounts sharing same IP addresses;
    - accounts belonging to the same family and/or household;
    - accounts sharing common contact details or an identifier (e.g. e-mail address, telephone number, credit/debit card number or other payment details);
    - multiple accounts belonging to the same person;
    - breach of any of our bonus terms and conditions;
    - evidence of collusion between customers in placing of bets.
14. The present offer is valid only for 22bet customers.
15. 22bet is the sole arbiter of this promotion and its decision is final and binding. 22bet further reserves the right to request satisfactory ID documentation from any customer prior to them being credited with the free bet.
16. This offer only applies to a customer’s first account (their profile in My Account must be completed in full and their phone number must be activated) and will not apply to any subsequently opened accounts. This offer cannot be used in conjunction with any other offers. If you have any questions regarding 22bet bonuses, please contact our customer support.
17. You must agree to participate in sports betting bonus offers on the ‘Account Settings’ page in the My Account section.

24. CRICKET TOTO

1. GENERAL PROVISIONS
    1. The bookmaker accepts Cricket TOTO bets in accordance with these Terms and Conditions.
    2. A Cricket TOTO draw is a type of game where users can place bets on the outcomes of 10 preselected esports matches offered as part of a TOTO draw.
    3. Bets are only accepted from individuals aged 18 years or over. The bettor bears responsibility for any violations of this clause.
    4. Bets are only accepted from individuals who have read and agreed to these Terms and Conditions. By placing a bet, the user confirms that they agree to these Terms and Conditions.
2. TOTO CRICKET BET
    1. To place a bet, the bettor needs to select one result for each of the10 events in the bet slip. The bettor must predict not only the winner of the match, but also the score at the end of the match.
    2. A Cricket TOTO bet is a full set of outcomes - one for each event - as well as the amount of money wagered on these outcomes.
    3. In each match of the draw, the bettor can select between one and five potential outcomes. Each bet is paid out and settled individually. When the bettor places a bet, the total number of bets (options) and the total stake will be displayed. The stake of each betting option is calculated by dividing the total stake of the bet by the number of options.
    4. The minimum stake for a TOTO bet is 30 RUB.
    5. All TOTO bets can be checked by going to TOTO > Cricket > List of draws.
3. SETTLING CRICKET TOTO BETS
    1. Once all of the Cricket TOTO matches have ended, we will publish the winning outcomes for each of the events in the TOTO draw, based on the rules for accepting bets on cricket.
    2. A match will be deemed canceled for the purposes of a draw if it is interrupted/postponed/delayed by more than 24 hours, or if it starts before the end of the betting period for the draw in question. For TOTO bets, all outcomes of canceled matches will be considered losses.
    3. If a draw includes 3 or more canceled matches, the draw will be deemed canceled and all bets will be refunded at odds of 1.00.
4. DISTRIBUTION OF THE PRIZE FUND
    1. Betting pool - a monetary sum, received in the form of bets placed by participants of the current Cricket TOTO draw.
    2. Prize money - a part of the pool (90%), used to pay out winnings.
    3. The prize pool is distributed in categories:
        - a) category 1 - 5% of the prize pool - includes bets with correct predictions for 10 match results.
        - b) category 2 - 5% of the prize pool - includes bets with correct predictions for 10 or 9 match results.
        - c) category 3 - 10% of the prize pool - includes bets withcorrect predictions for 10, 9 or 8 match results.
        - d) category 4 - 10% of the prize pool - includes bets with correct predictions for 10, 9, 8 or 7 match results.
        - e) category 5 - 25% of the prize pool - includes bets with correct predictions for 10, 9, 8, 7 or 6 match results.

- f) category 6 - 45% of the prize pool - includes bets with correct predictions for 10, 9, 8, 7, 6 or 5 match results.
- The category for all 10 correct outcomes also includes a cumulative JACKPOT formed from previous draws.

4. A JACKPOT is an additional prize that is distributed between bets where the results of 10 matches were guessed correctly, in proportion to the stake of these bets (i.e. the bigger the stake, the more winnings the participant receives). It is formed from previous TOTO draws in which no prizes were awarded for one or more winning categories, i.e. the best bet had fewer than 10 correct predictions (9, 8, 7, 6, 5). In this case, the prize pool for this category is carried over and added to the JACKPOT of the next draw. The JACKPOT is not drawn and does not increase from draw to draw until a participant correctly predicts the results of all 10 matches. The organizer of the TOTO draw has the right to increase the JACKPOT using their own funds.
5. JACKPOT distribution in the event of canceled matches:
    - 1 canceled match - 35% of the JACKPOT awarded
    - 2 canceled matches - 20% of the JACKPOT awarded
6. In the event that there is 1 canceled match, the prize fund will be distributed in categories in accordance with clause 4.2.
7. In the event that there are 2 canceled matches, the prize fund will be distributed in categories as follows:
    - a) category 1 - 5% of the prize pool - includes bets with correct predictions for 10 match results.
    - b) category 2 - 10% of the prize pool - includes bets with correct predictions for 10 or 9 match results.
    - c) category 3 - 15% of the prize pool - includes bets with correct predictions for 10, 9 or 8 match results.
    - d) category 4 - 25% of the prize pool - includes bets with correct predictions for 10, 9, 8 or 7 match results.
    - e) category 5 - 45% of the prize pool - includes bets with correct predictions for 10, 9, 8, 7 or 6 match results.
    - f) category 6 - unpaid

5. CALCULATION OF WINNINGS
    1. The winnings for each bet are calculated by multiplying the winning odds for 1 RUB by the stake. The winning odds for 1 RUB are calculated by dividing the prize fund for the relevant category by the total stake of bets on correct predictions (i.e. the bigger the stake, the more winnings the participant receives).
    2. Winnings from bets are credited within 1 hour of the end of the last match in the Cricket TOTO draw, and no later than 12 hours after the end of the last match in the draw in the event of force-majeure circumstances
